An Important Notice

The shareholders and other stakeholders are generally informed that, the Hon'ble National Company Law Tribunal (NCLT), Mumbai Bench-IV vide its Order dated January 25, 2022 in CP (CAA)/209/MB-IV/2021 in CA(CAA)/55/MB-IV/2021 approved the Composite Scheme of Arrangement between Aquagnis Technologies Private Limited (The Transferor Company 1' for Part II of the Scheme or 'First Applicant Company'), Euro Forbes Financial Services Limited (The Transferor Company 2' for Part II of the Scheme or 'Second Applicant Company'), Eureka Forbes Limited (The Transferee Company 1' for Part II of the Scheme or 'Transferor Company 3' for Part III of The Scheme or 'Third Applicant Company'), Forbes & Company Limited ('FCL' or 'Transferee Company 2' for Part III of the Scheme or 'Demerged Company' for Part IV of the Scheme or 'Fourth Applicant Company') And demerger of the demerged undertaking of FCL into Forbes Enviro Solutions Limited

('FESL' or 'Resulting Company' for Part IV of the Scheme or 'Fifth Applicant Company') and their respective Shareholders ("the Scheme"). Pursuant to the Scheme, the name of the Company was changed from Forbes Enviro Solutions Limited to Eureka Forbes Limited.

The Scheme was made effective from February 1, 2022 being Appointed Date. Further, the Company accounted for Demerger in its books of accounts in accordance with the 'Acquisition Method' of accounting under IndAs 103 (Accounting for Business Combinations) and any other relevant Indian Accounting Standards (Ind-AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013 and other generally accepted accounting principles in India. Hence, we wish to clarify that the Financial Statements for the FY 2021-22 may not be comparable with that of previous year.

In view of the above, the futuristic statements are provided considering the four decades of erstwhile Eureka Forbes Ltd.'s (now demerged/dissolved without winding up) brands and business legacy, etc.

Further, certain statements in the Report regarding business of the Company are forward-looking statements. These include all statements, other than those of performance highlights and historical facts, including those regarding the market and financial position, business strategy, and objectives for future operations. Forward-looking statements are necessarily dependent on projections and trends and constitute current expectations based on reasonable assumptions. Actual results could differ from those projected in any forward-looking statements due to risks and uncertainties, and other external factors.

Reporting Period

The information pertains to the period from April 01, 2021 to March 31, 2022. We have outlined the historical trends of the data wherever relevant. The shares of the Company were listed and traded with effect from March 16, 2022 and hence the provisions of the Listing Regulations were applicable to the Company with effect from the even date.

Scope and Boundary

This report extends beyond financial reporting and includes non-financial performance, opportunities, risks and outcomes attributable to or associated with our key stakeholders, which have a significant influence on our ability to create value. All the information presented in this report pertains to standalone operations of Eureka Forbes Limited, unless otherwise specified.

Feedback

Feedback from the stakeholders is sought to help address their queries and provide clarifications on material topics that encapsulate their key concerns. Any feedback or suggestions or any stakeholder concerns can be communicated at our email address: compliance@eurekaforbes.com or send to us at Eureka Forbes Limited, B1/B2, 7th Floor, 701, Marathon Innova, Ganpatrao Kadam Marg, Lower Parel, Mumbai - 400013, India.

New Standards. Enriched Lives.

Eureka Forbes is an objective-driven organisation inspired by the idea of making a positive difference to the lives of its customers, people, partners, community and the larger society. The Company strives to contribute towards a lifestyle that is clean, hygienic and one that promotes good health.

The past four decades have witnessed the launch of innovative products by EFL, designed to provide healthy water, clean living and pollution-free air.

Powered by a deep understanding of continuously evolving customer needs, the state-of-the-art products and brands of EFL have become synonymous with their respective categories and continue to win the trust of Millions of Indians as their brand of choice.

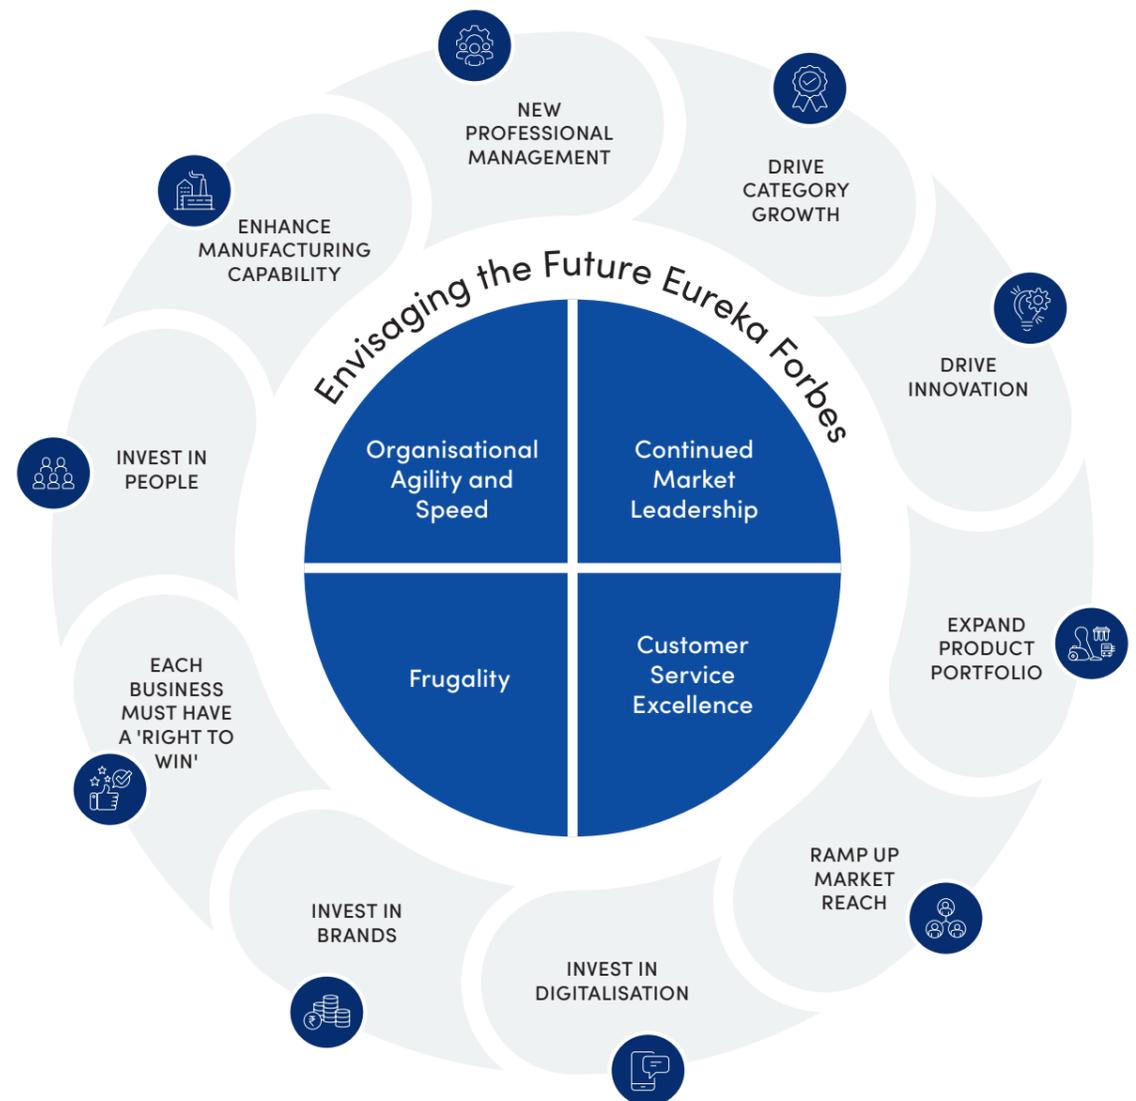

As EFL sets new standards to drive the next phase of its growth journey, aligned with the world's renewed focus on healthy living, the Company is looking to consolidate its market leadership in its core categories and to drive category growth with a strong focus on agility, being extremely responsive to meeting customer needs and becoming future ready. At the same time, innovation and sustainability will become the vehicles to drive this growth grounded in doing more with less, creating a culture of excellence and driving thought leadership.

The EFL team continues its endeavour to do more of what they do best – enriching the lives of Millions.

The Next Phase of Growth

This is a defining moment for the Company as it sends out the message of its transformation to the world. It is on the path of emerging as a stronger organisation with a single-minded focus on creating value for stakeholders. With its unique positioning in the market, EFL is poised for a strong growth in the foreseeable future, backed by significant untapped opportunities.

10 Ways in which EFL is Transforming for the Future

New Standards. Enriched Lives.

Drive Category Growth

The core focus going forward is to drive our category growth. There are significant headroom for growth in each of our categories owing to low penetration of the products across the country.

Moreover, the emphasis on the core business will help contribute towards the intended growth ambition. By exiting non-core business, the single-minded focus of the leadership and management will be on leveraging opportunities in the core businesses.

Ramp Up Market Reach

EFL revolutionised the way consumer appliances were marketed in India. The relationship marketing approach created the potential need for these products and furthered sales with every knock on the door by the company-trained specialists.

There has also been significant expansion in reach to customers through a multi-channel presence including retail, business partners and e-commerce platforms.

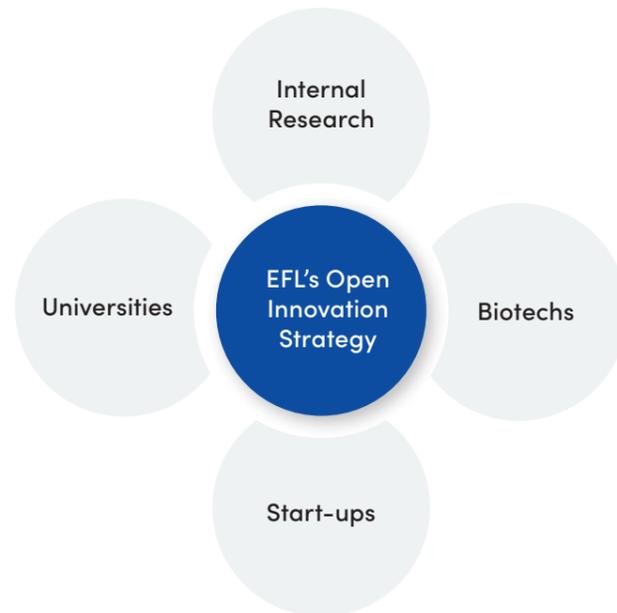

Drive Innovation

EFL is passionate about not just creating products that are relevant today, but also in building platforms that serve the purpose of the future. The Company plans to stay ahead of the curve by investing in upgradation of equipment, technology and innovation of products and processes to meet customer requirements. The dedicated state-of-the-art research and development team constantly seeks to upgrade the quality and reliability of products.

The focus on innovation has led to the launch of several new products, which have contributed to a significant portion of the brand sales in recent years.

The research team focuses diligently on the evolving needs of customers. It is monitoring the water quality across 8,500+ pin codes in India, providing valuable insights that help design appropriate technological solutions.

EFL also invests in strategic partnerships with globally acclaimed organisations whenever necessary to fulfil customer needs.

Expand Product Portfolio

Over several years of operation in the Indian market, EFL has grown to become the market leader* in its areas of operations and is revered as a pioneer and trendsetter in the industry.

However, the Company believes that there is significant headroom for growth in these segments. Underpenetrated markets in the key categories of Water Purification, Clean Homes & Pure Air, with evolving consciousness amongst Indian homes for a healthy living together with appropriate solutions based on consumer insights, would form the backbone of this growth.

EFL is embracing innovation and strengthening its portfolio to fulfil the unmet needs. The Water segment witnessed the infusion of 'traditional Indian' wisdom promising the goodness of copper and zinc in water. In the Cleaning segment, there is increased focus

on automated and efficient cleaning devices with the addition of robotic and upright range of vacuum cleaners and much more. In the Air Purifier segment, awareness and education on the benefits of the product will be of greater importance in times to come.

New Standards. Enriched Lives.

Invest in Digitalisation

The Company is continuously investing in digitalisation with a vision to make Eureka Forbes a health-tech powerhouse and improve customer experience, enhance operational efficiency and drive employee experience.

It has access to the data of more than 8 Million customers, helping it provide data-backed customised solutions.

Further, it is leveraging technology to drive product innovation and create a portfolio of high-tech healthcare products.

EFL is driving operational efficiency by digitalising the value-chain. Further, digitalisation has also emerged as a key driver of employee productivity.

Right to Win

It is well known that the Company has emerged as a leader despite the entry of several competitors over the past decade. The 'Right to Win' demonstrates EFL's ability to engage in any competitive market with a better-than-ever chance of success – not just in the short term, but consistently. The success is by virtue of decades-long experience of understanding the behaviour and perspective of Indian families. This has helped in serving their health needs with the right products and making them accessible across diverse marketing channels.

Digitalising for the Future

Learning and Getting to the Next Level

- Invested in strong partnerships with industry leaders and experts
- Health Protect™ – electronic authentication in spares
- IoT and connected devices in water and air
- QA systems and component level traceability built into the system

Decision-making and Executing

- Performance management & development in Alt Life
- Investment in MS Dynamics 365 for customer lifecycle management
- SAP the backbone of ERP systems
- GA 365 and partnerships for campaign effectiveness

Engaging and Motivating

- All employees connected through Eureka TV
- SFA for customer facing Eurochamps
- LMS built on the backbone of lead transfer within 30 seconds
- Infrastructure for processing & validating over 600,000 leads

Invest in Brands

From the start, EFL has made a conscious decision to invest in new categories with a unique D2C approach much ahead of its time.

With continued investment in categories such as water, cleaning and air - Aquaguard & Forbes (previously called Euroclean) have emerged as Superbrands™.

Invest in People

EFL values all its employees highly and sees them as being crucial to creating value and delivering success. The company will continue to invest in building a stronger and more engaged workforce built on a performance driven culture. With strong values of collaboration and ownership, the company is making huge strides to increase productivity and accountability. We believe in empowering leaders and teams, supported by data driven systems to enhance trust and transparency in this journey of transformation.

Enhance Manufacturing Capability

To meet the increasing demand for quality products, EFL has made significant investments to enhance its capacity at manufacturing plants. Considerable efforts are made towards ensuring streamlining operations and maintaining the fill rate to meet the customer demand. There is considerable focus on expanding presence in non-metro and semi-rural areas to tap the underpenetrated markets.

Majority of the water purifiers, select models of air purifiers and vacuum cleaners are produced at the in-house manufacturing facilities in India. The facilities consist of integrated assembly lines customised to produce low and high-volume production requirements. Improved automation of these assembly lines has reduced manual labour and lead time in the production process. The Company has also consciously made efforts to adopt sustainable practices in its manufacturing processes.

The implementation of quality assurance management systems and procedures has ensured consistency in the standard of products and services across various product categories. The production facilities are integrated with best-in-class systems and are ISO certified, which allows EFL to deliver products of a quality that is at par with or exceeds that of global brands. All products undergo rigorous testing and inspection in adherence with the highest standards.

New Professional Management

A new story often needs a fresh perspective. EFL is charting the course of its next phase with a new leadership guiding the journey forward. With the aim to transform Eureka Forbes into a technologically driven and customer-centric organisation, the Company has welcomed Mr. Pratik Rashmikan Pota as the new Managing Director & Chief Executive Officer (Managing Director & CEO or MD & CEO). As an experienced leader with a strong commercial acumen, Pratik brings a proven track record of success in driving business transformation and growth across Indian as well as multinational organisations. During his career, he has delivered value and success across diverse industries, including FMCG, Telecom and Quick Service Restaurants (QSR). Further, the leadership has been strengthened with the onboarding of Mr. Gaurav Pradip Khandelwal as the Chief Financial Officer (CFO) and Mr. Shubham Srivastava as the Chief Product and Technology Officer. Gaurav brings with two decades of experience of working in emerging and developed markets. Shubham, as Chief Products Officer, will drive digital transformation at Eureka Forbes and accordingly build the technology platforms and products.

In addition, the Board is now Chaired by Mr. Arvind Uppal, under whose guidance the Company will strive to scale newer heights.

Dedicated to Making India Healthy

Since its inception in 1982, Eureka Forbes has been one of India’s leading providers of health and hygiene products. Its broad range of products and solutions include manufacturing, selling and servicing of water filter-cum-purifiers, vacuum cleaners, water treatment plants and trading in electronic air cleaning systems, among others.

With a unique relationship marketing structure comprising trained company representatives across the country, EFL has also created a robust retail channel network with over 20,000 outlets and an emerging e-commerce reach. Forbes Genuine Service, the service division of Eureka Forbes, has one of the most extensive service networks in India, catering to the needs of domestic and institutional customers.

- Air purifiers for indoor applications across price range
- The flagship range comprising of FAP 7000, FAP 8000 and FAP 9000 with UV Ray Disinfectant and TiO2 technology was launched in FY 2020-21

Key Brands

Attractively Positioned

Eureka Forbes has been providing innovative products and services that have supported a healthy and conscious lifestyle. The Company's pioneering initiatives have ensured it remains an industry leader over the past four decades.

Trusted

With an established and experience-backed presence in the consumer durables industry, the brand has become synonymous with the product categories it operates in. With customer-centricity at the helm of all decisions, EFL strives to meet evolving needs by continuously upgrading its portfolio and improving its outcomes.

>8 Million
Installed devices across Indian homes

Wide Distribution Network

The established network extends across relationship marketing, retail and e-commerce channels to maximise reach and increase accessibility.

10,500+
Pin codes serviced

Pervasive Service Coverage

After-sales service is a key parameter for overall client satisfaction index. With a strong team of company-trained technicians, EFL has built the capability to support both installation requirements as well as complaint handlings. They operate from service centres, visiting more than 30,000 kitchens every day.

Technological Prowess

Technology has been a core differentiator for the Company and this competence creates a competitive edge and leads to the introduction of advanced and relevant products to satiate the growing demand. The dedicated research and development team endeavours to upgrade products in terms of both quality and reliability.

Category and Brand Synergy Creator

With an aim to create category and brand strategies, EFL continuously monitors the changes in the external market and compiles consumer information. Additionally, the focus is on incorporating new technology into future products that will reflect the trends in consumer choice and preference. Product concepts are created both internally and with hand-picked partners to enable an agile response to rapidly evolving consumer trends.

Strong Financial Foundation

With a disciplined approach, EFL ensures judicious allocation of financial resources while focusing on maximising cash flow to build a robust financial foundation. With a debt-equity of 0.06x, the Company is comfortably positioned to embark on the next phase of growth.

0.06x
Debt-equity ratio as on March 31, 2022

Stringent Quality Monitoring

The quality assurance management systems and procedures aim to ensure consistency in the standard of products and services across various product categories. The investment in world-class technology with water laboratories, is managed by highly qualified and proficient microbiologists.

EFL enjoys the privilege of being the development partner of choice for global technology companies. The facilities operate in strict accordance with ISO certifications and the products are rigorously inspected, tested and certified for quality. Through continuous upgradation, the Company

strives to meet our customers' requirements and creates an edge over competitors with the delivery of quality products. All equipment and technology are regularly upgraded and periodically renewed.

Chairman's Message

Dear Fellow Shareholders,

I am excited to pen my first letter to the stakeholders of Eureka Forbes as the Chairman of the Board. FY 2021-22 was a defining one: on one hand Advent International acquired a majority stake in our Company, and on the other, we got listed on the stock exchange for the first time. We believe that these developments place us in a favourable position to unlock further growth opportunities for a brighter tomorrow.

In addition to this, the newly formed Board and Leadership Team bring together a balanced mix of seasoned professionals and young talents, who will help us transcend on this new journey.

Eureka Forbes started its journey around its purpose of making a positive difference in the lives of people it touches along the way. We carefully focused on products aimed at making the lives of our customers better every single day. Our strong team of Eurochamps understood and created the need for a healthy and clean lifestyle. Our cleaning products democratised household chores in India. For the last 40 years, we have been pioneers of the water purifier and vacuum cleaner segments in the country, as well as direct selling.

Today, we are standing at the cusp of a new journey of growth for Eureka Forbes while continuing to enrich the lives of our stakeholders.

All of us at the newly formed Management and Board are eagerly looking forward to taking Eureka Forbes ahead with pride, vigour and optimism.

Rising High Despite Challenges

The second wave of the pandemic tested us all severely and decades of behavior change have compressed into a few months. This led to an outpouring of innovation, particularly in the health and hygiene industry, as people, businesses and institutions found new and creative ways of dealing with the challenges. Despite the difficulties, Eureka Forbes persisted, responded swiftly and showed exceptional resilience in the face of an unparalleled disaster. It gives me immense relief that the world is finally coming out of the pandemic and recovering to normalcy.

Building a Strong Foundation

Eureka Forbes has an extensive distribution network spanning the length and breadth of India including the remotest areas. In addition to creating a significant physical presence for Eureka Forbes products across the markets, the Company has also built an impressive online footprint with investments in e-commerce.

Underlying a strong business performance is a strong business operation. Alongside taking several initiatives to grow our business, we at Eureka Forbes, took utmost care in boosting our operational efficiencies. We are constantly reviewing long-term supply chain strategy to ensure high availability of raw materials and products despite adversities. We are also taking continuous efforts to improve the quality and efficiency of our products and services. We are expecting advanced technology to ace several processes which will further boost individual and organisational productivity.

Looking Back at FY 2021-22

FY 2021-22 continued to be a challenging one with newer strains of the virus disrupting recoveries and causing supply shortages, especially in semiconductor chips and causing steep price increases. Despite the challenges, we have been able to report solid performance, thanks to the exemplary performance of our strong team.

Our growth from direct to retail to e-commerce helped us touch a wider base of customers despite the disruption caused by the pandemic during the first and the third quarters of the previous financial year and augmented sales. E-commerce emerged as the fastest growing sales channel for the Company. Further, the service division reported strong performance during the year with an increasing Net Promoter Score.

As we gradually came out of the challenging phase of the pandemic, the heightened consumption of health and hygiene products moderated while a demand for discretionary and out-of-home products increased. The consumer trends that we witnessed a year earlier, continued to evolve further. E-commerce continued to grow with more people shopping online; consumers continued to prefer products that enhanced their health and wellbeing; and there was a significant shift towards buying products that they saw as making a positive impact on people and the planet. We constantly build highly satisfied and delighted customers. Our aspirational and health-conscious customers in a post-pandemic era, demand more of our products. Eureka Forbes has expanded its product offerings to encompass needs and wants at all levels and budgets. Our premium and mass premium products are designed to meet the aspirations of all segments of the market; in this, we are second to none!

Looking Forward

As I look into the future, I have never been more optimistic. In the post-pandemic era, people across the world are having a heightened awareness about leading a healthy lifestyle and it is no different in India. The Indian population is still reeling under the burden of water-borne diseases owing to poor water quality index impacting 37.7 Million Indians.

Close to 1.5 Million children are estimated to die from diarrhoea alone¹. Therefore, the need for accessing safe drinking water is critical for the good health of the population.

Further, Indians are increasingly acknowledging the need for having cleaner homes as the pandemic has led people to spend more time indoors. Adopting convenient cleaning devices helps consumers maintain the desired standard of cleanliness and reduces the time required for doing the cleaning activities.

At Eureka Forbes, we have adopted a multi-pronged strategy to drive our next phase of growth with customer centricity at the core of whatever we do. Further, innovation remains a key differentiator for us.

