E-waste collection through source aggregator

E-waste collection through Eureka collection center /point

We have agreement with Re-chakra to collect the E-waste material on behalf of Eureka. Re-chakra has tie up with source aggregators/collection centers to collect the e-waste material through PAN India basis.

Our representative guide them about nearest drop point or if required schedule a doorstep pick up.

For EPR target Source aggregator will send the material to recycling plant for dispose off.

Our logistic team collects the e-waste. material from collection point weekly or as per customer request.

All e-waste material sent to our main hub collection center Delhi from respective State.