We are cognizant of these realities and believe that there is significant opportunity in the segments in which we are present. Besides, there is significant under penetration in the categories in which we are present in Tier 2 and 3 cities of India. With the increasing income levels and exposure to a better lifestyle, these geographies represent significant growth opportunities.

Further, we are strengthening our sales channel to expand our geographical base. As we progress in our journey, our focus will be on maintaining the quality of our growth and accordingly we are only focusing on our core business segments and exiting the unprofitable ones.

At Eureka Forbes, we have embarked on our digitalisation journey and it will be the key driver of our future growth. For over 40 years, the spirit of Eureka Forbes can be described as one filled with perseverance and confidence as well as hope and courage. The headwinds we have faced have only strengthened our resolve to reach our goals! Ours is an organisation 'Built on Trust' and 'Built to Last,' and for four decades, we have proved this time and again!

I can't think of a better time to be connected with Eureka Forbes. We have the skills, know-how and capacity to achieve great success both now and in the future.

Being on this Board's chair is an honour. I appreciate your trust in Eureka Forbes and the continuous support and advice of my other Directors.

Best

Arvind Uppal
Chairman

¹ www.ncbi.nlm.nih.gov

Eureka Forbes started its journey around its purpose of making a positive difference in the lives of people it touches along the way.

Arvind Uppal
Chairman

A tête-à-tête with the MD & CEO

We will strengthen our leadership by understanding and anticipating the changing needs of our customers and by delighting them with great quality products and service.

Pratik Rashmikan Potra
Managing Director & CEO

Considering customers remain at the core of Eureka Forbes, what are the various ways you are driving customer centricity at Eureka Forbes?

Eureka Forbes has been the leader in its categories for the past 40 years.

Leadership can only be achieved and maintained by having an everlasting bond with our customers, based on shared values, deep understanding of continuously evolving customers' needs and then effectively and efficiently meeting them.

We believe that employees across departments should function with a customer centric focus, hence we celebrate events like Customer Day where more than 1,800 employees, across all departments and functions go on service calls or sales calls. It is through this immersive experience that each employee can introspect on how to improve customer experience.

In the age of quick commerce, the definition and expectation of speed is changing. We are continuously redefining our service experience and delivery timelines to not only be the best in the category, but to also meet the service benchmarks set by other players across industries, especially the new-age companies.

One such initiative we are proud to roll out, is the Digital Service Kit, a discontinuous shift in the service experience in this category. The users will be able to experience contactless digital logic-controlled service wherein services such as membrane cleaning, tank sterilisation and filter cleaning are automated, thus ensuring better quality. This further reinforces the trust of our users in ensuring their health and hygiene.

Even today when we visit customer's homes, we see more than a decadeold Aquaguard and vacuum cleaners working like they were as good as new, which is a testament to our commitment to deliver best-in-class products with minimum failure rate. Rigorous checks, continuous quality improvement,

supplier engagement are just some of the initiatives that we undertake to meet the high standards we have set over the years.

We are fortunate to have the customers' trust and access to their homes and it is this privilege we don't take lightly.

We are continuously using data to solve real life customer problems. In water, consumers are concerned about choosing the right water purifier for their home which is why, we have mapped the water quality in over 8,500 pincodes and help consumers make the right product decision by just entering their pincodes.

At the heart, understanding consumers mean innovating and introducing products which improve health and home hygiene. Whether it's our water purifiers which give the goodness of copper in water, or our upright mop-n-vac range which does both *jhaadu* and *pocha* in one go, our products are designed keeping relevant consumer needs in mind.

What is the role of digital in driving the same?

With consumers expecting personalised and contextual conversations, we at Eureka Forbes, are embracing and driving this cultural change and it will manifest itself in personalised conversations based on consumer input water data and consumption patterns, seamless digital experience across platforms and data mining for customer specific solution.

We have mapped customer journeys across platforms and will soon have contextual conversations with them basis their stage in the product search or service requirement. We also spend a significant amount of our budget on performance campaigns, AB testing, optimising campaigns basis KPI performance, attribution across various channels, etc. are just some of the processes we follow to ensure best in class efficiency.

Our new and improved website will provide a best-in-class UX enabling immersive consumer product experience.

Ultimately digital is a tool but all tools remain ineffective without a mindset change and at Eureka Forbes, we are driving a digital mindset. Every salesperson on ground is encouraged to engage internally and with customers digitally. We are evolving from door knocks to digital door knocks and that is just the start.

What is your message to the shareholders?

We are fortunate to have an incredible legacy and a powerful set of assets – we have one of the strongest brands in the country in Aquaguard with unshakeable consumer trust, an omni-channel GTM including a strong direct sales channel, and one of India's widest and deepest service networks.

We are now starting on an exciting journey of transformation which will allow us to build on these foundational assets and take the business to greater heights. We will drive growth and innovation in our core water category and expand our portfolio through consumer relevant innovations. Customer expectations have changed, and we will deliver a new and re-imagined service experience that will surprise and delight our customers. Our business will evolve and grow into being digital-first that will allow us to be agile, flexible and efficient. In addition to this, we will drive a culture of frugality, cost-consciousness, ownership and accountability.

With this focus, we are driving EFL towards delivering sustained, profitable growth in the years ahead.

A Landscape of Opportunities

The pandemic has accelerated the adoption of smart and effective appliances with increasing consciousness about health and hygiene. In addition, India's economic buoyancy, growing income levels and favourable demography are driving the consumer durables business.

The Demography Continues to Support Growth

With 1.4 Billion people, India is the second most populated country after China. Furthermore, the average age of 29 years makes it one of the world's youngest populations. This unique demographic advantage presents a plethora of opportunities. The diverse and skilled population, changing social dynamics and technological advances will contribute significantly in driving demand for consumer appliances.

Growing Income Levels

There has been steady growth in the per capita income of the country, with the exception of FY 2020-21 owing to pandemic-induced challenges. The per capita net national income grew from ₹ 86,647 in FY 2014-15 to ₹ 1,50,326 in FY 2021-22¹.

Growth in Electrification

Over the past few years, there has been massive push toward electrification across the country. As a result, more than 96% of Indian households now connected with the grid and receive 20.6 hours of daily power supply. This is expected to further push the consumer durables market in India.³

Rising Internet and Smartphone Penetration

Low rates of mobile internet as well as falling smartphone prices have led to an increasing number of Indians buying smartphones and data. This has led to increased access to information, wherein the net-savvy consumer makes conscious purchases that are well researched.

829 Million²
Smartphone users expected in India by end of 2022

¹ The Economic Survet 2021-22
² <https://tech.hindustantimes.com/tech/news/india-to-get-829-million-smartphone-users-by-2022-says-icea-71594296028237.html>
³ India Residential Energy consumption Survey (IRES) 2020. New Delhi: Council on Energy, Environment and Water

Growing Prevalence of e-commerce

Growing smartphone usage, increasing internet penetration and the pandemic have boosted the adoption of e-commerce in India. E-commerce platforms are working closely with appliance companies to streamline the online purchase of appliances. They are currently focusing on sales of major appliances through free delivery, seamless returns and flexible consumer credits.

\$ 74.8 Billion⁵
Size of India's e-commerce market in 2022, registering 21.5% growth over 2021

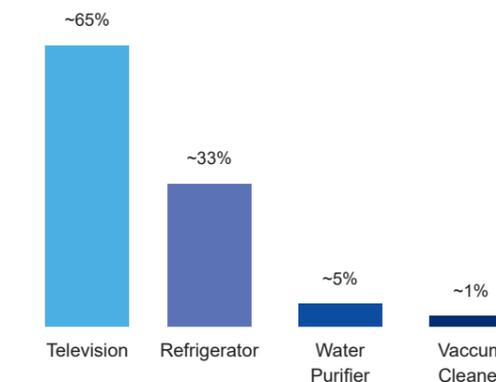

Availability and Access to Piped Water

The Government of India's Jal Jeevan Mission now covers 40 Million households across the country, driving accessibility to water.⁴

Multiple Payment Options

Multiple payment options have made the purchase of consumer appliances easy with faster and convenient payment options. The popularity of the 'Buy Now, Pay Later' (BNPL) model has enabled the consumers to pay for their purchase with an instalment plan. For high-priced consumer electronic products, implementing this model provides flexibility for customers to purchase items that would not have been possible otherwise.

Low penetration provides significant opportunity for water purifier and vacuum cleaner segments

⁴ www.mygov.in
⁵ www.globaldata.com

Growing Focus on Sustainability

Sustainability has emerged as one of the key factors for consumer appliances in not only India but across the world. Companies are focusing more on aspects including optimising use of energy in long-term operations, sustainable packaging and relying more on local suppliers.

Solutions for Pressing Issues

At Eureka Forbes, the teams are working relentlessly to identify issues concerning health and hygiene in India and to explore and provide solutions that are effective in addressing these concerns.

Ensuring a Clean Home

Poor indoor cleanliness is often the reason for various diseases. Majority of Indians spend countless hours in various ways of cleaning houses with traditional means.

Eureka Forbes was the first company in the country to introduce vacuum cleaners and revolutionised the way indoor spaces are cleaned. The Company's solutions include wet and dry cleaners as well as the recently launched robo mops.

Bringing Water Back to Life

It is estimated that close to 38 Million Indians are affected by water-borne diseases every year, causing an annual loss of 73 Million¹ working days. Further, it is estimated that less than 50% of the Indian population has access to safely managed drinking water².

With its range of water purifiers under the flagship brand Aquaguard, EFL offers safe drinking water to millions of Indian homes. The brand is synonymous with healthy and safe drinking water for over 21 water conditions.

Breathing Clean Indoor Air

Household air quality has emerged as significant threat over the years. WHO estimates that household air pollution was responsible for an estimated 3.2 Million² deaths per year in 2020, globally. Household air pollution is generated by the use of inefficient and polluting fuels and technologies in and around the home and contains a range of health-damaging pollutants, including small particles that causes several lung diseases.

Extending the commitment to providing a healthy lifestyle to Indians, EFL introduced a range of air purifiers in India. The products come with filters that eliminate 99.97% of bacteria and viruses and provide clean indoor air to breathe.

Established, nurtured and maintained long-term relationships with dealers and partners who are integral to business success.

Sustainability

Integrated sustainability across business operations through various resource conservation and energy optimisation efforts.

Business Review

Water

Since its launch, Aquaguard has become synonymous with quality drinking water and is trusted by millions of households. The range of products is categorised under electric, non-electric and on-the-go with SKUs catering to more than 21 different water conditions in India and more than 21 technological solutions to combat them. With 38 patents for water purifiers, the products are certified by over 135 national and international laboratories. EFL has invested in multiple water labs manned by quality microbiologists and monitoring the quality of water across 8,500 pin codes of India to develop appropriate technology solutions.

The products are manufactured in Bengaluru and Dehradun with in-house membrane manufacturing capabilities.

Beyond homes, solutions are also being developed for rural communities. AquaSure Rural Community Drinking Water Plants provide healthy and safe drinking water plants customised to remove local chemical/micro-biological contaminants. Besides, the skid mounted RO plants provide water purification solutions to industries and institutions.

Sectoral Growth Drivers

The Indian water purifier market is demonstrating strong growth, driven largely by the increasing cases of water-borne diseases. There has been a growing consciousness driving the demand for water purifiers. Increasing health awareness among people, an exponentially rising population and growing water contamination are other crucial aspects projected to propel the demand for water purifiers and drive the market.

Cleaning

Starting its journey with direct marketing and selling strategy, Eureka Forbes today, has emerged as a leading household name and undisputed leader for its range of vacuum cleaners and cleaning solutions that include more than 75 SKUs across canister and Upright, Mop and Vac, Wet & Dry, Handheld, Cordless & Corded, Steam Cleaners and more. The thorough research and understanding of the Indian conditions has helped the Company build and customise its products to suit Indian homes.

EFL has also developed a range of vacuum cleaners, scrubber, driers, sweepers, polishers, road sweepers for workplaces and institutions.

Sectoral Growth Drivers

The Indian vacuum cleaner market is estimated to grow owing to increased awareness among the Indian population about the various benefits of vacuum cleaners for effectively cleaning the environment to reduce the risks of allergies.

With the emergence of new technologies like automation in home appliances, there has been a plethora of growth opportunities for manufacturers to introduce new products into their portfolio and expand Indian customer base.

The household sector dominates the market owing to the rapidly increasing working population and their hectic work-life. Additionally, the demand for household cleaning equipment is being fueled by the growing percentage of working women and the decreasing availability of domestic help. Further, the growing popularity of convenient cleaning is also driving demand for these equipment.

Business Review

Air

In this segment, EFL has launched air purifiers for homes, workspaces and on-the-go applications.

Sectoral Growth Drivers

New WHO data shows that more than 99%¹ of the global population breathes unhealthy air. People in cities are breathing harmful amounts of fine particulate matter and nitrogen dioxide, with those in low- and middle-income nations experiencing the highest exposures. In India, air pollution is not just restricted to winter, but throughout the year across the country. There has been growing prevalence of respiratory and airborne diseases owing to the deteriorated air quality, which is driving demand. Increasing construction activities are also a contributing cause for the rise in need for air purifiers. With online channels making deeper inroads beyond the major cities, air purifiers as a segment is gaining traction to meet demand in those regions. India's air purifier market is expected to grow at a CAGR of 17.2% during 2022-2028².

Key Developments

The previous year witnessed the launch of a range of Air Purifiers from EFL across price range and across channels. The smart range of Forbes Air Purifiers (optional with humidifiers) are now made in India and offered to the world and have unique differentiated features. There is an increasing focus on educating the market on the importance of air quality and the effectiveness of the Company's products.

Services

Eureka Forbes offers after-sales service to its customers, comprising installation, routine services and breakdown repairs. Its team of trained technicians, backed by franchise service centres, visits thousands of kitchens daily. Through continuous upskilling exercises, EFL ensures that the technicians can address the concerns and queries of customers as well as provide satisfactory solutions.

¹ www.indiatoday.in ² www.6wresearch.com

Fulfilling Aspirations

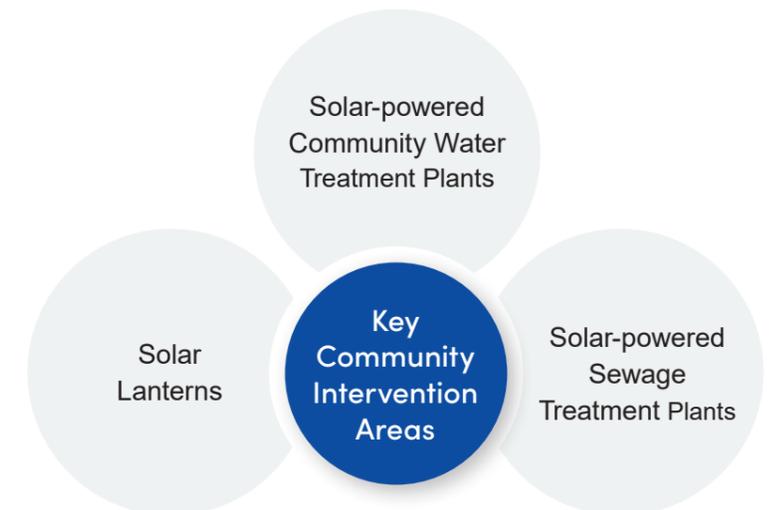

At Eureka Forbes, community betterment is at the core of whatever we do. The Company believes in empowering individuals and groups of people by providing the solution and skills they need to affect change in their own communities.

The community projects are designed to involve local people as key stakeholders of the project and empower the local communities with an aim to create a self-sustainable and scalable community engagement model. EFL has been working along with people, corporates, NGOs and likeminded partners and building a relationship with every individual who thrives to bring a holistic change.

Objective of Community Intervention Projects

EFL strives to promote public awareness, government initiative and individual dedication to environmental protection and the provision of safe drinking water for all people. By visiting people in their homes and changing the way they clean their houses, EFL has endeavoured to protect families and helped purify the air they breathe. In this quest, a variety of approaches have been adopted to guarantee that both the urban and rural Indian communities have access to clean, potable water.

The most recent endeavour involves a rural channel that aims to provide customised community water systems and clean, inexpensive drinking water to those at the base of the pyramid, while also producing rural entrepreneurs and non-agrarian employment.

EuroAble – A Unique Initiative

Through this initiative, which aims to drive workforce inclusion, EFL has created a programme called EuroAble. It is India's only call centre for the differently abled and is a state-of-the-art facility manned and operated entirely by people with special needs. Data-entry processes are carried out by hearing and speech-impaired individuals. It facilitates their integration into the value chain and mainstream society. Currently, more than 108 members form the strong EuroAble team.

Ensuring Highest Level of Ethical Standards

Eureka Forbes is committed to operating sustainably and generating stakeholder value through the highest level of ethical and governance standards. The Company is guided by an experienced Board of Directors and a robust governance structure, which has helped build a value-based culture of integrity.

The diverse and experienced Board of Directors comprises professionals with a diverse set of skills that impact of the business and strategy such as finance, product development, technology, innovation and marketing. The Board has the necessary committees as per the mandated guidelines to oversee the overall functioning of the organisation.

The Board Committees are generally chaired by Independent Directors who works as per the prescribed guidelines. The Board is actively involved in supervising and integrating the relevant policies of the Company including the ESG-driven protocols.

Management Discussion and Analysis

One word that describes the world we live in today is 'volatile'. The last couple of years were demanding with the pandemic causing significant humanitarian and economic disruption and highlighting challenges such as social inequity. Furthermore, the unpredictability in business continuity and geopolitical tensions between nations resulted in the disruption of global supply chains and hyper-volatility in commodity costs. However, despite the uncertain operating environment, Eureka Forbes has prioritised the health and safety of its people and other stakeholders. Further, it continues to meet the evolving demand of its consumers and protect its business model.

The Company also implemented changes during the year to emerge stronger and achieve its mission to enrich the lives of customers.

The Indian Economy

The Indian economy witnessed a rebound after a pandemic-hit FY 2020-21. It registered a growth of 8.7% in FY 2021-22 against the 6.6% degrowth in the previous financial year. However, the outbreak of the Delta variant early in the year presented issues like localised restrictions and disruptions of social and economic activities. To counter this, the Government of India rolled out the largest vaccination drive to curb the spread of the virus. Furthermore, various policy measures were taken by the Government to boost economic activities. The Reserve Bank of India continued its accommodative stance during the year and this helped maintain the growth rate. The latter part of the year saw the emergence of the Omicron variant but it was not damaging as a large part of the population was vaccinated. Inflation, however, on the back of rising crude oil and commodity prices, was indicative of impeded growth prospects. The surge in crude oil prices was also triggered by the Russia-Ukraine conflict, continuing the spell of high inflation.

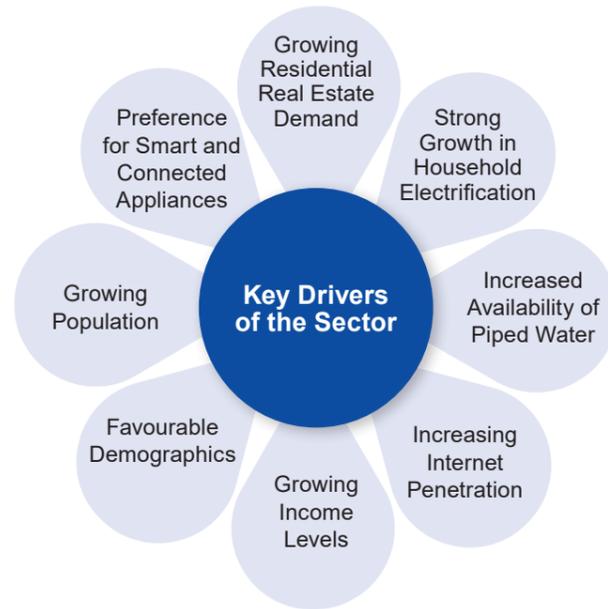

After months of decline, the Index of Industrial Production (IIP) got back on the growth trajectory and registered a 11.3% growth in FY 2021-22 against 8.4% in FY 2020-21.

The total Foreign Direct Investments (FDI) inflow in India between April 2000 and March 2022 stood at \$ 847,400 Million, with \$ 58,773 being the inflow in FY 2021-22. The services sector (including financial, banking, insurance, non-financial / business, outsourcing, R&D, courier, tech, testing and analysis, other) attracted the highest share of FDI in the year, followed by computer software and hardware and telecommunications.

Consumer Durables Industry: Household Appliances and Consumer Electronics

The consumer durables industry is one of the largest and fastest-growing industries in India and comprises two primary categories: home and household appliances and consumer electronics. Growth has been buoyant in the industry as consumption remained stable despite unprecedented challenges. It was largely driven by increasing household income levels, increasing access to multiple retail channels like malls, rising internet and smartphone penetration and strengthening consumer confidence.

India's consumer durables sector (excluding phones and IT equipment) is valued at ₹75,000 Crores. The sector is estimated for a robust growth in the coming year, owing to a strong demand from the premium categories of appliances.

With an aim to encourage domestic manufacturing and to establish India as a global hub for Electronics System Design and Manufacturing (ESDM) under the National Policy of Electronics, the Government of India announced a production-linked incentive (PLI) scheme for the manufacturing of mobile phones and specified electronic components, including Assembly, Testing, Marking and Packaging (ATMP) units.

Union Budget 2022-23 saw the Government allocate ₹ 60,000 Crores for 'Nal se Jal' scheme which will see 3.8 Crores households have access to potable water in 2022-23. This is expected to benefit the country's water purifier sector.

Water Purifier Market in India

The water purifier market in India is one of the largest in the Southeast Asian region. Limited access to potable water and water contamination caused by high levels of fluoride and arsenic, drive the demand for water purifiers in the country. India's water purifier market is expected to register a CAGR of 15% between 2021-2026.

Source: MarkNtel Advisors

Vacuum Cleaner Market in India

The vacuum cleaner market in India demonstrated strong growth over the past few years due to an increase in income levels and the need for better lifestyle. COVID-19 also accelerated the need for a modern way of cleaning. According to 6W Research, India's vacuum cleaner market's size is projected to grow at a CAGR of 9.2% between 2020-2026.

The Future of Shopping

Evolving Consumer Trends: The pandemic exposed consumers to unprecedented health risks, leading them to reassess their habits. There has been a shift to healthier food habits and fitness regimes while prioritising wellbeing. This is driving consumer preferences for:

- Being aware of ingredients used
- Avoiding packaged food alternatives
- Focusing on hygiene

Information-based Shopping: For consumers, especially those in urban India, information gathering is an integral part of the shopping experience. Urban consumers check at least two data points (beyond prices and discounts) before buying something and roughly half of them do online research including scanning reviews, manufacturing methods and considering alternatives.

Digitalisation: India saw digital transformation pick up pace during the pandemic, thanks to consumers adopting new habits such as online shopping and food delivery apps. The last two years also accelerated digitalisation across payments, online commerce, internet banking, among others.

With the rise in education and opportunity, there has been an improvement in social mobility. There is also a realisation that old-fashioned templates can often hamper progress. People are now looking to break these stereotypes of societal prejudice of appearances and origins to move forward. In the year gone by, we were successful in driving premiumisation and category leadership through our shopper insight. We were also able to upskill through learning and improve penetration by white-space mapping.

Outlook

Despite inflationary pressures, the consumer durables market is expected to witness robust demand, owing to the increasing need for premium products. Flexible working is also expected to drive the sale of goods that enhance personal convenience at home. Also, rural demand could outpace that of urban markets given the increase in incomes and Government initiatives surrounding rural electrification.

About the Company

Eureka Forbes Limited is one of the leading health and safety solution providers in the country. In over four decades of its presence, the Company has successfully created categories and brands generic to the segment. The Company has been a pioneer in promoting direct marketing for consumer durables and now has multiple customer engagement channels that ensure the strongest brand recall. Backed by a superior network of service centres, the Company has built a strong relationship with its customers over the years.

Performance Review

Against this challenging backdrop, the results for the FY 2021-22 reflect the sheer strength of our brands, our execution ability and resilience. EFL made tremendous progress with its multi-channel play even in a COVID-19-impacted Q1 and Q3, and e-commerce was the fastest-growing channel.

The needs of the Indian consumer evolve rapidly. The pandemic introduced several trends that are still followed by the Indian consumer today, such as prioritising holistic health and wellbeing, a massive shift in the adoption of digital technology and more importantly, a heightened consciousness for social equity.

India has nearly 800 Million internet users and sees the highest mobile data consumption per user in the world. With consumers shifting to online modes, the market landscape is bound to change. The Company continues to work with its retail and service business partners and EuroSathis to ensure future-readiness and can attend to the changing needs of its customers and help them embrace technology in this digitisation journey.

Eureka Forbes is leveraging data, harnessing the latest technologies and exploring business models to redefine how the Company engages with consumers, potential customers, and handles its operations. The Company has partnered with Microsoft Dynamics 365 to build an ecosystem that will enable it to create a tech-powered yet human-centric solution that fits the complexity of the business and emerging consumer needs. This will enable the core business to become more efficient through data-led processes and create platforms that will help deliver differentiated customer value.

Keeping in mind the well-being of customers and the environment, the Company takes pride in its ability to address the needs of changing water composition and consumption as it builds markets for the future. In the last two years, it has launched several products delivering higher-order benefits. Having witnessed a growing consumer need for health and hygiene during the pandemic, Eureka Forbes innovated with speed and launched several new products including the Aquaguard Edge with Stainless Steel, Aquaguard Edge with Alkaline technology and Aquaguard Astor in the water purifier category. In the cleaning category, the Company is building a portfolio that caters to the evolving consumer preferences including the Drift, Robotics range LVAC VOICE, Lvac, iVac and eVac; while in Air Purifiers, - FAP 7000i and FAP 8000i were introduced.

Risk Management

The risk management system at Eureka Forbes encompasses the entire organisation, including all essential operations, functional areas, and business segments. The Company's Enterprise Risk Management framework lays down the processes of identifying assessing and undertaking mitigating measures for the risks associated with the business functions. The Board, through the Risk Management Committee, regularly reviews the risk management process of the Company. The following are the major risks identified and the mitigation measures:

Key Risks	Mitigation Measures
Economic Slowdown A slowdown in the economic activities could impact consumer demand which could adversely impact the offtake of the Company	The Indian economy, after the disruption by the pandemic, has rebounded and posted strong growth. With favourable consumer confidence, the consumer durables industry is slated for good growth. On the other hand, the Company, being generic in the sector, has strong brand recall.
Innovation Risk Inability to understand consumer preferences and introduce latest technology product may impact our market share	A dedicated research and innovation team constantly analyses consumer trends and technologies and works on bringing products that meet requirements. Continuous feedback from consumers help improve the products that go out into the market.
Quality Risk Inability to maintain the quality standards of the products could adversely impact business	Stringent quality control measures have been instated and ensure that products will meet the customer's quality standard. The Company's strong service network offers the support customers require post purchase.
Marketing Risk Inability to reach customers effectively could impact business growth	A multi-channel network of direct distributors, retail outlets and e-commerce platforms are available to the clients. Besides this, the website also serves as a retail platform and provides important information about the product portfolio.
Competition Risk Increasing competition could contract market share and impact the profitability of the business	Over the last 40 years, Eureka Forbes Limited has enjoyed market leadership in the categories it has forayed into. The Company is valued as category creators and have brands generic to the segment.
Operational Risk Inability to maintain seamless operations could adversely impact business performance	The Company's multi-location manufacturing units ensures seamless operations and proximity to customers. Strict conformance to SOPs ensure effective operations.
Inventory Risk Inability to maintain inventory levels could drag working capital and impact profitability	Optimum inventory at the outlets of retail partners and warehouses to control costs and working capital requirements. To maintain an optimal inventory, inventory levels are monitored based on the projections of demand as well as on a real-time basis.
Talent Risk Inability to attract and retain talents could adversely impact business	Thanks to the Company's empowering work culture, it has been able to attract and retain the best talents that helps achieve its strategic goals.

Human Resource

Human capital is a key resource of the organisation and nurturing a skilled team of people is necessary in achieving the Company's strategic objectives. The Company has fostered a work environment that encourages continuous learning for the workforce. Moreover, the Company has employed 4,150 employees. The culture at the Company is one of diversity and inclusivity, free of any kind of discrimination, with specially-abled people hired to manage the support centre, EuroAble.

The Company's internal controls are commensurate with its size and the nature of its operations. They have been designed to provide reasonable assurance with regard to all the above stated IFC elements.

Internal Control

The Company's current systems of Internal Financial Controls (IFC) are aligned with the requirement of Section 134(5)(e) of the Companies Act, 2013 (Act). As stipulated under the said provisions, the IFC framework established by the Company encompasses the following elements:

- Orderly and efficient conduct of business
- Safeguarding its assets
- Adherence to the Company's policies
- Prevention and detection of frauds and errors
- Accuracy and completeness of the accounting records and timely preparation of reliable financial information

Cautionary Statement

Certain statements in the report regarding business of the Company are forward-looking statements. These include all statements, other than those of performance highlights and historical facts, including those regarding the market and financial position, business strategy, and objectives for future operations. Forward-looking statements are necessarily dependent on projection and trends and constitute Management's current expectations based on reasonable assumptions. Actual results could differ from those projected in any forward-looking statements due to risks and uncertainties, and other external factors.

Board's Report

Dear Member,

The Directors are pleased to present to you the report of the business and operations of the Company along with the Audited Financial Statements of the Company for the Financial Year ended March 31, 2022.

1. Financial Highlights

	Figures in ₹ Lakhs			
	Standalone		Consolidated	
	FY 21-22	FY 20-21	FY 21-22	FY 20-21

Total Comprehensive Income/(loss)	272.47	(161.40)	252.96	(161.40)
Earnings Per Share - Basic and Diluted (₹) (continuing operations)	0.77	(3.38)	0.72	(3.38)

The Consolidated and Standalone Financial Statements of the Company for the year ended March 31, 2022 have been prepared in accordance with Indian Accounting Standards (IND-AS), the relevant provisions of sections 129 and 133 of Companies Act, Regulation 33 of Listing Regulations, which have been reviewed by the Statutory Auditors.

2. Reclassification of the Promoters

The Company has filed application with BSE Ltd. for re-classification on July 10, 2022 under Regulation 31A(10) of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, pursuant to the open offer made by Lunolux Limited (“Acquirer”) under SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 (“SEBI SAST Regulations”).

The Acquirer on April 25, 2022 acquired from Shapoorji Pallonji and Company Private Limited (“SPCPL”), 63.86% of the total issued and paid-up share capital of the Company represented by 123,555,843 equity shares of ₹ 10 each in accordance with Regulation 22 of the SEBI SAST Regulations, along with control over the Company, and became a ‘promoter’ of the Company in accordance with the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Further, the Acquirer issued letter of offer for the Open Offer on

June 2, 2022 and acquired the remaining shareholding of SPCPL represented by 16,833,552 equity shares of ₹ 10 each of the Company constituting 8.70% of the equity share capital of the Company. Thus, the total shares held by the Acquirer are 14,03,89,639 equity shares of ₹ 10 each constituting 72.56% of the equity share capital of the Company. Post the above transactions, SPCPL does not hold any equity shares in the Company and accordingly cease to be the Promoter of the Company.

3. Management Discussion & Analysis Report

Management Discussion and Analysis Report as stipulated under the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI LODR) is presented in a separate section forming part of this Annual Report. It provides details about the overall industry structure and development, opportunities and threats, performance of various products, outlook, risks and concerns.

4. Transfer to Reserves and Dividend

The Directors of your Company do not recommend any dividend for the year ended March 31, 2022. Further, No amount has been transferred to the general reserves during the year.

According to Regulation 43A of the Listing Regulations, the top 1000 listed entities based on market capitalisation, calculated as on March 31, of every financial year are required to formulate a dividend distribution policy which shall be disclosed on the website of the listed entity and a web-link shall also be provided in their annual reports. Accordingly, the Dividend Distribution Policy of the Company is available at www.eurekaforbes.com.

5. Unclaimed Dividend to Investor Education and Protection Fund (IEPF)

In-line with the provisions of the Act read with the IEPF Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, all unpaid or unclaimed dividends are required to be transferred to the IEPF Authority, after completion of seven years.

Further, according to the said Rules, the shares on which dividend has not been paid or claimed by the shareholders for seven consecutive years or more shall also be transferred to the IEPF Authority. However, there has been no declaration of dividend so far, therefore the transfer of unpaid dividend and the shares on which dividend has not been paid or claimed, to Investor Education and Protection Fund (IEPF) is not applicable to the Company.

6. Material Changes and Commitment if any affecting the Financial Position of the Company occurred during the financial year and between the end of the Financial Year to which this Financial Statements relate and the Date of the Report

The details of the Board and its Committees along with their composition, meetings held during the year are given under Corporate Governance Report forming part of this Annual Report.

13. Risk Management Policy and Internal Financial Control

a. Pursuant to section 134 of the Act, the Company has put in place comprehensive Risk Management Policy which inter alia, includes identification of elements of those risks which in the opinion of the Board may threaten the existence of the Company. Further, the Company has adequate risk management mechanism and same is periodically reviewed by the Audit Committee and Board. The major risks identified by the business are systematically addressed through mitigating actions on a continuing basis and cost-effectively risks are controlled to ensure that any residual risks are at an acceptable level.

b. The Company has a defined system of internal controls for financial reporting of transactions and compliance with relevant laws and regulations commensurate with its size and nature of business. The Company also has a well-defined process for ongoing management reporting and periodic review of businesses.

There is an active internal audit function carried out partly by the internal resources and the balance activity outsourced to Chartered Accountants firms. As part of the efforts to evaluate the effectiveness of the internal control systems, the internal audit department reviews the control measures on a periodic basis and recommends improvements, wherever appropriate.

The internal auditor reports directly to the Audit Committee of the Board. The Audit Committee regularly reviews the audit findings as well as the adequacy and effectiveness of the internal control measures. Based on their recommendations, the Company has implemented a number of control measures both in operational and accounting related areas, apart from security related measures.

14. Corporate Social Responsibility (“CSR”)

The CSR Policy outlines the Company’s contribution to Mother Earth by helping the Planet become Safer, Healthier and Pollution free. Further the policy elaborates about the contribution towards the Society by making the world a happier place to live in and leave the right legacy for children.

The focus area of the Policy includes;

1. Hunger, poverty, malnutrition and health,
2. Education
3. Rural development projects
4. Gender equality and empowerment of women
5. Environmental sustainability
6. National heritage, art and culture
7. Research and development projects
8. Disaster management
9. Benefit of armed forces veterans

Annual Report on Corporate Social Responsibility (CSR) Activities for the Financial Year 2021-22

[Pursuant to Section 135 of the Companies Act, 2013 read with Companies (Corporate Social Responsibility Policy) Rules, 2014, as amended.]

1. Brief outline on CSR Policy of the Company.

The CSR Committee in its meeting held on March 29, 2022, approved projects/activities in following areas;

- Eradicating hunger, poverty and malnutrition, promoting preventive healthcare and sanitation and making available safe drinking water;
- Promoting education, including special education and employment enhancing vocation skills especially among children, women, elderly and the differently abled and livelihood enhancement projects;
- Promoting gender equality, empowering women, setting up homes and hostels for women and orphans; setting up old age homes, day care centres and such other facilities for other senior citizens and measures for reducing inequalities faced by socially and economically backward groups;
- Ensuring environmental sustainability, ecological balance, protection of flora and fauna, animal welfare, agroforestry, conservation of natural resources and maintaining quality of soil, air and water.

2. Composition of CSR Committee as on March 31, 2022:

Sl. No.	Name of Director	Designation	Nature of Directorship	Number of meetings of CSR Committee attended during the year
1	Dr. (Mrs.) Indu Shahani	Chairperson	Independent Director	1
2	Mr. Marzin R. Shroff	Member	Managing Director & CEO	1
3	Mr. Homi Katgara	Member	Independent Director	1
4	Mr. D Sivanandhan	Member	Independent Director	1

Number of meetings held during the year: 1 (one) on March 29, 2022

3. Composition of CSR Committee, CSR Policy and CSR projects approved by the Board are disclosed on the website of the company : www.eurekaforbes.com

4. Impact assessment of CSR projects carried out in pursuance of sub-rule (3) of rule 8 of the Companies (Corporate Social Responsibility Policy) Rules, 2014 is Not applicable.

5. Details of the amount available for set off in pursuance of sub-rule (3) of rule 7 of the Companies (Corporate Social Responsibility Policy) Rules, 2014 and amount required for set off for the financial year, if any: ₹ 1,727/-

6. Average net profit of the company as per section 135(5): ₹ 56,96,22,128/-

7. (a) Two percent of average net profit of the company as per section 135(5): ₹ 1,13,92,443/-

(b) Surplus arising out of the CSR projects or programmes or activities of the previous financial years: NIL

(c) Amount required to be set off for the financial year, if any: ₹ 1,727/-

(d) Total CSR obligation for the financial year 7(a)+7(b)-7(c): ₹ 1,13,90,716/- (Refer Note - 1 below)

8. (a) CSR amount spent or unspent for the financial year:

Total Amount Spent for the Financial Year. (₹ in Lakh.)	Amount Unspent (in ₹)			
	Total Amount transferred to Unspent CSR Account as per Section 135(6).	Amount	Date of transfer	Amount transferred to any fund specified under Schedule VII as per second proviso to section 135(5).
114	NIL			NIL

(b) Details of CSR amount spent against ongoing projects for the financial year: NIL

(c) Details of CSR amount spent against other than ongoing projects for the financial year:

(1) Sl. No.	(2) Name of the Project	(3) Item from the list of activities in schedule VII to the Act	(4) Local area (Yes/ No).		(5) Location of the project. State District	(6) Amount spent for the project (₹ Lakh)	(7) Mode of implementation - Direct (Yes/No)	(8) Mode of implementation - Through implementing agency.	
			Yes	No				Name	CSR Registration number
1	Jal Daan	Making available safe drinking water			Pan-India	104	No	Tandarust Bharat Foundation	CSR00006624
2	Medical Project	Provision of medical instrument			Sub-District Hospital, Raigad, Maharashtra	10	No		

(d) Amount spent in Administrative Overheads: NIL

(e) Amount spent on Impact Assessment, if applicable: Not Applicable

(f) Total amount spent for the Financial Year 8(b)+8(c)+8(d)+8(e): ₹ 1,14,00,000/-

(g) Excess amount for set off, if any

Sl. No.	Particular	Amount (in ₹)
(i)	Two percent of average net profit of the company as per section 135(5)	1,13,92,443
(ii)	Total amount spent for the Financial Year	1,14,00,000
(iii)	Excess amount spent for the financial year [(ii)-(i)]	7,557
(iv)	Surplus arising out of the CSR projects or programmes or activities of the previous financial years, if any	1,727
(v)	Amount available for set off in succeeding financial years [(iii)+(iv)]	9,284

9. (a) Details of Unspent CSR amount for the preceding three financial years: NIL

(b) Details of CSR amount spent in the financial year for ongoing projects of the preceding financial year(s): NIL

10. In case of creation or acquisition of capital asset, the details relating to the asset so created or acquired through CSR spent in the financial year (asset-wise details): NIL

11. Specify the reason(s), if the company has failed to spend two per cent of the average net profit as per section 135(5): Not Applicable

Secretarial Audit Report
Form MR-3

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Eureka Forbes Limited
CIN: L27310MH2008PLC188478
B1/B2, 7th Floor, 701, Marathon Innova,
Ganpatrao Kadam Marg, Lower Parel,
Mumbai – 400 013, MH, IN.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Eureka Forbes Limited (“the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended on March 31, 2022, (the “Audit Period”) complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on March 31, 2022 according to the provisions of:

- The Companies Act, 2013 (“the Act”) and the rules made there under;
- The Securities Contracts (Regulation) Act, 1956 (“SCRA”) and the Rules made thereunder;
- The Depositories Act, 2018 and the Regulations and Bye-laws framed there under;
- Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings - **Not applicable to the Company during the Audit period;**
- The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (“SEBI Act”);

- The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

- The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 - **Not applicable to the Company during the Audit period;**
- The Securities and Exchange Board of India (Issue and Listing Of Non-Convertible Securities) Regulations, 2021 - **Not applicable to the Company during the Audit period;**
- The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 - **Not Applicable to the Company during the Audit Period,** and
- The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 - **Not Applicable to the Company during the Audit Period;**

- We have relied on the representations made by the Company and its officers for systems and mechanism formed by the Company for compliances under other various applicable Acts, Laws, Rules and Regulations to the Company.

We have also examined compliance with the applicable clauses of the following:

- the Secretarial Standards issued by The Institute of Company Secretaries of India (“ICSI”);
- SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

To the best of our knowledge and belief, during the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that:

- During the year under review, the Board of Directors of the Company was duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

The committees of the Board are duly constituted. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

- b) Adequate notice is given to all directors to schedule the Board Meetings and Committee Meetings, agenda and notes on agenda were sent at least seven days in advance or with due consents for shorter notice from the directors and adequate system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- c) All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

- Pursuant to the scheme, the Company has issued and allotted 19,34,79,240 (Nineteen Crore Thirty-Four Lakh Seventy-Nine Thousand Two Hundred and Forty) Equity Shares of face value ₹ 10/- each to the shareholders of Forbes & Company Limited and the name of the Company was changed from Forbes Enviro Solutions Limited to Eureka Forbes Limited and consequently altered the respective clauses of MOA and adopted new set of AOA of the Company;
- Pursuant to the order of Hon'ble NCLT, the Company has made an application to Bombay Stock Exchange Limited ("BSE") as Designated Stock Exchange for listing securities of the Company. Subsequently, the Company received in-principle listing approval from BSE Limited vide letter DCS/AMAL/TL/IP/2244/2021-22 dated March 2, 2022 and received relaxation from SEBI vide letter SEBI/HO/CFD/DIL2/AN/OW/2022/8961 dated March 2, 2022. Further, the Company received trading approval from BSE Limited vide its letter DCS/AMAL/TP/PB/2264/2021-22 dated March 14, 2022 and the trading in shares of the Company commenced w.e.f. March 16, 2022 on BSE Limited.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, the following event/action has taken place having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above;

- The Company has increased its Authorised Share Capital from ₹ 5,00,00,000/- (Rupees Five Crore only) divided into ₹ 50,00,000/- (Fifty Lakh only) equity shares of ₹ 10/- (Rupees Ten only) each to ₹ 200,00,00,000/- (Rupees Two Hundred Crore only) divided into ₹ 20,00,00,000/- (Twenty Crore only) equity shares of ₹ 10/- (Rupees Ten only) in accordance with the Composite Scheme of Arrangement entered into by the Company and consequently altered capital clause of Memorandum of Association ("MOA") and Article 3 of the Articles of Association (AOA) vide special resolution passed by members at Extra Ordinary General Meeting held on Monday, January 17, 2022;
- Hon'ble National Company Law Tribunal, Mumbai ("NCLT") Bench-IV vide its Order dated January 25, 2022 in CP (CAA)/209/MB-IV/2021 in CA(CAA)/55/MB-IV/2021 has approved the Composite Scheme of Arrangement between Aquaignis Technologies Private Limited, Euro Forbes Financial Services Limited, Eureka Forbes Limited, Forbes & Company Limited and Forbes Enviro Solutions Limited and their respective Shareholders ('the Scheme') fixing Tuesday, February 1, 2022 as the Appointed Date for the purpose of the Scheme;

We further report that during the audit period, the Company has co-operated with us and have produced before us all the required forms information, clarifications, returns and other documents as required for the purpose of our audit.

Information under Section 134(3)(m) of the Companies Act, 2013 and Rule 8(3) of the Company (Accounts) Rules, 2014 made thereunder forming part of the Directors' Report for the year ended 31st March, 2021.

(A) Conservation of Energy-

(i) Steps taken or impact on conservation of energy and Capital investment on energy equipments:

Green Features of Dehradun Plant:

As part of the e-journey of Eureka Forbes Limited, the Dehradun plant is the landmark which incorporates a list of eco-friendly features viz:

LEED Gold Certified: The Dehradun Plant is first LEED Gold Certified manufacturing facility for water purification systems in India.

Pre-fabricated Steel Structure: The pre-fabricated steel structure is a unique feature of this building. The building was developed with a minimum site disturbance and the materials were effectively used by adopting the design specification based on the internal load requirements thereby optimising the use of natural resources.

Fly Ash Based Bricks & Hollow blocks: The construction was made with fly ash based bricks, cement and concrete blocks. This reduces the burden of earths and increases the life of spend materials. In addition, the fly ash materials act as a better thermal insulation and increase the physical comfort of the people and environment friendly.

Natural Light Harvesting: The building is designed with 90% daylight view and adequate day light harvesting in the factory area. This saves energy for light requirements.

Thermal Comfort at Factory Premises: The building is insulated with fly ash based bricks, cement and hollow blocks thus resisting the external temperature influences. In addition, the roof is insulated with special media and to maintain the air circulation Turbo ventilators are installed in strategic locations.

Turbo Ventilators: Unlike the traditional ventilation methods, Turbo vents works up the hot air from inside the building by natural convection. This roof-top wind driven ventilator is cost-effective and run without electricity.

Exemplary Performance on Water Efficiency: The building is fitted with water efficient gadgets that can save upto 70% on usage. The tap fittings are designed with preset flow and timer. Once you press, the water flows for 6 seconds and stops automatically. The Water taps are automated and use contactless sensor based technology which helps in further conservation of water and contactless hand-wash considering COVID-19 pandemic.

Rain Water Harvesting: The roof top water is harvested for collection in a tank for 'Use When Available' and excess is used for bore well recharge. The roof top water from south-western side (distant from bore well) is recharged

into the ground through recharge pits. In this way most of the roof water would be trapped either in the tank or underground.

Introduction of Green Packaging: Environmental Protection and care for environment has always been our motto and guiding principle. The product packaging has been made of recyclable environment friendly material. We have already eliminated thermocol buffer and promoting use of recyclable pulp buffers and converted around 60% of our product packaging to environment friendly, recyclable Paper pulp type of packaging. Pulp packaging offers a wide range of benefits compared to traditional plastic and EPS (expandable polystyrene/Styrofoam) packaging. Environmental benefits are - 100% post-industrial raw material, chemical free, open air drying, no waste water - all water evaporates or is reused in the pulping process, zero manufacturing waste, packaging is 100% recyclable, unaffected by extreme temperatures, water resistant, electrically neutral, low storage and shipping cost etc.

(ii) Steps taken for utilising alternate sources of energy:

EFL's Dehradun manufacturing facility is India's first Green plant in the sector and World's largest Ultra Violet (UV), Reverse Osmosis (RO) and RO+UV based, water purification manufacturing unit. EFL is the only water purification manufacturer in India to go Green, incorporating several features that are environment friendly. At present all manufacturing plants are GC Mark (Green Company) and certified by DQS.

(iii) Steps taken towards conservation of Environment:

EFL has been constantly innovating ways to reduce usage of plastics and other material that could pollute environment and follow the EHS norms, following activities have been taken under this initiative:

1. The User manuals have been converted to Digital mode, using QR code technology to reduce paper usage further.
2. Conversion of colour carton to Brown carton in Direct division products – thereby saving printing INK which is not environment friendly and elimination of lamination plastic layer sheet .
3. The size of certain stickers and labels has been further reduced through optimisation, which resulted in lesser usage of Paper / PVC sheet
4. With a new innovative technology of using "Q fit connectors" we could eliminate bigger plastic connectors at pipe junction points, thereby reducing plastic consumption

5. We are promoting use of recyclable Plastic cartons which can be used multiple times by our vendors for shipping raw material. This would mean less usage of corrugated cartons.
6. We are getting registered under Government's EPR (Extended producer responsibility) scheme, to ensure proper waste management of plastic packaging material.
7. Further we have been disposing E-waste, and Used Oil as per the protocols only through Government approved handlers.
8. We have installed STP and ETP plants at Dehradun and STP plant at Bengaluru plant to treat the waste water and zero wastage of water
9. We have installed Peizo meter at Dehradun plant to measure and monitor ground water level
10. We have installed IOT based Borewell water flow meter to measure daily water extraction and based on many other initiatives for water conservation, we have observed reduction in water consumption to the tune 40% at Dehradun plant.
11. Company has made plans to replace older Air conditioners with new Air conditioners which are environment friendly.

(B) Technology absorption-

(i) Efforts made towards technology absorption:

Research and Development (R & D)

At Eureka Forbes, we don't just make products, but focus on the entire life cycle of how these products are perceived and used by our consumers.

We believe in providing innovative solutions for real life consumer issues by leveraging internal research and development, coupled with external ideas, competences, and resources.

We believe in creating value for society, the consumer, and our company through a spirit of Open Innovation. To catalyse this, we collaborate with technology partners across the value chain, universities, innovators and leading research institutes. Through these partnerships, and our spirit of Open Innovation, Eureka Forbes continuously strives to deliver new/ improved technologies and creates business and market opportunities.

The R&D team of the Company has developed new technologies and introduced new innovative features in its products. The Company introduced following innovations and technologies, designed to address the specific needs in the market and are first of their kind in the market:

Active Copper with Zinc Booster Cartridge: Following the success of Active copper technology introduced

couple of years back, it was upgraded with fortification of Zinc boosting technology. This novel innovation brought health benefits to the consumers. Micro nutrient deficiency among Indian population is evident & well documented. This innovation helps to compensate of these deficiency in certain some extent. Post COVID there is a very good awareness among public on Zinc requirements and its role in maintaining / improving the immunity.

Alkaline Water – RO: Low-cost retrofitable alkaline cartridge with pH increase under BIS limits in standard conditions was developed. This helped in implementing the technology across all the categories of water purifier models.

Combination Cartridge – UV: A combination cartridge with the focus on space reduction in the models was introduced. This is a combination of sediment and carbon block developed in the existing i-filter housing thereby readily retro-fittable in existing SKUs.

Carbon Block: Reduction of carbon block size by about 40% was achieved through improved carbon technology. Surface altered catalytic carbon was used to achieve the same.

High-Recovery RO Membrane: Awareness on water-wastage in RO systems had become higher and it is slowly becoming a important criteria for the consumers to buy an RO model. The company has introduced some variants in market with high recovery claim to study the traction of the technology. Based on the acceptance, it is planned to widen the range with other models too.

Ayur: The consumers are in constant search for additional features / benefits from water purifier apart for safe drinking water. From COVID times awareness among public on increasing / maintaining the immunity through natural sources is on a high. The company had worked on Ayurvedic water with natural spices without any artificial additives.

ROBO Vac: Introduced Robotic Vacuum cleaners which is a growing trend in the country. Different variants with add-on features have been introduced to meet the consumer needs.

During the year under review the following patents were granted and filed.

Water Softner: Eureka Forbes introduced higher capacity water softner to cater the need of the large families in India.

International Market: The models for international markets were standardised to bring in a commonality for the exports that will ease the production. New markets and partners were explored in Nepal, Cambodia, Kenya and Latin America. The Electronic Authentication technology was introduced in exports models.

(ii) Benefits derived like product improvement, cost reduction, product development:

During the financial year, introduction of Active Copper with Zinc Booster Technology throughout the Dr. Aquaguard and Aquaguard series helped the company to make an impact in the market with a differentiation. Implementation of cost optimised technologies like carbon block, Combination cartridge and resulted in cost savings to the company in big way considering the volumes of the same. Technologies helped in not only assuring safe and genuine spares to the consumers but also generating long-term recurring revenue to the company.

(iii) Imported technology;

The Company imported Alkaline Ionizer technology from a Korean partner. Alkaline Ionizer is slowly getting increased traction among consumers.

The Company believes that delivering the 'right product to the right consumer at the right price' is the ultimate objective to achieve.

The Company monitors the process and technology upgradation taking place in advance countries and to offer similar products through in-house R&D as well as through progressive manufacturing activities.

(iv) Expenditure on Research and Development:

a. Capital	₹ 6.47 lakh
b. Recurring	₹ 300.98 lakh
c. Total	₹ 307.45 lakh

(C) Foreign Exchange Earnings and Outgo:

(i) Activities relating to exports; initiatives taken to increase exports; development of new export markets for products and services; and export plans;

The Company has initiated the process of developing new international markets to increase its export business.

(ii) Total Foreign Exchange used and earned

Earnings in foreign exchange during the year under review were ₹ 208.63 lakh and the outgo was ₹ 2,702.38 lakh.

4. Governance related to BR

a. Indicate the frequency with which the Board of Directors, Committee of the Board or CEO to assess the BR performance of the Company. (Within 3 months, 3-6 months, Annually, More than 1 year)

The Board of Directors and its Committees reviews the BR on quarterly basis.

b. Does the Company publish a BR or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?

The Company is listed w.e.f. March 16, 2022 and hence the current Annual Report only includes the articulation of the 9 NVG 2011 principles. The same shall be available on our website <http://www.eurekaforbes.com>

The Company has laid down a Vigil Mechanism/Whistle Blower and encourages to report concerns on any unethical behaviour, actual or suspected fraud or any violation of the Company's Code of Conduct. The Whistle Blower Policy facilitates employees and vendors to report without fear, any wrongdoings, unethical or improper practice.

The Company is committed to promote ethics, transparency and accountability which encompasses all its internal as well as external stakeholders.

b. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide the details thereof, in about 50 words or so.

During the year of review, the Company did not receive any complaints.

Principle 2: Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle

a. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities

The Company's water purifiers, vacuum cleaners and air purifiers are:

- Introduced Green RO Products
- Gradually started using Pulp and Paper honey comb packaging in the products instead of Thermocole buffer
- The User manuals have been converted to Digital mode, using QR code technology to reduce paper usage further.
- Converted colour carton to Brown carton thereby saving printing INK which is not environment friendly and elimination of lamination plastic layer sheet.
- The size of certain stickers and labels has been further reduced through optimisation, which resulted in lesser usage of Paper / PVC sheet.

Section E: Principle wise performance

Principle 1: Businesses should conduct and govern themselves with Ethics, Transparency and Accountability

a. Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ No. Does it extend to the Group/Joint Ventures/ Suppliers/ Contractors/NGOs /Others?

The Company is committed to adhere to the highest standards of ethical, moral, and legal code of conduct for business operations.

The Company has formalised the Code of Conduct for Directors and all employees of the Company. It reflects the business practice and principles of behaviour that support this commitment. The Board of Directors and Senior Management Personnel being responsible for setting the standards of conduct contained in the Code and for updating these standards as appropriate to reflect legal and regulatory developments. The Code is intended to provide guidance and help in recognising and dealing with ethical issues and to help foster a culture of honesty and accountability.

- With a new innovative technology of using “Q fit connectors” we could eliminate bigger plastic connectors at pipe junction points, thereby reducing plastic consumption
- Promoting use of recyclable Plastic cartons which can be used multiple times by vendors for shipping raw material. This would mean less usage of corrugated cartons.

b. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):

Details of the measure in relation to energy conservation, technology absorption are mentioned in the Annual Report under conservation of energy section.

c. Does the Company have procedures in place for sustainable sourcing (including transportation)? If yes, what percentage of your inputs was sourced sustainably? Also, provide the details thereof, in about 50 words or so.

Yes

d. Has the Company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

Eureka Forbes has further adopted various practices to ensure that both the urban and the rural Indian communities get access to clean potable water. A fairly recent approach has been a rural channel that strives to bring safe, affordable drinking water to people at the bottom of the pyramid. Our solution-based community water systems generate non-agrarian employment and create rural entrepreneurs.

Our community projects are designed to empower each community and involve local people as stakeholders in the project, facilitating a sustainable and scalable community engagement model. This is what Eureka Forbes Believes in.

The Company encourages the procurement of goods and services from local and small producers surrounding its plant locations. The contractors, engaged in the plants, mostly employ workmen from the nearby villages. In addition to this, the Company widely promotes vocational skills, development, and training programmes to improve the livelihood of the neighboring community.

e. Does the Company have a mechanism to recycle products and waste? If yes, what is the percentage of recycling of products and waste (separately as 10%). Also, provide the details thereof, in about 50 words or so

The installation of Effluent Treatment Plant (20 KLD) and Sewage treatment plant (30 KLD) at Dehradun factory started last year and commissioned this year, Meanwhile STP of 40 KLD installed and commissioned in Bangalore factory last year to remove contaminants from waste water or sewage and same is collected in a storage tank and reused in gardening and recharge the ground water level. The entire waste water is being treated through these plants.

Principle 3: Businesses should promote the well-being of all employees

The Company believes that our Eurochamps are the backbone of our organisation. It is due to their consistent commitment to execute, perform, excel and succeed that our Company is one of the successful omnichannels in the world.

The Company continuously strives to positively influence the employees to remain engaged and committed as follows:

1. Better every day in every way
2. Dare to care
3. Relationships of trust
4. Ready for tomorrow
5. Growing together

a. Please indicate the Total number of employees

The Company has 4150 employees.

b. Please indicate the Total number of employees hired on temporary/contractual/casual basis

The total number of employees hired on temporary/contractual/casual basis during the year was 6726.

c. Please indicate the Number of permanent women employees

The Company has 179 permanent women employees.

d. Please indicate the Number of permanent employees with disabilities

The Company does not have permanent employees with disabilities.

e. Do you have an employee association that is recognised by management

There are no employee association recognised by the Management of the Company.

f. What percentage of your permanent employees is members of this recognised employee association-

The Company does not have any permanent employees as a member of a recognised employee association.

g. Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.

Sr. No.	Category	No. of complaints filed during the financial year	No. complaints pending as on end of the financial year
1.	Child labour/forced labour/involuntary labour	NIL	NIL
2.	Sexual harassment	NIL	NIL
3.	Discriminatory employment	NIL	NIL

h. What percentage of your under mentioned employees were given safety & skill up-gradation training in the last year?

- a) Permanent Employees - 33%
- b) Permanent Women Employees - 5%
- c) Casual/Temporary/Contractual Employees - 27%
- d) Employees with Disabilities - NIL

Principle 4: Businesses should respect the interests of and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalised

a. Has the company mapped its internal and external stakeholders?

Yes, the Company ensures a thorough stakeholders mapping exercise which includes the following key stakeholders:

- a. Employees
- b. Government
- c. Members
- d. Investors
- e. Suppliers
- f. Vendors
- g. Local Community

The afore-mentioned key stakeholders were mapped in the past in consultation with a third party.

b. Out of the above, has the company identified the disadvantaged, vulnerable & marginalised stakeholders.

Yes, the Company has duly identified the disadvantaged, vulnerable & marginalised stakeholders including but not limited to rural communities, and persons from economically challenged backgrounds in and near the Company's operations.

Our community projects are designed to empower each community and involve local people as stakeholders in the project, facilitating a sustainable and scalable community engagement model. Our vision is to work with people, corporates, NGOs, and like-minded partners while building a relationship with every individual to bring about a holistic makeover to the needs of the hour.

c. Are there any special initiatives taken by the company to engage with the disadvantaged, vulnerable and marginalised stakeholders? If so, provide details thereof, in about 50 words or so

Differently abled, marginalised, rural populations, and those from economically disadvantaged backgrounds are all given equal opportunity by the Company. Equal opportunities for advancement are provided to all employees.

Eureka Forbes has further adopted various practices to ensure that both the urban and the rural Indian communities get access to clean potable water. A fairly recent approach has been a rural channel that strives to bring safe, affordable drinking water to people at the bottom of the pyramid. Our solution-based community water systems generate non-agrarian employment and create rural entrepreneurs.

EuroAble - India's 1st call centre manned and operated by people with special needs Euroable was started with the sole purpose of providing gainful employment to differently- abled youth of our country. It follows the mantra: "Disability is a matter of perception. If you can do just one thing well, you're needed by someone."

Principle 5: Businesses should respect and promote human rights

a. Does the policy of the company on human rights cover only the company or extend to the Group/ Joint Ventures/Suppliers/Contractors/NGOs/Others?

The Code of Conduct applies to all Company employees.

The Company is committed to an organisational culture that recognises the importance of Human Rights and has adopted some of the best practices. It seeks to promote fulfillment of Human Rights by improving economic, environmental and social conditions and by serving as a positive influence in communities in which it operates. The policies framed here under include all its internal stakeholders.

b. How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

The Company did not receive any complaints.

Principle 6: Businesses should respect, protect and make efforts to restore the environment

a. Does the policy related to Principle 6 cover only the company or extends to the Group/Joint Ventures/ Suppliers/Contractors/NGOs/others.

Eureka Forbes believes in building relationships that value the community and environment, just the way the organisation values its customers. Each initiative is aimed at creating harmony in society. The Company is always striving and concentrating its efforts to benefit the environment, not only by making optimal use of existent resources but also by augmenting natural resources.

Its policies and efforts are focused toward addressing the issues posed by climate change, such as energy reduction, water conservation, renewable energy use, waste minimisation, and greenery expansion. Sustainable management at all levels of the value chain and throughout the full life cycle of the goods is now an integral aspect of the Company's concept, in addition.

The policies framed here under include all its internal stakeholders.

b. Does the company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc? Y/N. If yes, please give hyperlink for webpage etc.

Company has taken initiatives to localise suppliers nearby factory to minimise emission and energy uses. Also, as a green initiatives using R134a refrigerant in water purifier having cooling feature.

As a part of their e-waste recycling initiative, Eureka Forbes has also identified partners who are India's leading electronic asset management and disposal companies. Under this partnership, Eureka Forbes will provide e-waste drop-off centres and ensure environmentally safe management of electronics that have reached their end of life phase. The recycling and disposal of e-waste by the recyclers will help ensure the protection of the environment from any hazardous substances.

- c. Does the company identify and assess potential environmental risks? Y/N**

Yes, the Company uses multiple channels to gather feedback of the consumers and to re-assess its product portfolio so as to meet their requirements. The Company conducts various surveys encompassing brand related surveys, consumer understanding surveys and product development surveys, communication effectiveness surveys, feedback on the new launch of products to name a few.

The Company goes an extra mile by tracking the consumer satisfaction trends and feedbacks through various online platforms. The Company has a proactive and dedicated Research and Development segment that is in conscience with the consumer sentiments. Thus in turn ensures that the brand moves onwards and upwards.

Annexure – 7

Corporate Governance Report

The Company's Report on Corporate Governance for the period ended March 31, 2022 pursuant to Regulation 34(3) and Clause (C) of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 is presented as follows:

1. Company's philosophy on Corporate Governance

Our philosophy on the concept of corporate governance is backed by our value systems that promote transparency, fairness and accountability thus ensuring sustainable success and substantial contribution towards corporate responsibility. The vision of the Company and its leaders imbuing the sense of purpose beyond profit, adopt a holistic approach that embraces the perspective of all stakeholders.

In line with this philosophy, the Company has taken efforts to put in place a comprehensive framework that ensures timely disclosures and accurate dissemination of information. Our philosophy is supplemented by various code of conducts and charters that governs the functioning of the Board of Directors, Board Committees and senior level management and when read in conjunction with the constitutional documents of the Company are in compliance with various applicable laws, rules, regulations and guidelines.

The Corporate Governance philosophy of the Company is driven by the interest of stakeholders and business needs of the organisation. Corporate Governance is essential for the growth, profitability and stability of any business. Aligning itself to this philosophy, the Company has placed Corporate Governance on a high priority.

The highlights of the Company's Corporate Governance policy are:

- The Company believes that an active, well-informed and independent Board is necessary to ensure high standards of Corporate Governance. The Company has appropriate mix of Executive and Non-Executive Directors including Woman Director.
- Constitution of various committees for focused attention and proactive flow of information enables the Company to ensure expedient resolution of diversified matters.
- Emphasis on ethical business conduct by the Board, management and employees.
- Established Code of Conduct for Directors and employees along with the Code of Conduct for Prevention of Insider Trading.
- Detailed Policy for Disclosure of Material Events and Information.

- Established Whistle Blower Mechanism which act as a neutral and unbiased forum for Directors, Employees and Business Partners of the Company and its subsidiaries.
- Endeavor to continuously contribute to social and environmental spheres through various CSR programs creating shared values.
- Robust and effective framework for online reporting of statutory compliances and review on a periodic basis.
- Timely, transparent and regular disclosures.

2. Board of Directors

(a) Board Composition

The Company has a professional Board with the right mix of knowledge, skills and expertise in diverse areas with an optimum combination of Executive and Non-Executive Directors including Independent Directors and Woman Director. Besides having financial literacy, vast experience, leadership qualities and the ability to think strategically, the Directors are committed to ensure highest standards of Corporate Governance.

The Board meets at least 4 (Four) times a year and more often if Company needs merit additional oversight and guidance. During the financial year 2021-22, the time gap between any two Board Meetings did not exceed 120 (One Hundred and Twenty) days. The Board of Directors periodically reviews compliance reports pertaining to all laws applicable to the Company. All statutory and other matters of significance including information as mentioned in Part A of Schedule II to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI Listing Regulations) are informed to the Board to enable it to discharge its responsibility of strategic supervision of the Company.

As on March 31, 2022 the Board consists of 09 (Nine) Directors including 01 (One) Independent Woman Director. Out of 09 (Nine) Directors, 01 (One) is Managing Director and Chief Executive Officer, 04 (Four) are Non-Executive and Independent Directors and 04 (Four) are Non-Executive Directors. The Company has a Non-Executive Independent Chairman who is not a Promoter and is not related to the Managing Director and Chief Executive Officer. The composition of the Board is in conformity with Regulation 17 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 read with Section 149 of the Companies Act, 2013.

The Board has constituted five committees – Audit Committee, Nomination and Remuneration Committee, Stakeholders' Relationship Committee, Risk Management Committee and Corporate Social Responsibility Committee.

The composition of the Board and the directorship and committee positions held by the Directors as on March 31, 2022 is as follows:

Sr. No.	Name	Category	Relationship Inter-se	No. of directorships in other companies*	No. of committee position(s) held in other public companies#	
					Chairman	Member

*including Directorships in Public Companies, but excluding private companies, foreign companies, companies incorporated under Section 8 of the Act and alternate directorships, including Eureka Forbes Limited (formerly Forbes Enviro Solutions Limited).

#includes only Audit Committee and Stakeholders Relationship Committee in all public companies including, including Eureka Forbes Limited (formerly Forbes Enviro Solutions Limited).

Prior to January 31, 2022 the Board comprised Mr. Marzin R Shroff, Mr. Rajagopalan Sambamoorthy, Mr. Suresh Redhu, Mr. Vikram Surendran and Mr. Ashu Khanna. All of the Directors were Non-executive and Non-independent Director.

Further with effect from January 31, 2022 the Chairman, Mr Homi Katgara was a Non-Executive and Independent Director. Mr. Marzin R Shroff is Managing Director & CEO. Mr. Anil Vasudev Kamath, Dr. (Mrs.) Indu Ranjit Shahani and Mr. Homi Adi Katgara were Independent Directors. Mr. Shapoorji Pallonji Mistry, Mr. Shankar Krishnan Subramanian, Mr. Sivanandhan Dhanushkodi, Mr. Pallon Shapoorji Mistry and Mr. Jai Laxmikant Mavani were Non-Executive, Non-Independent Director.

As on the date of this report, the Board has 7 (seven) directors. Mr. Arvind Uppal (Non-Executive Director) was appointed as Chairman of the Board, Mr. Pratik Rashmikant Pota is Managing Director & CEO. Mr. Sahil Dilip Dalal is the Non-Executive Director. Mrs. Gurveen Singh, Mr. Homi Katgara, Mr. Vinod Rao and Mr. Shashank Shankar Samant are Non-Executive and Independent Directors.

As per Regulation 17A of the Listing Regulations, all Directors meet the criteria of maximum number of Directorships. Further, the Managing Director of the Company does not serve as an Independent Director in any other listed entity.

None of the Directors is a member of more than ten committees or Chairman/Chairperson of more than five committees across all the public companies in which he/she is a Director. The limit of the Board Committees, Chairpersonship and membership of the Audit Committee and Stakeholders' Relationship Committee has been considered as per Regulation 26(1)(b) of the Listing Regulations.

(b) Board Meetings and attendance records

The Company has in place a pre-scheduled and tentative annual calendar of the Board and Committee Meetings that is circulated to the Directors well in advance to facilitate them to plan their schedule and to ensure meaningful participation in the meetings. However, in case of urgent business and exigencies requisite approvals have been taken through the process of circular resolution as permitted by the law. Subsequently, the resolutions passed through circulation are noted and confirmed in the immediate successive Board Meeting.

Further, bearing in mind the COVID-19 pandemic and various relaxations that have been provided by the Ministry of Corporate Affairs and the Securities and Exchange Board of India, the Board and Committee meetings were conducted through Video Conferencing/ other audio visual means ('VC/OAVM').

The Notice convening the Board and Committee Meeting alongwith detailed agenda, setting out the business to be transacted at such Meetings and relevant documents in order to facilitate understanding are circulated at least seven (07) days before the date of the Board and Committee Meeting except for the meetings called at a shorter notice.

With a view to leverage technology, reducing paper consumption and looking after the environmental aspect of the triple bottom line, the Company dispatches notice, agenda papers, presentations, minutes and other relevant correspondences through electronic form. Draft minutes are circulated to the Directors for their comments and further noted in the subsequent Meetings.

The Board also, inter alia, periodically reviews strategy and business plans, annual operating and capital expenditure budget(s), investment and exposure limit(s), compliance report(s) of all laws applicable to your Company, as well

as steps taken by your Company to rectify instances of non-compliances, review of major legal issues, minutes of the Committees of the Board and of Board Meetings of your Company's subsidiary companies, significant transactions and arrangements entered into by the unlisted subsidiary companies, approval of quarterly/half-yearly/annual results, safety and risk management, transactions pertaining to purchase/disposal of property(ies), sale of investments, remuneration of Key Managerial Personnel, major accounting provisions and write-offs, corporate restructuring, details of any joint ventures or collaboration agreement, material default in financial obligations, if any, fatal or serious accidents, any material effluent or pollution problems, transactions that involve substantial payment towards goodwill, brand equity or intellectual property, any issue that involves possible public or product liability claims of substantial nature, including judgement or order which may have passed strictures on the conduct of your Company, quarterly details of foreign exchange exposures and the steps taken by Management to limit the risks of

adverse exchange rate movement and information on recruitment of Senior Officers just below the Board level.

The Board sets annual performance objectives, oversees the actions and results of the management, evaluates its own performance, the performance of its Committees and individual Directors on an annual basis and monitors the effectiveness of the Company's governance practices for enhancing the stakeholders' value. The Company has established a framework for the Meetings of the Board and its Committees which seeks to systematise the decision-making process at the Meetings in an informed and efficient manner.

The meetings are generally held at the Company's Registered & Corporate Office at B1/B2, 7th Floor, 701, Marathon Innova, Ganpatrao Kadam Marg, Lower Parel, Mumbai – 400013.

There were seven (7) Board Meetings held during Financial year 2021-22.

(e) Succession planning

The Nomination and Remuneration Committee works with the Board on the leadership succession plan to ensure orderly succession in appointments to the Board and to senior management positions. The Company strives to maintain an appropriate balance of skills and experience within the organisation and the Board in an endeavor to introduce new perspectives while maintaining experience and continuity.

All new Non-Executive Directors inducted to the Board are introduced to our Company culture through orientation sessions. Executive directors and senior management provide an overview of operations, and familiarise the new non-executive directors on matters related to our values and commitments. They are also introduced to the organisation structure, services, Group structure and subsidiaries, constitution, Board procedures, matters reserved for the Board, major risks and risk management strategy. The details of the training programs attended by the Board members as on March 31, 2022 in Financial Year 2021-22 are as follows:

Confirmation as regards Independence of Independent Director and Meeting of Independent Directors

The Board confirms that based on the written affirmations from each Independent Director, all Independent Directors fulfil the conditions specified for independence as stipulated in the Regulation 16(1)(b) of the Listing Regulations,

as amended, read with Section 149(6) of the Act along with rules framed thereunder and are independent of the Management. Further, the Independent Directors have also registered their names in the Databank maintained by the Indian Institute of Corporate Affairs as mandated in the Companies (Appointment and Qualification of Directors), Rules, 2014, as amended. They have also given the

online self-assessment proficiency test and cleared the same within the timelines as prescribed by the Ministry of Corporate Affairs ("MCA").

None of the Independent Directors have any other material pecuniary relationship or transactions with the Company, its Promoters, or Directors, or Senior Management which, in their judgement, would affect their independence. In terms of Regulation 25(8) of the Listing Regulations, they have confirmed that they are not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties.

The following Independent Directors on the Board of the Company have resigned with effect from April 26, 2022:

1. Mr. Anil Kamath
2. Mr. Sivanandhan Dhanushkodi
3. Dr. (Mrs.) Indu Ranjit Shahni

The reason for tendering the resignation by the aforementioned Independent Directors is due to the Board reorganisation being initiated by the Board of Directors. Further, the resigning Director through written communication confirm that there is no other material reason other than as mentioned above for their resignation from the Board and the committees of the Company.

During the year under review, a meeting of the Independent Directors was held on March 29, 2022. All Independent Directors were present at the meeting to discuss risks, performance of the Company, strategy, leadership and the performance of the Non-Independent Directors and the Board and Chairman and assess information flow from management to the Board that is necessary for the Board to effectively and reasonably perform its duties. During the year under review your Company has digitalised the Board Evaluation process to maintain confidentiality & anonymity of the responses.

Pursuant to Regulation 25(7) of the Listing Regulations, the Company conducted various familiarisation programmes for its Directors including review of Industry Outlook at the Board Meetings Regulations, framework for Related Party Transactions, etc. Pursuant to Regulation 46 of the Listing Regulations, the details required are available on the website of your Company at the web link at www.eurekaforbes.com

Remuneration Policy

Your Company's Nomination and Remuneration Policy for Directors and Senior Managerial Personnel approved by the Nomination and Remuneration Committee and the Board. It is driven by the success and performance of the individual employees and the Company. Through its compensation programme, the Company endeavors to attract, retain, develop and motivate a high-performance workforce. The purpose of the Remuneration Policy is to establish and govern the procedure applicable.

- a) To evaluate the performance of the members of the Board.
- b) To ensure remuneration payable to Directors, KMP's & other Senior Management strike appropriate balance and commensurate among others with the functioning of the Company and its long-term objectives.
- c) To retain motivate and promote talent within the Company and to ensure long term sustainability of the managerial persons and create competitive advantage.

The policy inter-alia covers the Directors' appointment and remuneration, Key Managerial Personnel and other senior management appointment and remuneration.

The Remuneration Policy as required under Section 178 of the Companies Act, 2013, is available on the website of the Company and can be accessed at web link www.eurekaforbes.com.

Performance Evaluation of the Board and its criteria

Pursuant to the provisions of the Act, Listing Regulations and Performance Evaluation Policy, the Board has carried out annual evaluation of its performance, its Committee(s) and of each Director. A structured questionnaire was prepared and circulated to the Directors for each of the evaluation who submitted their response to the Chairperson of Nomination & Remuneration Committee.

Performance of the Board as whole was evaluated by each Director on the parameters such as its roles and responsibilities, contribution to the development of strategy and effective risk management, understanding of business operations, availability of quality information in a timely manner etc. and submitted

Board Committees were evaluated by the respective Committee members on the parameters such as its role and responsibilities, effectiveness of the Committee vis-a-vis assigned role, appropriateness of Committee composition, timely receipt of information by the Committee, upgrading knowledge by the Committee members, effectiveness of communication by the Committee with the Board, Senior Management and Key Managerial Personnel etc.

Performance of the Chairperson was evaluated by the Independent Directors on the parameters such as demonstration of effective leadership, contribution to the Board's work, communication with the Board, use of time and overall efficiency of Board Meetings, quality of discussions at the Board Meetings etc.

Directors were evaluated individually by all other Directors (except the Director himself/herself), Non-executive Directors evaluated Independent Directors and vice

versa on various parameters. Independent Directors were additionally evaluated for their performance and fulfilment of criteria of independence and their independence from the Management.

Meeting of Independent Directors without the attendance of Non-Independent Directors and members of the management of the Company was held on March 29, 2022. The Independent Directors, inter-alia, evaluated performance of Non-Independent Directors, the Chairperson of the Company and the Board as a whole. They also assessed the quality, content and timeliness of flow of information between the Management and the Board that is necessary for the Board to effectively and reasonably perform its duties.

The Chairman briefed the outcome of the performance evaluation to the Board. The Directors expressed their satisfaction with the entire evaluation process.

Certificate of Practicing Company Secretary on Corporate Governance

To
The Members of EUREKA FORBES LIMITED
CIN: L27310MH2008PLC188478

We have examined the compliance of conditions of Corporate Governance by Eureka Forbes Limited ("**the Company**"), for the year ended on March 31, 2022, as stipulated in Regulation 17 to 27 and clauses (b) to (i) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedure and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations as given to us, we certify that the Company, to the extent applicable, has complied with the conditions of Corporate Governance as stipulated in Regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and Para C, D and E of Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We state that in respect of investor's grievance received during the year ended March 31 2022, the Registrar and Transfer Agent of the Company have certified that as at March 31, 2022, there were no investors' grievances remaining unattended / pending to the satisfaction of the investor.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Note: The Hon'ble National Company Law Tribunal (NCLT), Mumbai Bench-IV vide its Order dated January 25, 2022 in CP (CAA)/209/MB-IV/2021 in CA(CAA)/55/MB-IV/2021 approved the Composite Scheme of Arrangement between Aquaignis Technologies Private Limited, Euro Forbes Financial Services Limited, **Eureka Forbes Limited**, Forbes & Company Limited and Forbes Enviro Solutions Limited and their respective Shareholders ("the Scheme"). Pursuant to the Scheme, the name of the Company was changed from Forbes Enviro Solutions Limited to Eureka Forbes Limited. Subsequently, the Company received in-principle listing approval from BSE Limited vide letter DCS/AMAL/TL/IP/2244/2021-22 dated March 2, 2022 and received relaxation from SEBI vide letter SEBI/HO/CFD/DIL2/AN/OW/2022/8961 dated March 2, 2022. Further, the Company received trading approval from BSE Limited vide its letter DCS/AMAL/TP/PB/2264/2021-22 dated March 14, 2022 and the trading in shares of the Company commenced w.e.f. March 16, 2022 on BSE Limited.

Independent Auditors' Report

To the Members of Eureka Forbes Limited (formerly known as Forbes Enviro Solutions Ltd.)

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Eureka Forbes Limited ("the Company") formerly known as Forbes Enviro Solutions Ltd, which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS"), as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and the other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that in our professional judgement were of most significance in our audit of the standalone financial statements of the current period. Those matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

a) Identification, valuation and recognition of intangible assets arising from the acquisition of Health, Hygiene Safety Products and Services Undertaking ('the Undertaking').

Description of Key Audit Matter

Pursuant a Scheme of Arrangement approved by the Hon'ble National Company Law Tribunal on January 25, 2022 (Refer Note 29 VI for detailed description of the Scheme), the Company acquired the Undertaking on February 01, 2022, as a running business, for consideration of 19,34,79,240 fully paid equity shares of the Company having face value of Rs. 10 each. The fair value of the Consideration transferred by the Company is determined to be Rs. 4,06,596.62 lakhs. The acquisition of the Undertaking included identifiable tangible and intangible assets acquired and liabilities assumed.

The Management engaged a third party (Management's fair valuation expert) to assist in the process to identify and determine the fair value of these assets and liabilities.

In addition to recognition of Goodwill of Rs. 1,22,411.14 lakhs (which is further adjusted for the effect of deferred tax liabilities of Rs. 83170.53 lakhs), the management has identified intangible assets relating to Brand and Distribution Networks of Rs. 3,15643.33 lakhs.

Our audit focused on this area because significant judgement and estimates are involved in identifying and determining the fair value of the intangible assets (including goodwill) acquired.

Our response and procedures applied:

In responding to the significant judgements and estimates involved in identifying and valuing the intangible assets (including goodwill) acquired and their income tax treatment, our audit procedures included:

- Reviewing the Scheme of Arrangement, the agreements and other documents related to the acquisition to obtain an understanding of the transaction;
- Understanding the process followed by the Company for assessment of the accounting treatment for the Scheme of Arrangement, including the identification of assets and liabilities and determination of their fair values and also evaluation of work of management experts;
- Testing the completeness of the identified assets acquired and liabilities assumed as per the Scheme of Arrangement, through discussions with the Company and their external valuation experts;

- Assessing the appropriateness of assets identified and the valuation methodology applied by managements expert and considering whether identification and recognition of intangible assets was consistent with the requirements of the accounting standards;
- Evaluating the appropriateness of the valuation methodologies applied and also, test the inputs to the valuation models used to determine the value of the intangible assets;
- Challenging the reasonableness of the key assumptions, including discount rate, near and long-term revenue growth rate and projected margins for indefinite life intangible asset based on future business prospects and external industry growth rate;
- Evaluating the recognition of deferred tax liability for all temporary differences on date of acquisition including those arising as a result of uncertainty over tax treatment of intangible assets.

b) Existence and valuation of inventories

Description of Key Audit Matter:

As indicated in note 12 of the standalone financial statements, the aggregate value of inventories at the year end was Rs. 28,308.56 lakhs representing significant value of Company's total assets. The existence of inventory is a key audit matter due to the involvement of risk element, basis the nature of consumer goods industry, wherein high volumes are involved which are stored across different point of sales and warehouses.

Our response and procedures applied:

Our procedures in relation to the existence and valuation of the inventories included:

- Evaluation of the design and testing the operating effectiveness of the internal controls relating to physical inventory counts at the offices and the warehouses;
- Evaluation of the design and testing the operating effectiveness of the internal controls relating to purchases, sales and inventories including automated controls;
- For a representative sample, verification that the raw materials, spares and stock in trade inventories were correctly measured, using a recalculation of the measurement of those inventories based on the cost of acquiring them from suppliers and considering the costs directly attributable to such goods;
- Assessed the key estimates used by the Management to determine the net realisable value and the consistency thereof with the Company's policy on provision for non-moving /slow moving Inventory.

c) Provisions and contingent liabilities relating to taxation, litigations and claims:

Description of Key Audit Matter:

The provisions and contingent liabilities relate to ongoing litigations and claims with various authorities and third parties. These relate to direct tax, indirect tax, transfer pricing arrangements, claims, general legal proceedings, and other eventualities arising in the regular course of business.

As at the year end, the amounts involved are significant. The determination of a provision or contingent liability requires significant judgement by the Company because of the inherent complexity in estimating future costs. The amount recognised as a provision is the best estimate of the expenditure. The provisions and contingent liabilities are subject to changes in the outcomes of litigations and claims and the positions taken by the Company. It involves significant judgement and estimation to determine the likelihood and timing of the cash outflows and interpretations of the legal aspects, tax legislations and judgements previously made by authorities.

Our response and procedures applied:

Our procedures in relation to the provisions and contingent liabilities relating to taxation, litigations and claims included:

- Understanding the process followed by the Company for assessment and determination of the amount of provisions and contingent liabilities relating to taxation, litigations and claims;
- Evaluating the design and implementation and testing operating effectiveness of key internal controls around the recognition and measurement of provisions and re-assessment of contingent liabilities;
- Assessing of the value of significant provisions and contingent liabilities relating to taxation matter, on sample basis, in light of the nature of the exposures, applicable regulations and related correspondence with the authorities;
- Inquiring the status in respect of significant provisions and contingent liabilities with the Company's internal tax and legal team, including challenging the assumptions and critical judgements made by the Company which impacted the computation of the provisions and inspecting the computation;
- Assessing the assumptions used and estimates of outcome and financial effect, including considering judgement of the Company, supplemented by experience of similar decisions previously made by the authorities and, in some cases, relevant opinions given by the Company's advisors;
- Review of data and documents for completeness and accuracy;
- Evaluating judgements made by the Company by comparing the estimates of prior year to the actual outcome;
- Evaluating the Company's disclosures in the standalone financial statements in respect of provisions and contingent liabilities.

Information other than the financial statements and auditor's report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis and Board's Report including Annexures to Board's Report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

The Director's report was not made available to us as at the date of this Auditor's report. We have nothing to report in this regard.

Management's responsibility for the standalone financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement

of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS prescribed under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Company as on March 31, 2022 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the auditor's report in accordance with the requirements of section 197(16), as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the Company to its directors during the year is in excess of the limits laid down under section 197 of the Act. Details of remuneration paid in excess of the limit laid down under this section are given below:

Financial year	Amount of excess remuneration (Rs. in lakhs)	Remarks
2021-22	13.64	Remuneration payable to Mr. Marzin R Shroff (Managing Director and CEO) as per the agreement with erstwhile Eureka Forbes Ltd exceeds the limit prescribed under section 197 by Rs. 13.64 lakhs and is subject to shareholders approval. The Company has charged off the excess remuneration payable in the Statement of Profit and Loss for the year ended March 31, 2022.
2021-22	48.01	Remuneration /commission payable to Directors (other than whole-time Director) exceeds the limit prescribed under section 197 by Rs. 48.01 lakhs and is subject to shareholders approval. The Company has charged off the excess remuneration payable in the Statement of Profit and Loss for the year ended March 31, 2022.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on audit procedures performed, nothing has come to our attention that causes us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided in (a) and (b) above, contain any material misstatement.

- v. The Company has not declared or paid any dividend during the year.

Annexure – A to the Independent Auditors' Report

(Referred to under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Eureka Forbes Limited (formerly known as Forbes Enviro Solutions Ltd.) of even date)

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and relevant details of right-to-use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a program of verification of property, plant and equipment and right of use assets to cover all the items of property, plant and equipment in a phased manner over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program the management has physically verified certain items of property, plant and equipment during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) With respect to immovable properties, comprising of land and buildings, as disclosed in the standalone financial statements which were acquired in a business combination (Refer Note 30 of the standalone financial statements) having net carrying amount of Rs. 21044.20 lakhs, according to the information and explanations given to us and based on the examination of the registered sale deed / title deed provided to us, we report that, the title deeds of the aforesaid immovable properties are held in the name of erstwhile Eureka Forbes Limited, the details of which are provided in a Sub-Annexure ('Title deeds of immoveable properties as on March 31, 2022') to this Report.
- The Company does not have any immoveable properties other than those mentioned above and properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company.
- (d) The Company has not revalued any of its property, plant and equipment (including Right of Use assets) or intangible assets during the year. Accordingly, paragraph 3(i)(d) of the Order is not applicable.
- (e) According to the information and explanations given to us, no proceedings have been initiated, or were pending, during the year against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) (a) The management has conducted physical verification of inventory during the year. In our opinion, with regards to the nature and size of its inventories, the frequency is reasonable and the coverage and procedure of such physical verification carried out during the year were appropriate. Discrepancies noted during such physical verification were less than 10% of respective inventory classes. All discrepancies noted during the year were properly dealt with in the books of account.
- (b) During the last quarter of the year, the Company acquired existing sanctioned working capital limits in a business combination in excess of five crore rupees, in aggregate, from various banks on the basis of security of its current assets. The statements in respect of the quarter ended March 31, 2022 have not been filed by the Company with the respective banks till the date of this Report. Accordingly, comments under paragraph 3(ii)(b) of the Order is not applicable.
- (iii) During the year, the Company has not made any investments, or provided any loans or provided any advance in the nature of loans or stood guarantee or provided any security to any other entity during the year. Accordingly, reporting under paragraph 3(iii) of the Order is not applicable.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loans, made investments or given guarantees in respect of which provisions of section 185 and 186 of the Companies Act 2013 are applicable. Accordingly, reporting under paragraph (iv) of the Order is not applicable.
- (v) According to information and explanations given to us, the Company has not accepted any deposits from the public in accordance with the provisions of section 73 to 76 or any relevant provisions of the Act and rules framed thereunder. Accordingly, paragraph 3(v) of the Order is not applicable.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under Section 148(1) of the Companies Act, 2013, we are of the opinion that, prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Goods and Service Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Income-tax, Sales Tax, Service Tax, duty of Custom, Duty of Excise, Value Added Tax, cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable except the following:

Name of statute	Nature of dues	Amount (Rs. in lakhs)	Period to which amount relates	Due date	Date of subsequent payment
The Employee Provident funds and Miscellaneous Provisions Act, 1952	Employer contribution to pension scheme	1.51	2017-18	Various	Not yet paid
The Employee Provident funds and Miscellaneous Provisions Act, 1952	Employer contribution to pension scheme	4.68	2018-19	Various	Not yet paid
The Employee Provident funds and Miscellaneous Provisions Act, 1952	Employer contribution to pension scheme	8.76	2019-20	Various	Not yet paid
The Employee Provident funds and Miscellaneous Provisions Act, 1952	Employer contribution to pension scheme	10.76	2020-21	Various	0.30 (Paid in the month of May, 2022)
The Employee Provident funds and Miscellaneous Provisions Act, 1952	Employer contribution to pension scheme	5.59	2021-22	Various	1.11 (paid in the month of May, 2022)

(b) According to the information and explanations given to us, dues of Income tax, Excise duty and Goods and Service tax which have not been deposited by the Company on account of disputes are given below:

* Net of amounts paid under dispute

(viii) According to the information and explanations given to us, there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

(ix) (a) The Company has not defaulted in repayment of loans to any lender during the year. There were no outstanding loans from any financial institution or government during the year.

(b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) According to the information and explanations given to us and based on our examination of the records of the Company, no term loans were obtained or utilised during the year by the Company. Accordingly, paragraph 3(ix)(c) of the Order is not applicable.

(d) In our opinion and according to the information and explanations given to us and based on the audit procedures performed by us, funds raised on short term basis have not been utilised for long term purposes by the Company.

(e) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, joint ventures or associate companies.

(f) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not raised loans during the year on pledge of securities held in subsidiaries. The

Company did not have any joint ventures or associate companies during the year.

(x) (a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, paragraph 3(ix)(a) of the Order is not applicable.

(b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partly or optionally) during the year.

(xi) (a) According to the information and explanations given to us, no fraud by the Company or any fraud on the Company has been noticed or reported during the year.

(b) According to the information and explanations given to us and to the best of our knowledge no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and upto the date of this Report.

(c) As represented to us by the management, no whistle blower complaints were received by the Company during the year.

(xii) In our opinion and according to the information and explanations given to us, the Company is not a 'nidhi' company and it has not accepted any deposits. Accordingly, paragraph 3(xii)(a), paragraph 3(xii)(b) and paragraph 3(xii)(c) of the Order is not applicable.

- (xiii) According to the information and explanations given to us and based on the audit procedures performed by us, the Company is in compliance with sections 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the company issued till the date of this Report, for the period under audit.
- (xv) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, provisions of section 192 of the Act and paragraph 3(xv) of the Order is not applicable.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Accordingly, paragraph 3(xvi)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and based on audit procedures performed by us, the Company has not conducted any Non-Banking Financial or Housing Finance activities during the year. Accordingly, paragraph 3(xvi)(b) of the Order is not applicable.
- (c) In our opinion and according to the information and explanations given to us, the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, paragraph 3(xvi)(c) of the Order is not applicable.
- (d) According to the information and explanations given to us, the Group (as defined the Core Investment Companies (Reserve Bank) Direction 2016) had 2 Core Investment Companies (CICs) as part of the Group.
- (xvii) According to the information and explanations given to us and based on audit procedures performed by us, the Company has not incurred cash losses in the current financial year. The Company has incurred cash losses of Rs. 131.19 lakhs in the immediately preceding financial year.

- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, paragraph 3(xviii) of the Order is not applicable.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) (a) According to the information and explanations given to us and based on audit procedures performed by us, the Company was not required to spend any amount in terms of Section 135 of the Act during the year. Accordingly, second proviso to sub-section (5) of section 135 of the said Act and paragraph 3(xx)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and based on audit procedures performed by us, the Company did not have any ongoing project in terms of Section 135 of the Act during the year. Accordingly, provision of sub-section (6) of section 135 of the said Act and paragraph 3(xx)(b) of the Order is not applicable.

Note : Reason for all the above properties not being held in the name of the Company: The title deeds of the immovable properties were held in the name of erstwhile Eureka Forbes Ltd ("the EFL"). Due to the scheme of arrangement EFL was amalgamated in to Forbes & Co Ltd and the Undertaking as defined in the scheme was demerged in to Forbes Enviro Solutions Ltd, which has been renamed as Eureka Forbes Ltd. (refer note 29 VI)

Annexure - B to the Independent Auditors' Report

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirement's section of our report to the members of Eureka Forbes Limited (formerly known as Forbes Enviro Solutions Ltd) of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the Internal Financial Controls over financial reporting of Eureka Forbes Limited ("the Company") [formerly known as Forbes Enviro Solutions Ltd] as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining Internal Financial Controls based on the Internal Control over Financial Reporting criteria established by the Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls over Financial Reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over Financial Reporting and their operating effectiveness. Our audit of Internal Financial Controls over

Financial Reporting included obtaining an understanding of Internal Financial Controls over Financial Reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of Internal Control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls system over Financial Reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with Generally Accepted Accounting Principles. A company's Internal Financial Control over Financial Reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with Generally Accepted Accounting Principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes to the Standalone Financial Statements

for the year ended March 31, 2022

Background

Eureka Forbes Limited (formerly Forbes Enviro Solutions Limited) is a limited company incorporated and domiciled in India with its registered office situated at B1/B2, 701, Marathon Innova, Off Ganpatrao Kadam Marg, Lower Parel, (West), Mumbai – 400 013.

Prior to acquisition of the Health, Hygiene Safety Products and Services Undertaking ('the Undertaking') pursuant a Scheme of Arrangement approved by the Hon'ble National Company Law Tribunal on January 25, 2022 (Refer Note 29(VI)) for detailed description of the Scheme), as a running business with effect from February 01, 2022, the Company was engaged in manufacturing and trading water and waste water treatment plants and related operation and maintenance contracts. Subsequent to the acquisition of the said Undertaking, the Company is also engaged in the business of manufacturing, trading, selling, renting and servicing of vacuum cleaners, water filter cum purifiers, electronic air cleaning systems and similar products.

Based on the approval received from BSE Ltd., the equity shares of the Company were listed on BSE Limited on March 16, 2022.

Note 1: Basis of preparation of Financial statements

This note provides a list of significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented unless otherwise stated.

(a) Compliance with Indian Accounting Standards (Ind AS)

These standalone financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

(b) Historical Cost convention

The financial statements have been prepared on a historical cost basis, on accrual basis of accounting except for certain financial assets and liabilities (including derivative instruments) that are measured at fair value.

(c) Functional and presentation currency

These financial statements are presented in Indian Rupees (₹), which is also the Company's functional currency.

(d) Use of estimates and judgements

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements is included in the following notes :

Note 2(g) and 3(a) – Useful lives of Property, plant and equipment

Note 2(h) and 4 – Useful and indefinite lives of Intangible assets

Note 2(i) and 24– Employee Benefit Expense

Note 19 and 29(I)(a)– Provisions and Contingent liabilities

Note 5 (a) – Estimated Fair Values of Unlisted Securities

Note 19– Estimation for provision of Warranty Claims

Note 6– Impairment of Trade Receivables

Note 10 and 28 and Note 2(n) – Income taxes

Note 9 and 28 and Note 2(n)– Recognition of Deferred taxes

Note 2(m)– Refund Liabilities

Note 29(IX) - Impact of Covid-19

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the next year is included in the note below.

Note 29(1) (a) and 29 (XI) – Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources.

Impairment

Assets are tested for impairment on an annual basis and whenever there is an indication that the recoverable amount is less than its carrying amount based on a number of factors including operating results, business plans, future cash flows and economic conditions. The recoverable amount is determined based on higher of value-in-use and fair value less cost to sell.

Market related information and estimates are used to determine the recoverable amount. Key assumptions on which management has based its determination of recoverable amount include estimated long term growth rates, weighted average cost of capital and estimated operating margins. Cash flow projections take into account past experience and represent management's best estimate about future developments.

(e) Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial assets and liabilities.

Notes to the Standalone Financial Statements (Contd.)

for the year ended March 31, 2022

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the assets or liability

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy that categorises into three levels, described as follows, the inputs to valuation techniques used to measure value. the fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and lowest priority to unobservable inputs (Level 3 inputs).

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in Note 33 – Financial instruments.

Note 2: Significant Accounting Policies

(a) Foreign currency transactions

Transactions in currencies other than company's functional currency i.e. Indian Rupee are recognised at the exchange rate prevailing at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate prevailing at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are not translated. Exchange differences are recognised in profit or loss not retranslated, except exchange differences arising from the translation of the equity investments which are recognised at fair value through OCI (FVOCI) are recognised in other comprehensive income.

(b) Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

(i) Financial Assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Investment in equity instruments of subsidiary, associates and joint ventures are measured at cost less impairment. All other financial assets are subsequently measured at fair value.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognised in profit or loss and is included in the "Other income" line item.

Notes to the Standalone Financial Statements (Contd.)

for the year ended March 31, 2022

Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item.

Investments in equity instruments at fair value through other comprehensive income (FVTOCI)

On initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserve for 'equity instruments through other comprehensive income.'

(ii) Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL. Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item.

Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by the Company are measured at their fair values.

(c) Derecognition

Financial Assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial Liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

(d) Impairment

(i) Impairment of financial instruments

The Company recognises loss allowances for expected credit loss on financial assets measured at amortised cost, trade receivables, other contractual rights to receive cash or other financial assets and financial guarantee not designated as FVTPL.

The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses :

- bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Notes to the Standalone Financial Statements (Contd.)

for the year ended March 31, 2022

- Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument. The Company follows 'simplified approach' for recognition of impairment loss allowance for trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime expected credit loss at each reporting date, right from its initial recognition.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information.

(ii) Impairment of non-financial assets

The Company's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

The Company's corporate assets do not generate independent cash inflows. To determine impairment of a corporate asset, recoverable amount is determined for the CGUs to which the corporate asset belongs.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

An impairment loss in respect of assets other than goodwill for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

(e) Cash and cash equivalents

For the purpose of presentation in the statement of cash flow, cash and cash equivalents including cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

(f) Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of inventories is based on the weighted average method, and includes expenditure incurred in acquiring the inventories and other costs incurred in bringing them to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

The comparison of cost and net realisable value is made on an item-by-item basis.

The Net realisable value of work-in-progress is determined with reference to the selling prices of related finished products.

Notes to the Standalone Financial Statements (Contd.)

for the year ended March 31, 2022

Raw Materials and other supplies held for use in the production of finished products are not written down below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realisable value.

(g) Property plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Property, plant and equipment acquired in a business combination are recognised at fair value at the acquisition date.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Depreciation methods, estimated useful lives and residual value

Depreciation has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes etc.

The estimated useful lives of property, plant and equipment for the current and comparative periods are as follows -

Type of Assets	Period
Plant & Machinery for cleaning services	5 years
Plant & Machinery on rent	6 years
Motor Cycles	3 years
Motor Cars	5 years
Office Equipment's	3 - 5 years

(h) Intangible assets

Intangible assets are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.

Amortisation

Intangible assets acquired in a business combination are recognised at fair value at the acquisition date. Subsequently, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

The useful lives of intangible assets are assessed as finite or indefinite. Finite-life intangible asset are amortised on a Straight line basis over the period of their estimated useful lives. Estimated useful lives by major class of finite life Intangible assets are as follow:

Type of Assets	Period
Technical Knowhow	5 years
Computer Software	5 years
Distributor network-Service	10 years
Distributor network-Product	10 years

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

Indefinite - life intangible assets comprises trademark and brands for which there is no foreseeable Limit to the period over which they are expected to generate net cash inflows. These are considered to have an indefinite life, given the strength and durability of the brands and the level of marketing support

For Indefinite life intangible assets, the assessment of indefinite life is reviewed annually to determine whether it continues, if not, it is impaired or changed prospectively basis revised estimates

Goodwill is initially recognised based on the accounting policy for Business combination and is tested for impairment annually

(i) Employee Benefits

(i) Short Term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

(ii) Defined Contribution Plans

Defined contribution plans are employee state insurance scheme and Government administered pension / provident fund scheme for all applicable employees and superannuation scheme for eligible employees. The Company's contribution to defined contribution plans are recognised in the Statement of Profit and Loss in the financial year to which they relate.

Notes to the Standalone Financial Statements (Contd.)

for the year ended March 31, 2022

The Company makes specified monthly contributions towards Employee Provident Fund scheme to a separate trust administered by the Company. The minimum interest payable by the trust to the beneficiaries is being notified by the Government every year. The Company has an obligation to make good the shortfall, if any, between the return on investments of the trust and the notified interest rate.

(iii) Defined Benefit Plans

Gratuity Scheme

The Company operates a defined benefit gratuity plan for employees. The Gratuity plan for the existing employee of the company is funded through a policy of Life Insurance Corporation. In respect of the employee of the business undertaking acquired during the year, the Company contributes to a separate trust administered by the Company towards meeting the Gratuity obligation. The Company's liability is determined on the basis of an actuarial valuation. Remeasurements of the net defined benefit liability as per the actuarial valuation report, which comprise actuarial gains and losses are recognised in OCI.

Other long term employee benefits

Entitlements to annual leave are recognised when they accrue to employees. The Company determines the liability for such accumulated leaves using the Projected Accrued Benefit method with actuarial valuations being carried out at each Balance Sheet date.

(j) Research and Development

- (a) Capital Expenditures are shown separately under respective heads of fixed assets.
- (b) Revenue expenses are included under the respective heads of expenses.

(k) Lease Accounting

Ind AS 116 sets out principles for the recognition, measurement, presentation and disclosure of leases. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. For all leases except as noted above, a lessee is required to recognise a right-of-use asset (ROU Asset) representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments in the balance sheet. Lessee will recognise depreciation of right-of-use assets and interest on lease liabilities in the statement of profit and loss.

The Company as a lessee

The Company's lease asset classes primarily consist of leases for Premises. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases.

The lease payments that are not paid at the commencement date are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

Lease payments included in the measurement of the lease liability comprise:

- Fixed lease payments (including in-substance fixed payments) payable during the lease term and under reasonably certain extension options, less any lease incentives;
- Variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- The amount expected to be payable by the lessee under residual value guarantees;
- The exercise price of purchase options, if the lessee is reasonably certain to exercise the options; and
- Payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

Notes to the Standalone Financial Statements (Contd.)

for the year ended March 31, 2022

As a practical expedient, Ind AS 116 permits a lessee not to separate non-lease components when bifurcation of the payments is not available between the two components, and instead account for any lease and associated non-lease components as a single arrangement. The Company has used this practical expedient. Contingent and variable rentals are recognised as expense in the periods in which they are incurred.

The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

The Company remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever:

- The lease term has changed or there is a change in the assessment of exercise of a purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.
- A lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. Whenever the Company incurs an obligation for costs to dismantle and remove a leased asset, restore the site on which it is located or restore the underlying asset to the condition required by the terms and conditions of the lease, a provision is recognised and measured under Ind AS 37. The costs are included in the related right-of-use asset, unless those costs are incurred to produce inventories.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The Company has entered into lease arrangements as a lessee for premises for operating customer relationship center, guest houses, head office and regional offices,

residential premises for their employees so as to help the employees to get settled to new location and warehouse for receiving, storing and dispatch of goods. The average term of leases entered into is 3 years. In case of warehouses, on the basis of past practice the entire period of the contract has been considered for lease term depending on the reasonable certainty to continue with the same service provider. Generally, these lease contracts do not include extension or early termination options.

Extension and termination options are included in many of the leases. In determining the lease term the management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The aggregate depreciation expense on ROU assets is included under depreciation and amortisation expense in the statement of Profit and Loss.

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. Ind AS 116 does not change substantially how a lessor accounts for leases. Under Ind AS 116, a lessor continues to classify leases as either finance leases or operating leases and account for those two types of leases differently. However, Ind AS 116 has changed and expanded the disclosures required, in particular with regard to how a lessor manages the risks arising from its residual interest in leased assets.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognised on a straight line basis over the term of the relevant lease.

(l) Government Grant

Government grants related to income under State Investment Promotion Scheme linked with VAT / GST payment, are recognised in the Statement of Profit and Loss in the period in which they become receivable.

(m) Revenue Recognition

The Company derives Revenue from sale of products primarily water purifiers and vacuum cleaners and providing related maintenance services. Revenue from sale of goods is recognised when control of the products being sold has transferred to the customer upon delivery.

Notes to the Standalone Financial Statements (Contd.)

for the year ended March 31, 2022

Revenue is measured net of taxes, returns, discounts, incentives and rebates earned by customers on the sales. Revenue from services are recognised over the period of time.

A refund liability (included in other current liabilities) is recognised for expected volume discounts payable to customers in relation to sales made until the end of the reporting period.

In relation to certain contracts where installation services are provided by the company, same is accounted as a separate performance obligation. Payment of the transaction price is due immediately when the customer purchases the goods/services except in certain cases where a credit term is agreed between company and customers.

Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur. An estimate is made for goods that will be returned and a liability has been recognised for this amount as refund liability (included in other current liabilities). An asset has also been recorded (included in other current assets) for the corresponding inventory that is estimated to return to the company using a best estimate based on accumulated experience.

Company's obligation to repair or replace faulty products under the standard warranty terms is recognised as provision.

Dividend income is recognised when the right to receive payment is established and known.

Interest income from financial asset is recognised when it is probable that the economic benefit will flow to the company and the amount of income can be measured reliably. Interest income is accrued on time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(n) Taxation

Income tax comprises current and deferred tax. It is recognised in profit & loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income, in which the current and the deferred tax is also recognised directly in equity or in other comprehensive income.

Current Tax

Current tax is measured on the basis of estimated income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes

provisions where appropriate on the basis of amounts expected to be paid to tax authorities.

The entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax liability are generally recognised for all taxable temporary differences. Deferred tax asset (including in respect of carried forward tax losses and tax credits) are recognised to the extent it is probable that the taxable profit will be available against which deductible temporary differences can be utilised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

Uncertain Tax position

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. The provision is estimated based on one of two methods, the expected value method (the sum of the probability weighted amounts in a range of possible outcomes) or the single most likely amount method, depending on which is expected to better predict the resolution of the uncertainty

(o) Earnings Per Share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding after adjusting for the effects of all potential dilutive ordinary shares.

(p) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Notes to the Standalone Financial Statements (Contd.)

for the year ended March 31, 2022

The amount recognised as provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period taking into account the risk and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation its carrying amount is the present value of those cash flows (where the effect of the time value of money is material).

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Contingent Liabilities are not recognised in the financial statements but are disclosed in the notes.

Contingent assets are disclosed where inflow of economic benefit is probable.

(q) Investment in Subsidiaries

The Company has elected to recognise its investments in subsidiaries at cost in accordance with the option available in IND AS 27, 'Separate Financial Statement'. The details of such investments are given in Note 5. Impairment policy applicable on such investments is explained in note 2 (d) above.

(r) Borrowing Cost

Borrowing Cost includes interest, amortisation of ancillary cost incurred in connection with the arrangement of borrowings and exchange difference arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing cost, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised, if any. All other borrowing costs are expensed in the period in which they occur.

(s) Derivatives

The Company enters into certain derivative contracts to hedge risks which are not designated as hedge. Such contracts are accounted for at fair value through the Statement of Profit and Loss

(t) Assets Classified as held for sale

Noncurrent assets (or disposal groups) are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. These assets are measured at lower of their carrying amount and fair value less costs to sell. Non current assets (or disposal group) are presented separately from the other assets in the balance sheet. The liabilities of disposal group, if any, are presented separately from the other liabilities in the balance sheet.

(u) Business Combination

Business combinations are accounted for using the acquisition accounting method as at the date of the acquisition. The consideration transferred in the acquisition and the identifiable assets acquired and liabilities assumed are recognised at fair values on their acquisition date. Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred over the net identifiable assets acquired and liabilities assumed. Consideration transferred does not include amounts related to settlement of pre-existing relationships. Such amounts are recognised in the Statement of Profit and Loss.

Transaction costs are expensed in the standalone statement of profit and loss as incurred, other than those incurred in relation to the issue of debt or equity securities which are directly adjusted in other equity.

(v) Segment Reporting

The company is primarily engaged in the business of Health, Hygiene & Safety products and its services. As the basic nature of these activities are governed by the same set of risk and returns, there is no primary segment identified as per Indian Accounting Standards (Ind AS) 108 "Operating Segments" notified under section 133 of the Companies Act 2013. The company has identified geographical segment as its secondary segment.

(w) Standards issued but not yet effective

On March 23, 2022, Ministry of Corporate Affairs ('MCA') amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 01, 2022, as below:

Ind AS 103 – Business Combinations

The amendment clarifies that while applying the acquisition method for recognition, the assets and liabilities taken over, in a business combination, must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. The Company does not expect the amendment to have any impact in its financial statements.

Ind AS 16 – Property, Plant and Equipment

The amendment requires that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The Company does not expect the amendment to have any significant impact in its financial statements.

Notes to the Standalone Financial Statements (Contd.)

for the year ended March 31, 2022

Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets

The amendment clarifies in relation to onerous contracts that the cost of fulfilling a contract comprises the costs that relate directly to the contract which consist of incremental costs of fulfilling that contract (examples would be direct labour, materials) and an allocation of other costs that relate directly to fulfilling contracts. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 41 – Agriculture

The amendment relates to recognition and measurement of biological assets or agricultural produce. These amendments will not have any impact on the Company's financial statements.

Ind AS 109 – Financial Instruments

The amendment clarifies that while determining the fees paid (net of fees received) when a borrower applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability, the borrower to include only fees paid or received between the borrower and the lender, including fees paid or received by either the borrower or lender on the other's behalf. The Company does not expect the amendment to have any significant impact in its financial statements.

Note 29 - Additional information to the financial statements (Contd.)

II a.) The company has given certain office / factory premises and moulds on operating lease basis. Details of which are as follows -

Particulars	₹ in Lakhs			
	Building		Plant and Machinery (Moulds)	
	As at March 31, 2022	As at March 31, 2021	As at March 31, 2022	As at March 31, 2021
Gross Amount	481.49	-	35.66	-
Accumulated Depreciation	139.92	-	28.10	-
Depreciation for the year	3.17	-	0.27	-

b.) The company has given commercial premises under cancellable operating lease. Lease rental income included in the statement of profit and loss for the year is ₹6.80/- Lakhs (Previous Year ₹ NIL Lakhs) for Premises.

III The Company is primarily engaged in the business of Health, Hygiene & Safety Products and Services. Information reported to and evaluated regularly by chief operating decision maker for the purpose of resource allocation and assessing performance focuses on the business as a whole. accordingly there is no other separate segment as per Indian Accounting Standard 108 dealing with "Operating Segment". The geographical segmentation is insignificant as the export turnover is less than 10% of the total turnover and also company's Non Current assets (other than Financial Instrument, deferred tax, post employment benefits) are located in India.

Revenue from transactions with a single external customer did not amount to 10% or more of the Company's revenue from external customers for current and previous year.

Revenue from External Customers:

	₹ in Lakhs	
	Year ended March 31, 2022	Year ended March 31, 2021
India	37,931.50	783.88
Outside India	168.63	0.75
Total Revenue	38,100.13	784.63

IV The Company did not have any transactions with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956 during the current year and previous year.

V No funds have been advanced or loaned or invested by the Company to/in any intermediary with the understanding that the intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries. Further, no funds have been received from any person or entity ('Funding parties') with the understanding that the Company shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party or provide any guarantee, security or the like on behalf of the Funding Party.

VI The Board of Directors of Eureka Forbes Limited (Formerly known as Forbes Enviro Solutions Ltd) ("the Company") and erstwhile Eureka Forbes Ltd at their Board Meeting held on September 08, 2020, had inter alia, approved the Composite Scheme of Arrangement ("the scheme") under Section 230 to 232 and other applicable provisions of the Companies Act, 2013 and the rules and regulations made thereunder.

The Scheme, inter alia, provided for amalgamation and vesting of erstwhile Aquaignis Technologies Private Limited ("ATPL"), erstwhile Eureka Forbes Limited and erstwhile Euro Forbes Financial Services Limited ("EFFSL") with and into erstwhile Eureka Forbes Limited. Further, upon the above part of the scheme becoming effective, amalgamation and vesting of Erstwhile Eureka Forbes Limited with and into Forbes and Company Limited (FCL).

Further, upon the above part of the scheme becoming effective, demerger and vesting of Demerged Undertaking (Health, Hygiene, Safety Products and Services Undertaking, as defined in the scheme) of FCL into the Company on a going concern basis.

The Hon'ble National Company Law Tribunal ("the NCLT"), Mumbai vide its order dated January 25, 2022 approved/sanctioned the aforesaid Composite Scheme of Arrangement. Upon receipt of the certified copy of the order, the scheme was made effective by filing Form INC 28 with the Registrar of Companies on February 1, 2022. Further, the name of the company has been changed to Eureka Forbes Ltd, vide Fresh Certificate of Incorporation dated February 11, 2022.

Notes to the Standalone Financial Statements (Contd.)

for the year ended March 31, 2022

Note 29 - Additional information to the financial statements (Contd.)

Pursuant to the Share Purchase Agreement dated September 19, 2021 ("SPA") executed between inter alia the Company Lunolux Limited ("Acquirer"), Shapoorji Pallonji and Company Private Limited ("Seller"), Forbes Campbell Finance Limited ("FCFL"), Forbes & Company Limited and erstwhile Eureka Forbes Limited for the acquisition by the Acquirer of a majority stake in the health and safety solutions business represented by up to 72.56% of the total issued and paid-up share capital of the company from the Seller, the Acquirer has acquired 123,555,843 equity shares representing 63.86% of the total issued and paid-up share capital of the Company on April 25, 2022.

Consequent to such transfer, the Acquirer has become a promoter of the company with effect from April 25, 2022. The Company has also received request letters from the Seller and FCFL along with necessary documents, under the provisions of Regulation 31A of the SEBI (LODR) Regulations for their de-classification as "promoter/promoter group".

VII As required under Indian Accounting Standard 24 on "Related Party Disclosures" the list of related parties and their transactions is attached. (Annexure 'A' & 'B').

VIII ₹300.98 Lakhs (Previous year ₹ Nil Lakhs) revenue expenses incurred during the year on Research and Development has been charged to the respective heads of accounts.

IX Impact of Covid-19:

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 in the preparation of these financial statements including the recoverability of carrying amounts of financial and non-financial assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company has, at the date of approval of these financial statement, used internal and external sources of information and expects that the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

X During the last quarter of the year, the Company acquired existing sanctioned working capital limits in a business combination (refer Note 30) in excess of five crore rupees, in aggregate, from various banks on the basis of security of its current assets. The statements in respect of the quarter ended March 31, 2022 have not been filed by the Company with the respective banks till the date of approval of this financial Statements.

XI Disclosures required by Indian Accounting Standard 37 "Provisions, Contingent Liabilities and Contingent Assets"

A) Particulars	₹ in Lakhs			
	Year ended March 31, 2022		Year ended March 31, 2021	
	Excise Duty	Sales Tax	Excise Duty	Sales Tax

Gain/(Loss) on Modification/Disposal of Right of use assets	-	-
Payment of lease liabilities	(193.39)	(9.18)
Balance at the end	1,311.70	1.34

The table below provides details regarding the contractual maturities of lease liabilities as at March 31, 2022 on an undiscounted basis:

Particulars	₹ in Lakhs	
	As at March 31, 2022	As at March 31, 2021
Less than one year	782.20	1.34
One to five years	550.69	-
More than five years	38.97	-
Total	1,371.86	1.34

Rental expense recorded for short-term leases was ₹148.66 Lakhs for the year ended March 31, 2022. (Previous Year: ₹9.30 Lakhs)

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to the company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After considering current and future economic conditions, the company has concluded that no changes are required to lease period relating to the existing lease contracts

Amounts recognised in profit and loss

Particulars	₹ in Lakhs	
	Year ended March 31, 2022	Year ended March 31, 2021
Depreciation expense on right-of-use assets	166.32	8.92

	As at March 31, 2022	As at March 31, 2021
Projected Benefits payable in future years from the date of reporting		
1st Following Year	260.52	-
2nd Following Year	138.99	-
3rd Following Year	173.39	-
4th Following Year	332.84	-
5th Following Year	183.91	-
Sum of years 6 to 10	829.10	-
Sum of years 11 and above	1,888.92	-

Sensitivity Analysis

Particulars	₹ in Lakhs	
	Year ended March 31, 2022	Year ended March 31, 2021
Presented benefit obligation on current assumptions	2,058.58	14.84
Discount rate (1% increase)	(127.07)	(0.52)
Discount rate (1% decrease)	145.05	0.59
Future salary growth (1% increase)	148.35	0.59
Future salary growth (1% decrease)	(131.95)	(0.53)
Attrition movement (1% increase)	35.62	0.05
Attrition movement (1% decrease)	(40.00)	(0.06)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Notes to the Standalone Financial Statements (Contd.)

for the year ended March 31, 2022

Note 30 - Acquisition of Health, Hygiene, Safety Products and Services Undertaking

Under the scheme approved by the NCLT as described in Note 29(VI), the basis of accounting used for the merger of the Health, Hygiene, Safety Products and Services Undertaking is "acquisition method" of accounting under Ind AS 103 (Business combination). Fair Value consideration amounting to ₹406,596.62 Lakhs has been allocated to the respective fair values of tangible, intangible assets and all liabilities and residual value has been recognised as goodwill.

(A) Details of net assets acquired:

The fair values of assets acquired and liabilities assumed as at the date of acquisition (February 1, 2022) were:

Particulars	₹ In Lakhs	
	Amount	
A Specified Tangible Asset		
Property Plant and Equipment		26,965.23
B Identified Intangible Asset		
Brand - Aquaguard	2,86,125.46	
Brand - Forbes	4,993.80	
Distribution network - Services	20,557.83	
Distribution network - Products	3,966.24	
Specified Intangible Asset		
Computer Software	118.07	
Technical Know how	19.79	
Other Assets		
Capital Advances	341.13	
Right of Use Assets	1,629.45	
Investments	8,655.28	
Cash and Cash Equivalents	1,075.09	
Other Bank balances	68.34	
Inventories	29,735.82	
Sundry Debtors	14,003.69	
Loans and Advances	408.94	
Income Tax Asset	2,314.27	
Deferred tax Asset	620.89	
Other Current Assets	6,717.96	
Total Identifiable Assets (i)	4,08,317.28	
C Specified Liabilities		
Long term debt	26,107.16	
Lease Liabilities	1,385.30	
Trade Payables	19,747.35	
Provisions	3,337.54	
Other current liabilities	73,554.45	
Total Identifiable liabilities (ii)	1,24,131.80	
Net assets acquired (i) - (ii)	2,84,185.48	
Goodwill (before Deferred tax Adjustments)	1,22,411.14	
Total Fair Value Consideration	4,06,596.62	

(B) Impact of acquisition on the Financial Statements:

The acquired business contributed revenue of ₹37,013.67 Lakhs, Earning before Interest, tax depreciation and Amortisation (EBITDA) of ₹2,215.53 Lakhs and Earning Before interest and tax (EBIT) of ₹903.85 Lakhs for the period from the date of acquisition till March 31, 2022. If the acquisition had taken place from April 1, 2021 the acquired business would have contributed an additional turnover of ₹1,65,500.92 Lakhs. With this the total turnover of the company for the year ended March 31, 2022 would have been ₹2,03,601.05 Lakhs.

The acquired goodwill has been further adjusted to the effect of deferred tax liabilities recognised on acquisition in respect of recognising identified intangibles assets

Notes to the Standalone Financial Statements (Contd.)

for the year ended March 31, 2022

Note 31 - Financial instruments

Capital management

The Company's objectives when managing capital are to:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- Maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may return capital to shareholders, issue new shares or sell assets to reduce debt.

Subsequent to acquisition of business during the year (refer note 30) the capital structure has undergone significant change. Consistent with the industry, the Company, primarily, uses the gearing ratio to monitor and maintain the capital structure which is as follows:

Net debt (total borrowings net of cash and cash equivalents) divided by total 'equity' (as shown in the balance sheet).

The gearing ratios were as follows:

	₹ in Lakhs	
	As at March 31, 2022	As at March 31, 2021
Borrowings	23,956.53	150.00
Less: Cash and cash equivalents	1,341.79	21.31
Adjusted net debt	22,614.74	128.69
Total equity	4,06,697.69	13.87
Adjusted net debt to equity ratio	5.56%	927.83%

Note 32 - Earnings per share

The calculations of profit attributable to equity shareholders and weighted average number of equity shares outstanding for purposes of basic and diluted earnings per share calculation are as follows:

	₹ in Lakhs	
	Year ended March 31, 2022	Year ended March 31, 2021
Profit/(Loss) for the year attributable to equity share holders	280.30	(163.03)
Face value per equity shares	10	10
Weighted average number of equity shares used in the calculation of basic and diluted earnings per share (Nos.)	3,62,69,259	48,27,263
Basic and diluted earnings per share (₹)	0.77	(3.38)

Basic Earnings per share

The earnings and weighted average number of equity shares used in the calculation of basic earnings per share are as follows.

	₹ in Lakhs	
	Year ended March 31, 2022	Year ended March 31, 2021
Profit for the year attributable to owners of the Company	280.30	(163.03)
Weighted average number of equity shares for the purposes of basic earnings per share (Quantity in numbers)	3,62,69,259	48,27,263

Notes to the Standalone Financial Statements (Contd.)

*Mandatorily measured at fair value in accordance with Ind AS 109

** Investments in equity instruments designated as such upon initial recognition in accordance with paragraph 5.7.5 of Ind AS 109.

These investments in equity instruments are not held for trading. Instead, they are held for medium or long term strategic purpose. Upon the application of IND AS 109, the company has chosen to designate these investments in equity instruments at FVTOCI as it is believed that this provides a more meaningful presentation for medium or long term strategic investment than reflecting changes in fair value immediately in profit and loss Account.

*** Long Term Loans and advances is carried at net of impairment.

Includes investment in equity instruments of ₹2,524.15/- Lakhs(previous year ₹ NIL/- lakhs) carried at cost less impairment.

Fair value Hierarchy

This section explains the judgement and the estimates made in determining the fair values of the financial instruments that are recognised and measured at fair value

Financial assets and liabilities measured at fair value - recurring fair value measurements At March 31, 2022 (Refer note Below)	₹ in Lakhs

Description of significant unobservable inputs to valuations for level 3 items

Significant unobservable Inputs	Relationship of unobservable Inputs to fair value
Long term revenue growth rates taking into accounts managements experience and knowledge of market conditions of the specific industries	A slight increase in the long term revenue growth rates used in isolation would result in increase in fair value
Long term pre tax operating margin taking into account managements experience and knowledge if market conditions of the specific industries	A significant increase in the long term pre tax operating margin used in isolation would result in increase in fair value
Weighted average cost of capital (WACC), determined using a Capital Asset pricing Model	A slight increase in the WACC used in isolation would result in decrease in Fair value

Valuation techniques and significant unobservable inputs

Specific valuation techniques used to value financial instruments include:

- The use of quoted market prices or dealer quotes for similar instruments.
- All of the resulting fair value estimates are included in level 1 except for unlisted equity securities where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.
- The carrying amount of Trade receivables, Trade payables, cash and Cash Equivalents are considered to be the same as their Fair Values, due to their short term in nature.
- The Fair value of financial Instrument that are not traded in an active market is determined using valuation technique. The company uses its judgement to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.

Notes to the Standalone Financial Statements (Contd.)

for the year ended March 31, 2022

Note 34 - Financial instruments – Financial risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. In order to minimise any adverse effects on the financial performance of the Company, such as foreign exchange forward contracts are entered to hedge certain foreign currency risk exposure.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk in the financial statements

Risk	Exposure Arising from	Measurement	Management
Credit Risk	Cash and Cash Equivalents, trade receivables, financial assets measured at amortised cost and fair value through profit and loss.	Aging analysis, Credit Rating	Diversification of bank deposits, credit limits and letter of credit
Liquidity Risk	Borrowing and other liabilities	Rolling cash flow Forecast	Availability of committed credit lines and borrowing facilities
Market Risk- Foreign currency	Future commercial Transactions Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Cash flow Forecasting Sensitivity analysis	Forward foreign currency Contracts Foreign currency option
Market Risk- Interest rate	Long-term borrowings at variable rate	Sensitivity analysis	Interest rate Swaps

The Company's risk management is carried out by a Finance committee and Treasury team under policies approved by the board of directors. Treasury team identifies, evaluates and hedges financial risks in close co-operation with subject matter experts. The Board of directors periodically monitors the risk assessment.

(a) Credit risk

Credit risk arises from cash and cash equivalents, investments and deposits with banks, as well as credit exposures to customers including outstanding receivables.

The carrying amounts of financial assets represent the maximum credit risk exposure. The maximum exposure to credit risk at the reporting date was:

Particulars	₹ in Lakhs	
	As at March 31, 2022	As at March 31, 2021
Investments	6,169.95	2.40
Trade receivables	15,662.18	235.60
Cash and cash equivalents	1,341.79	19.81
Other bank balances	99.25	31.98
Loans	7.92	-
Other financial assets	1,763.97	11.33

Trade Receivables

The maximum exposure to credit risk for trade and other receivables by geographic region was as follows.

	₹ in Lakhs	
	As at March 31, 2022	As at March 31, 2021
India	15,246.68	234.86
Other regions	415.50	0.74
Total	15,662.18	235.60

Notes to the Standalone Financial Statements (Contd.)

for the year ended March 31, 2022

Note 34 - Financial instruments – Financial risk management (Contd.)

(a) Credit risk (Contd.)

Impairment

The ageing of trade and other receivables that were not impaired was as follows.

Ageing	₹ in Lakhs	
	As at March 31, 2022	As at March 31, 2021
0-1 Year	15,432.99	117.35
1-2 Year	75.44	35.88
2-3 Year	16.30	61.28
More Than 3 Yrs	137.45	21.09
Total	15,662.18	235.60

The movement in the allowance for impairment in respect of trade and other receivables during the year was as follows.

	₹ in Lakhs	
	As at March 31, 2022	As at March 31, 2021
Opening Balance	44.70	117.47
Amounts written off during the year as uncollectible	(43.16)	13.31
Acquired on account of business Combination	851.43	-
Impairment loss recognised	(36.30)	(86.08)
Balance	816.67	44.70

The Company held cash and cash equivalents of ₹1,341.79 Lakhs at March 31, 2022 (March 31, 2021: ₹19.81 lakhs). The cash and cash equivalents are held with bank ₹1,180.3 Lakhs (March 2021: ₹19.27 Lakhs)

(b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted

Non-derivative financial liabilities	Contractual maturities of financial liabilities				Total
	On Demand	0- 1 year	1-5 years	> 5 years	
March 31, 2022					
Banks - Long term loans Including Interest	-	-	-	-	-

Trade and other payables	-	-
Other Current financial liabilities	-	-
	-	-
Net Exposure	0.01	-

The following significant exchange rates have been applied.

	Year-end spot rate	
	March 31, 2022	March 31, 2021
USD / INR	75.52	73.23
EUR / INR	83.93	85.88

Notes to the Standalone Financial Statements (Contd.)

for the year ended March 31, 2022

Note 34 - Financial instruments – Financial risk management (Contd.)

(c)(i) Market Risk- Foreign currency (Contd.)

Sensitivity analysis

The Sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments

Effect in INR	Profit or (loss)	
	Strengthening	Weakening
	₹ in Lakhs	
March 31, 2022		
USD 5% movement	(19.48)	19.48
EUR 5% movement	21.32	(21.32)
	1.83	(1.83)

Effect in INR	Profit or (loss)	
	Strengthening	Weakening
	₹ in Lakhs	
March 31, 2021		
USD 5% movement	(0.04)	0.04
EUR 5% movement	-	-
	(0.04)	0.04

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting year does not reflect the exposure during the year.

(c)(ii) Market Risk- Interest rate

The Exposure of the Company borrowing to interest rate changes at the end of the reporting year are as follow

	As at March 31, 2022	As at March 31, 2021
	₹ in Lakhs	
Variable Rate Borrowing	7,435.56	-

The sensitivity analyses below have been determined based on the exposure to interest rates for non-derivative instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

If interest rates had been 50 basis points higher/lower and all other variables were held constant, the company's:

- profit for the year ended March 31, 2022 would decrease/increase by ₹6.06/- lakhs (2021: decrease/increase by ₹ NIL lakhs). This is mainly attributable to the company's exposure to interest rates on its variable rate borrowings;

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

Notes to the Standalone Financial Statements (Contd.)

for the year ended March 31, 2022

Note 35 - Assets pledged as security

The carrying amounts of assets pledged as security for current and non-current borrowings are:

	Notes	₹ in Lakhs

- The above ratios for the year ended March 31, 2022 include the impact of the business combination (refer Note 30) and hence are not comparable with previous year. The Impact of the said business combination on the ratio for the current year as not been annualised.

Independent Auditor's Report

To the Members of Eureka Forbes Limited (formerly known as Forbes Enviro Solutions Ltd.)

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Eureka Forbes Limited** ("the Holding Company") formerly known as Forbes Enviro Solutions Ltd. and its subsidiaries (the Holding Company and its subsidiaries together referred to as the "Group") which comprise the Consolidated Balance Sheet as at March 31, 2022, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements, give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2022 and their consolidated profit, their consolidated total comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us along with the consideration of report of the other auditor referred to in paragraph of "other matters" section below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

a) Identification, valuation and recognition of intangible assets arising from the acquisition of Health, Hygiene Safety Products and Services Undertaking ('the Undertaking').

Description of Key Audit Matter

Pursuant to a Scheme of Arrangement approved by the Hon'ble National Company Law Tribunal on January 25, 2022 (Refer Note 29 VI of the consolidated financial statements for detailed description of the Scheme), the Holding Company acquired the Undertaking on February 01, 2022, as a running business, for consideration of 19,34,79,240 fully paid equity shares of the Holding Company having face value of ₹10 each. The fair value of the Consideration transferred by the Holding Company is determined to be ₹4,06,596.62 lakhs. The acquisition of the Undertaking included identifiable tangible and intangible assets acquired and liabilities assumed.

The Management engaged a third party (Management's fair valuation expert) to assist in the process to identify and determine the fair value of these assets and liabilities.

In addition to recognition of Goodwill of ₹1,22,411.14 lakhs (which is further adjusted for the effect of deferred tax liabilities of ₹83,170.53 lakhs), the management has identified intangible assets relating to Brand and Distribution Networks of ₹3,15,643.33 lakhs.

Our audit focused on this area because significant judgement and estimates are involved in identifying and determining the fair value of the intangible assets (including goodwill) acquired.

Our response and procedures applied:

In responding to the significant judgements and estimates involved in identifying and valuing the intangible assets (including goodwill) acquired and their income tax treatment, our audit procedures included:

- Reviewing the Scheme of Arrangement, the agreements and other documents related to the acquisition to obtain an understanding of the transaction;
- Understanding the process followed by the Holding Company for assessment of the accounting treatment for the Scheme of Arrangement, including the identification of assets and liabilities and determination of their fair values and also evaluation of work of management experts;
- Testing the completeness of the identified assets acquired and liabilities assumed as per the Scheme of Arrangement, through discussions with the Holding Company and their external valuation experts;
- Assessing the appropriateness of assets identified and the valuation methodology applied by managements expert and considering whether identification and recognition of intangible assets was consistent with the requirements of the accounting standards;

- Evaluating the appropriateness of the valuation methodologies applied and also, test the inputs to the valuation models used to determine the value of the intangible assets;
- Challenging the reasonableness of the key assumptions, including discount rate, near and long-term revenue growth rate and projected margins for indefinite life intangible asset based on future business prospects and external industry growth rate;
- Evaluating the recognition of deferred tax liability for all temporary differences on date of acquisition including those arising as a result of uncertainty over tax treatment of intangible assets.

b) Existence and valuation of inventories

Description of Key Audit Matter:

As indicated in note 12 of the consolidated financial statements, the aggregate value of inventories at the year-end was ₹29,031.13 lakhs representing significant value of Group's total assets. The existence of inventory is a key audit matter due to the involvement of risk element, basis the nature of consumer goods industry, wherein high volumes are involved which are stored across different point of sales and warehouses.

Our response and procedures applied:

Our procedures in relation to the existence and valuation of the inventories included:

- Evaluation of the design and testing the operating effectiveness of the internal controls relating to physical inventory counts at the offices and the warehouses;
- Evaluation of the design and testing the operating effectiveness of the internal controls relating to purchases, sales and inventories including automated controls;
- For a representative sample, verification that the raw materials, spares and stock in trade inventories were correctly measured, using a recalculation of the measurement of those inventories based on the cost of acquiring them from suppliers and considering the costs directly attributable to such goods;
- Assessed the key estimates used by the Management to determine the net realisable value and the consistency thereof with the Group's policy on provision for non-moving /slow moving Inventory.

c) Provisions and contingent liabilities relating to taxation, litigations and claims:

Description of Key Audit Matter:

The provisions and contingent liabilities relate to ongoing litigations and claims with various authorities and third parties. These relate to direct tax, indirect tax, transfer pricing arrangements, claims, general legal proceedings, and other eventualities arising in the regular course of business.

As at the year end, the amounts involved are significant. The determination of a provision or contingent liability requires significant judgement by the Group because of the inherent complexity in estimating future costs. The amount recognised as a provision is the best estimate of the expenditure. The provisions and contingent liabilities

are subject to changes in the outcomes of litigations and claims and the positions taken by the Group. It involves significant judgement and estimation to determine the likelihood and timing of the cash outflows and interpretations of the legal aspects, tax legislations and judgements previously made by authorities.

Our response and procedures applied:

Our procedures in relation to the provisions and contingent liabilities relating to taxation, litigations and claims included:

- Understanding the process followed by the Group for assessment and determination of the amount of provisions and contingent liabilities relating to taxation, litigations and claims;
- Evaluating the design and implementation and testing operating effectiveness of key internal controls around the recognition and measurement of provisions and re-assessment of contingent liabilities;
- Assessing the value of significant provisions and contingent liabilities relating to taxation matter, on sample basis, in light of the nature of the exposures, applicable regulations and related correspondence with the authorities;
- Inquiring the status in respect of significant provisions and contingent liabilities with the Group's internal tax and legal team, including challenging the assumptions and critical judgements made by the Group which impacted the computation of the provisions and inspecting the computation;
- Assessing the assumptions used and estimates of outcome and financial effect, including considering judgement of the Group, supplemented by experience of similar decisions previously made by the authorities and, in some cases, relevant opinions given by the Group's advisors;
- Review of data and documents for completeness and accuracy;
- Evaluating judgements made by the Group by comparing the estimates of prior year to the actual outcome;
- Evaluating the Group's disclosures in the consolidated financial statements in respect of provisions and contingent liabilities.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information,

consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

The director's report was not made available to us as at the date of this Auditor's report. We have nothing to report in this regard.

Management's Responsibilities for the Consolidated Financial Statements

The Holding Company's management and Board of Directors is responsible for the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Boards of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Boards of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Directors either intend to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management and Board of Directors.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by other auditors or other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in paragraph of the section titled "other matters" in the audit report.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- a. We did not audit the financial statements of 1 subsidiary whose financial statements reflect total assets of ₹2915.57 lakhs as at March 31, 2022, total revenue of ₹818.96 lakhs and total net profit after tax of ₹82.42 lakhs, total comprehensive income of ₹81.96 lakhs and net cash flows of ₹Nil for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other independent auditor whose report on financial statements has been furnished to us by the management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, is based solely on the report of the other auditor and the procedures performed by us are as stated in paragraph above. Our opinion on the consolidated financial statements is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditor.
- b. The consolidated financial statements include the unaudited financial information of 2 overseas subsidiaries, whose financial information reflects total assets of ₹578.07 lakhs as at March 31, 2022, total revenue of ₹184.60 lakhs and total net loss of ₹3.04 lakhs, total comprehensive income of ₹(3.61) lakhs and net cash outflows of ₹174.03

lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial information are unaudited and have been furnished to us by the management and our opinion in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on such unaudited financial information. In our opinion and according to the information and explanations given to us by the Management, this financial information is not material to the Group. Our opinion on the consolidated financial statements is not modified in respect of the above matter with respect to our reliance on the financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditor on separate financial statements of a subsidiary as was audited by the other auditor, as mentioned in the "other matters" paragraph we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2022 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the Holding Company and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those companies.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the Holding Company to its directors during the year is in excess of the limits laid down under section 197 of the Act. Details of remuneration paid in excess of the limit laid down under this section are given below:

Financial year	Amount of excess remuneration (₹ in lakhs)	Remarks
March 31, 2022	13.64	Remuneration payable to Mr. Marzin R Shroff (Managing Director and CEO of the Holding Company) exceeds the limit prescribed under section 197 by ₹13.64 lakhs and is subject to shareholders approval. The Holding Company has charged off the excess remuneration payable in the Statement of Profit and Loss for the year ended March 31, 2022.
March 31, 2022	48.01	Remuneration/Commission payable to directors (other than whole-time director) of the Holding Company exceeds the limit prescribed under section 197 by ₹48.01 lakhs and is subject to shareholders approval. The Holding Company has charged off the excess remuneration payable in the Statement of Profit and Loss for the year ended March 31, 2022.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us and based on the considerations of the reports of the other auditors on separate financial statements of the subsidiary as noted in "Other Matter" paragraph:

- i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group.
- ii) The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable;
- iii) There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India.
- iv) (a) The respective Managements of the Holding Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall,

directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The respective Managements of the Holding Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Holding Company or any of such subsidiaries from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, performed by us on the Holding Company and its subsidiaries audited by us and those performed by other auditor on one subsidiary audited by the other auditor,

which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us or the other auditor to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v) The Holding Company or its subsidiaries have not declared or paid any dividend during the year.

2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/"CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Holding Company and its subsidiaries included in the consolidated financial statements of the Group, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports except as below.

Name of the entity	CIN	Relationship	Clause number of the CARO report.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Eureka Forbes Limited (formerly known as Forbes Enviro Solutions Ltd) of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

Opinion

In conjunction with our audit of the consolidated financial statements of Eureka Forbes Limited (the “Holding Company”) as of and for the year ended March 31, 2022, we have audited the internal financial controls over financial reporting with respect to the consolidated financial statements of the Holding Company and its subsidiary companies incorporated in India (the Holding Company and its subsidiaries incorporated in India collectively referred to as “the Group”) as of that date.

In our opinion, to the best of our information and according to the explanations given to us, and based on the consideration of report of other auditor referred to in the other matter paragraph below, the Holding Company and its subsidiaries incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022 based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (‘the Guidance Note’) issued by the Institute of Chartered Accountants of India (‘the ICAI’).

Management’s Responsibility for Internal Financial Controls

The respective Boards of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance

Note”) issued by the Institute of Chartered Accountants of India (“ICAI”) and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion

or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other matter

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to a subsidiary incorporated in India whose financial statements have been audited by the other auditor is based on the report

of the other auditor of the said subsidiary. Our opinion is not modified in respect of this matter.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2022

Background

Eureka Forbes Limited (formerly Forbes Enviro Solutions Limited) is a limited company incorporated and domiciled in India with its registered office situated at B1/B2, 701, Marathon Innova, Off Ganpatrao Kadam Marg, Lower Parel, (West), Mumbai – 400 013.

Prior to acquisition of the Health, Hygiene Safety Products and Services Undertaking ('the Undertaking') pursuant a Scheme of Arrangement approved by the Hon'ble National Company Law Tribunal on January 25, 2022 (Refer Note 29(VI)) for detailed description of the Scheme), as a running business with effect from February 01, 2022, the Company was engaged in manufacturing and trading water and waste water treatment plants and related operation and maintenance contracts. Subsequent to the acquisition of the said Undertaking, the Company and Group is also engaged in the business of manufacturing, trading, selling, renting and servicing of vacuum cleaners, water filter cum purifiers, electronic air cleaning systems and similar products.

Based on the approval received from BSE Ltd., the equity shares of the Company were listed on BSE Limited on March 16, 2022.

Note 1:

A. Basis of preparation of consolidated financial statements

This note provides a list of significant accounting policies adopted in the preparation of these consolidated financial statements. These policies have been consistently applied to all the years presented unless otherwise stated.

(a) Compliance with Indian Accounting Standards (Ind AS)

These consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

(b) Historical Cost convention

The Consolidated financial statements have been prepared on a historical cost basis, on accrual basis of accounting except for certain financial assets and liabilities (including derivative instruments) that are measured at fair value.

(c) Functional and presentation currency

These consolidated financial statements are presented in Indian Rupees (₹), which is also the group's functional currency.

(d) Use of estimates and judgements

In preparing these consolidated financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the consolidated financial statements is included in the following notes:

Note 2(g) and 3(a) – Useful lives of Property, plant and equipment

Note 2(h) and 4 – Useful and indefinite lives of Intangible assets

Note 2(i) and 25 – Employee Benefit Expense

Note 19 and 29(l)(a) – Provisions and Contingent liabilities

Note 5 (a) – Estimated Fair Values of Unlisted Securities

Note 19 – Estimation for provision of Warranty Claims

Note 6 – Impairment of Trade Receivables

Note 10, Note 28 and Note 2(n) – Income taxes

Note 9, Note 28 and Note 2(n) – Recognition of Deferred taxes

Note 2(m) – Refund Liabilities

Note 2(q) - Impairment of Goodwill on consolidation

Note 29(IX) - Impact of Covid-19

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the next year is included in the note below.

Note 29(1) and 29 (XI) – Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources.

Impairment

Assets are tested for impairment on an annual basis and whenever there is an indication that the recoverable amount is less than its carrying amount based on a number of factors including operating results, business plans, future cash flows and economic conditions. The recoverable amount is determined based on higher of value-in-use and fair value less cost to sell. Market related information and estimates are used to determine the recoverable amount. Key assumptions on which management has based its determination of recoverable amount include estimated long term growth rates, weighted average cost of capital and estimated operating margins. Cash flow projections take into account past experience and represent management's best estimate about future developments.

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

(e) Measurement of fair values

A number of the group's accounting policies and disclosures require the measurement of fair values, for both financial assets and liabilities.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the assets or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy that categorises into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and lowest priority to unobservable inputs (Level 3 inputs).

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in Note 33 – Financial instruments.

B. Principles of Consolidation

(a) The Consolidated Financial Statements relate to Eureka Forbes Limited (the "Company"), and its subsidiaries (the Company and its subsidiaries constitute the "Group") which have been prepared in accordance with the Indian Accounting Standard on Consolidated Financial Statements (Ind AS) 110 and Investments in Associates and Joint Ventures (Ind AS) 28 specified under section 133 of the Companies Act, 2013. Further the Consolidated Financial Statements include investments in associates accounted for using equity method in accordance with the Accounting Standard on Accounting for Investments in Associates in Consolidated Financial Statements (Ind AS) 28 specified under section 133 the Companies Act, 2013.

(b) The financial statements of the Company and its subsidiaries have been consolidated on line-by-line basis by adding together the book values of like items of assets,

liabilities, income and expenses, after fully eliminating intra-group balances, intra-group transactions and resulting unrealised profits or losses.

(c) The excess of cost of investment in the subsidiary over the Group's portion of equity of the subsidiary, at the date on which investment is made, is recognised in the financial statements as Goodwill on Consolidation.

(d) The excess of Group's portion of equity of the subsidiary over the cost of the investments by the Group, at the date on which investments is made, is treated as Capital Reserve on Consolidation.

(e) The Goodwill / Capital Reserve is determined separately for each subsidiary company and such amounts are not set off between different entities.

(f) Non-controlling Interests in the net assets of the subsidiaries consist of :

(i) The amount of equity attributable to non-controlling interest at the date on which investment is made; and

(ii) The non-controlling interest's share of movements in the equity since the date the parent-subsidiary relationship came into existence. The losses applicable to the non-controlling interest in a consolidated subsidiary may exceed the non-controlling interest in the equity of subsidiary. The excess, and any further losses applicable to the non-controlling interest, are adjusted against the controlling interest except to the extent that the non-controlling interest has a binding obligation to, and is able to, make good the losses.

(g) Figures pertaining to the subsidiaries have been reclassified wherever necessary to bring them in line with the Company's financial statements.

(h) Subsidiaries:

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries. Control is achieved when the company has :

- Power over the investee
- Is exposed or has rights to variable returns from its involvement with the investee, and
- has the ability to use its Power over the investee to affect its returns

Subsidiaries are included in the consolidated financial statements from the point in time at which the control is transferred to the Group and are no longer included in the consolidated financial statements from the point in time at which the control ceases.

The list of subsidiary companies which are included in the consolidation and the Group's holdings therein are as under:

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

Name of the Subsidiary (with effect from February 1, 2022)	Incorporated in	Percentage of Holding and Voting power (%)
		As at March 31, 2022
Forbes Aquatech Limited	India	88.49
Infinite Water Solutions Private Limited	India	100
Euro Forbes Limited	UAE	100
Forbes Lux FZCO	UAE	100

(i) Jointly Controlled Entities and Associates:

Interests in jointly controlled entities comprise the share of the Group's interest in a company in which the Group has acquired joint control over its economic activities by contractual agreement.

Entities are consolidated as Jointly controlled entities or associates when the Group, either directly or indirectly, has a long-term holding usually corresponding to at least 20% but not more than 50% of the voting rights and on the basis of which the Group has a joint control or significant influence during the year, unless it can be clearly proven otherwise.

Interests in jointly controlled entities and associate companies are included in the consolidated financial statements of the Group from the point in time at which the joint control or significant influence is transferred to the Group and are no longer included in the consolidated financial statements from the point in time at which the joint control or significant influence ceases. Interests in joint ventures and associate entities are aggregated in the consolidated financial statements by using Equity Method specified in Indian Accounting standard (Ind AS) 28.

The Group's holdings in jointly controlled entities and associate companies are reported in the Consolidated Balance Sheet at an amount corresponding to the Group's share of the jointly controlled entities and associate companies' net assets including goodwill / capital reserve on consolidation and any impairment.

When the Group's share of any accumulated losses exceed the acquisition value of an investment, the book value is set to zero and the reporting of future losses ceases, unless the Group is committed on the basis of guarantees or other obligations to the company in question.

The portion of unrealised profits and losses corresponding to the Group's participation in the jointly controlled entity and associate company is eliminated in conjunction with transactions between the Group and the jointly entities and associate companies; however unrealised losses are not eliminated if the cost of the transferred asset cannot be recovered. The corresponding adjustment is made to the value of investments in the jointly controlled entities and associate companies.

Note 2: SIGNIFICANT ACCOUNTING POLICIES

(a) (i) Foreign currency transactions

Transactions in currencies other than company's functional currency i.e. Indian Rupee are recognised at the exchange rate prevailing at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate prevailing at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are not re-translated. Exchange differences are recognised in profit or loss not retranslated, except exchange differences arising from the translation of the equity investments which are recognised at fair value through OCI (FVOCI) are recognised in other comprehensive income.

(ii) Foreign Subsidiaries

The consolidated financial statements includes two subsidiaries (previous year: nil) incorporated outside India whose financial statements have been drawn up in accordance with the generally accepted accounting practices (GAAP) as applicable in those countries. These financial statements have been re-stated in Indian Rupees and the resultant exchange gain / loss on conversion has been carried forward as Foreign Currency Translation Reserve. In the opinion of the Management, based on the analysis of the significant transactions at subsidiaries, no material adjustments are required to be made to comply with group accounting policies / Indian GAAP.

(b) Financial Instruments

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

(i) Financial Assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Investment in equity instruments of subsidiary, associates and joint ventures are measured at cost less impairment. All other financial assets are subsequently measured at fair value.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognised in profit or loss and is included in the "Other income" line item.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item.

Investments in equity instruments at fair value through other comprehensive income (FVTOCI)

On initial recognition, the Group can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserve for 'equity instruments through other comprehensive income'.

(ii) Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL. Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item.

Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument. Financial guarantee contracts issued by the Parent Company are measured at their fair values.

(c) Derecognition

Financial Assets

The group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the group enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

Financial Liabilities

The group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

(d) Impairment

(i) Impairment of financial asset

The Group recognises loss allowances for expected credit loss on financial assets measured at amortised cost, trade receivables, other contractual rights to receive cash or other financial assets and financial guarantee not designated as FVTPL.

The Group measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses :

- bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument. The Group follows 'simplified approach' for recognition of impairment loss allowance for trade receivables. The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime expected credit loss at each reporting date, right from its initial recognition.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum

contractual period over which the group is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Entity's historical experience and informed credit assessment and including forward-looking information.

(ii) Impairment of non-financial assets

The Entity's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

The Entity's corporate assets do not generate independent cash inflows. To determine impairment of a corporate asset, recoverable amount is determined for the CGUs to which the corporate asset belongs.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

An impairment loss in respect of assets other than goodwill for which impairment loss has been recognised in prior periods, the Entity reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

(e) Cash and cash equivalents

For the purpose of presentation in the statement of cash flow, cash and cash equivalents including cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

(f) Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of inventories is based on the weighted average method, and includes expenditure incurred in acquiring the inventories and other costs incurred in bringing them to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

The comparison of cost and net realisable value is made on an item-by-item basis.

The Net realisable value of work-in-progress is determined with reference to the selling prices of related finished products.

Raw Materials and other supplies held for use in the production of finished products are not written down below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realisable value.

(g) Property plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Property, plant and equipment acquired in a business combination are recognised at fair value at the acquisition date.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the group.

Depreciation methods, estimated useful lives and residual value

Depreciation has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset,

past history of replacement, anticipated technological changes etc.

The estimated useful lives of property, plant and equipment for the current and comparative periods (as applicable) are as follows -

In the case of Indian Entities

Type of Assets	Period
Plant & Machinery for cleaning services	5 years
Plant & Machinery on rent	6 years
Motor Cycles	3 years
Motor Cars	5 years
Office Equipment	3-5 years

In the case of Foreign Entities

Type of Assets	Period
Vehicles	5 years
Furniture and Office Equipment	2-5 years

(h) Intangible assets

Intangible assets are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.

Amortisation

Intangible assets acquired in a business combination are recognised at fair value at the acquisition date. Subsequently, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

The useful lives of intangible assets are assessed as finite or indefinite. Finite-life intangible asset are amortised on a Straight line basis over the period of their estimated useful lives. Estimated useful lives by major class of finite life intangible assets are as follow:

Type of Assets	Period
Technical Knowhow	5 years
Computer Software	5 years
Distributor network-Service	10 years
Distributor network-Product	10 years

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

Indefinite - life intangible assets comprises trademark and brands for which there is no foreseeable Limit to the period over which they are expected to generate net cash inflows. These are considered to have an indefinite life, given the strength and durability of the brands and the level of marketing support.

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

For Indefinite life intangible assets, the assessment of indefinite life is reviewed annually to determine whether it continues, if not, it is impaired or changed prospectively basis revised estimates.

Goodwill is initially recognised based on the accounting policy for Business combination and is tested for impairment annually.

(i) Employee Benefits

(i) Short Term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

(ii) Defined Contribution Plans

Defined contribution plans are employee state insurance scheme and Government administered pension fund scheme for all applicable employees and superannuation scheme for eligible employees. The group's contribution to defined contribution plans are recognised in the Statement of Profit and Loss in the consolidated financial year to which they relate.

The company makes specified monthly contributions towards Employee Provident Fund scheme to a separate trust administered by the Company / deposited to EPFO. The minimum interest payable by the trust to the beneficiaries is being notified by the Government every year. The Company has an obligation to make good the shortfall, if any, between the return on investments of the trust and the notified interest rate.

(iii) Defined Benefit Plans

Gratuity Scheme

The Company operates a defined benefit gratuity plan for employees. The Gratuity plan for the existing employee of the company is funded through a policy of Life Insurance Corporation. In respect of the employee of the business undertaking acquired during the year, the Company contributes to a separate trust administered by the Company towards meeting the Gratuity obligation. The Company's liability is determined on the basis of an actuarial valuation. Remeasurements of the net defined benefit liability as per the actuarial valuation report, which comprise actuarial gains and losses are recognised in OCI.

In the case of certain Indian Subsidiaries,

In case of certain Indian Subsidiaries, the gratuity liability is unfunded. The group accounts for gratuity benefits payable in future based on the calculation performed annually by a qualified actuary using the projected unit credit method at the end of the year. Actuarial Gains and Losses are recognised in OCI.

Other long term employee benefits

Entitlements to annual leave are recognised when they accrue to employees. The Company determines the liability for such accumulated leaves using the Projected Accrued Benefit method with actuarial valuations being carried out at each Balance Sheet date.

There are other Group companies that have internal or external pension plans. However these plans are not material for the Group and therefore no further information is disclosed.

Since the above pension plans are operated as per the laws of respective countries, no adjustment has been carried out for differences if any with Indian GAAP as the same is considered to be immaterial.

(j) Research and Development

(a) Capital Expenditures are shown separately under respective heads of fixed assets.

(b) Revenue expenses are included under the respective heads of expenses.

(k) Lease Accounting

Ind AS 116 sets out principles for the recognition, measurement, presentation and disclosure of leases. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. For all leases except as noted above, a lessee is required to recognise a right-of-use asset (ROU Asset) representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments in the balance sheet. Lessee will recognise depreciation of right-of-use assets and interest on lease liabilities in the statement of profit and loss.

(i) The Group as a lessee

The Group's lease asset classes primarily consist of leases for Premises. The group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the group assesses whether: (1) the contract involves the use of an identified asset (2) the group has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

term and low value leases, the Group recognises the lease payments as an operating expense on a straight-line basis over the term of the lease. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases.

The lease payments that are not paid at the commencement date are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Group, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

Lease payments included in the measurement of the lease liability comprise:

- Fixed lease payments (including in-substance fixed payments) payable during the lease term and under reasonably certain extension options, less any lease incentives;
- Variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- The amount expected to be payable by the lessee under residual value guarantees;
- The exercise price of purchase options, if the lessee is reasonably certain to exercise the options; and
- Payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

As a practical expedient, Ind AS 116 permits a lessee not to separate non-lease components when bifurcation of the payments is not available between the two components, and instead account for any lease and associated non-lease components as a single arrangement. The Group has used this practical expedient. Contingent and variable rentals are recognised as expense in the periods in which they are incurred.

The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

The Group remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever:

- The lease term has changed or there is a change in the assessment of exercise of a purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.
- A lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. Whenever the Company incurs an obligation for costs to dismantle and remove a leased asset, restore the site on which it is located or restore the underlying asset to the condition required by the terms and conditions of the lease, a provision is recognised and measured under Ind AS 37. The costs are included in the related right-of-use asset, unless those costs are incurred to produce inventories.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The Group has entered into lease arrangements as a lessee for premises for operating customer relationship center, guest houses, head office and regional offices, residential premises for their employees so as to help the employees to get settled to new location and warehouse for receiving, storing and dispatch of goods and vehicles. The average term of leases entered into is 3 years. In case of warehouses, on the basis of past practice the entire period of the contract has been considered for lease term depending on the reasonable certainty to continue with the same service provider. Generally, these lease contracts do not include extension or early termination options.

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

Extension and termination options are included in many of the leases. In determining the lease term the management considers all facts and circumstances that create an economic incentive to exercise an extension option, or not exercise a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The aggregate depreciation expense on ROU assets is included under depreciation and amortisation expense in the statement of Profit and Loss.

(ii) The Group as a lessor

Leases for which the Group is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. Ind AS 116 does not change substantially how a lessor accounts for leases. Under Ind AS 116, a lessor continues to classify leases as either finance leases or operating leases and account for those two types of leases differently. However, Ind AS 116 has changed and expanded the disclosures required, in particular with regard to how a lessor manages the risks arising from its residual interest in leased assets.

When the Group is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognised on a straight line basis over the term of the relevant lease.

(l) Government Grant

Government grants related to income under State Investment Promotion Scheme linked with VAT / GST payment, are recognised in the Statement of Profit and Loss in the period in which they become receivable.

(m) Revenue Recognition

The Group derives Revenue from sale of products primarily water purifiers and vacuum cleaners and providing related maintenance services. Revenue from sale of goods is recognised when control of the products being sold has transferred to the customer upon delivery. Revenue is measured net of taxes, returns, discounts, incentives and rebates earned by customers on the sales. Revenue from services are recognised over the period of time.

A refund liability (included in other current liabilities) is recognised for expected volume discounts payable to

customers in relation to sales made until the end of the reporting period.

In relation to certain contracts where installation services are provided by the group, same is accounted as a separate performance obligation. Payment of the transaction price is due immediately when the customer purchases the goods/services except in certain cases where a credit term is agreed between group and customers.

Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur. An estimate is made for goods that will be returned and a liability has been recognised for this amount as refund liability (included in other current liabilities). An asset has also been recorded (included in other current assets) for the corresponding inventory that is estimated to return to the group using a best estimate based on accumulated experience.

Group's obligation to repair or replace faulty products under the standard warranty terms is recognised as provision.

Dividend income is recognised when the right to receive payment is established and known.

Interest income from financial asset is recognised when it is probable that the economic benefit will flow to the company and the amount of income can be measured reliably. Interest income is accrued on time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(n) Taxation

Income tax comprises current and deferred tax. It is recognised in profit & loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income, in which the current and the deferred tax is also recognised directly in equity or in other comprehensive income.

Current Tax

Current tax is measured on the basis of estimated income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to tax authorities.

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

The entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events.

Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax liability are generally recognised for all taxable temporary differences. Deferred tax asset (including in respect of carried forward tax losses and tax credits) are recognised to the extent it is probable that the taxable profit will be available against which deductible temporary differences can be utilised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

Uncertain Tax position

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. The provision is estimated based on one of two methods, the expected value method (the sum of the probability weighted amounts in a range of possible outcomes) or the single most likely amount method, depending on which is expected to better predict the resolution of the uncertainty.

(o) Earnings Per Share

The group presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the group by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding after adjusting for the effects of all potential dilutive ordinary shares.

(p) Provisions and Contingencies

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

The amount recognised as provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period taking into account the risk and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation its carrying amount is the

present value of those cash flows (where the effect of the time value of money is material)

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Contingent Liabilities are not recognised in the financial statements but are disclosed in the notes.

Contingent assets are disclosed where inflow of economic benefit is probable.

(q) Goodwill On Consolidation

Goodwill is deemed to have an indefinite useful life and is reported at acquisition value with deduction for accumulated impairments. Goodwill is tested for impairment on an annual basis and whenever there is an indication that the recoverable amount of a cash generating unit is less than its carrying amount based on a number of factors including operating results, business plans, future cash flows and economic conditions. The recoverable amount of cash generating units is determined based on higher of value-in-use and fair value less cost to sell. The goodwill impairment test is performed at the level of the cash generating unit or groups of cash-generating units which are benefitting from the synergies of the acquisition and which represents the lowest level at which goodwill is monitored for internal management purposes. Market related information and estimates are used to determine the recoverable amount. Key assumptions on which management has based its determination of recoverable amount include estimated long term growth rates, weighted average cost of capital and estimated operating margins. Cash flow projections take into account past experience and represent management's best estimate about future developments."

(r) Borrowing Cost

Borrowing Cost includes interest, amortisation of ancillary cost incurred in connection with the arrangement of borrowings and exchange difference arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing cost, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised, if any. All other borrowing costs are expensed in the period in which they occur.

(s) Derivatives

The Group enters into certain derivative contracts to hedge risks which are not designated as hedge. Such contracts are accounted for at fair value through the Statement of Profit and Loss.

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

(t) Assets Classified as held for sale

Noncurrent assets (or disposal groups) are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. These assets are measured at lower of their carrying amount and fair value less costs to sell. Non current assets (or disposal group) are presented separately from the other assets in the balance sheet. The liabilities of disposal group, if any, are presented separately from the other liabilities in the balance sheet.

(u) Business Combination

Business combinations are accounted for using the acquisition accounting method as at the date of the acquisition. The consideration transferred in the acquisition and the identifiable assets acquired and liabilities assumed are recognised at fair values on their acquisition date. Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred over the net identifiable assets acquired and liabilities assumed. Consideration transferred does not include amounts related to settlement of pre-existing relationships. Such amounts are recognised in the Statement of Profit and Loss.

Transaction costs are expensed in the statement of profit and loss as incurred, other than those incurred in relation to the issue of debt or equity securities which are directly adjusted in other equity.

(v) Segment Reporting

The Group is primarily engaged in the business of Health, Hygiene & Safety products and its services. As the basic nature of these activities are governed by the same set of risk and returns, there is no primary segment identified as per Indian Accounting Standards (Ind AS) 108 "Operating Segments" notified under section 133 of the Companies Act 2013. The Group has identified geographical segment as its secondary segment.

(w) Standards issued but not yet effective

On March 23, 2022, Ministry of Corporate Affairs ('MCA') amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 01, 2022, as below:

1 Ind AS 103 – Business Combinations

The amendment clarifies that while applying the acquisition method for recognition, the assets and liabilities taken over, in a business combination, must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. The Company does not expect the amendment to have any impact in its financial statements.

2 Ind AS 16 – Property, Plant and Equipment

The amendment requires that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The Group does not expect the amendment to have any significant impact in its financial statements.

3 Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets

The amendment clarifies in relation to onerous contracts that the cost of fulfilling a contract comprises the costs that relate directly to the contract which consist of incremental costs of fulfilling that contract (examples would be direct labour, materials) and an allocation of other costs that relate directly to fulfilling contracts. The Group does not expect the amendment to have any significant impact in its financial statements.

4 Ind AS 41 – Agriculture

The amendment relates to recognition and measurement of biological assets or agricultural produce. These amendments will not have any impact on the Group's financial statements.

5 Ind AS 109 – Financial Instruments

The amendment clarifies that while determining the fees paid (net of fees received) when a borrower applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability, the borrower to include only fees paid or received between the borrower and the lender, including fees paid or received by either the borrower or lender on the other's behalf. The Group does not expect the amendment to have any significant impact in its financial statements.

Notes to the Consolidated Financial Statements

Description of nature and purpose of reserves

1) Foreign Exchange Translation Reserve

Exchange differences relating to the translation of the results and net assets of Group's foreign operations from their functional currencies to the Group's presentation currency (i.e. ₹) are recognised directly in other comprehensive income and accumulated in the foreign currency translation reserve. Gain and losses on derivatives that are designated as hedging instruments for hedges of net investments in foreign operations are included in the foreign currency translation reserve. Exchange differences previously accumulated in the foreign currency translation reserve (in respect of translating both the net assets of foreign operations and hedges of foreign operations) are reclassified to profit or loss on the disposal of foreign operations.

2) Capital Reserve

The Capital reserve has been created on cancellation of shares held by then existing shareholders of the company as per the composite scheme of arrangement approved by the national company Law tribunal on January 25, 2022. Further, the excess of Group's portion of equity of the subsidiary over the cost of the investments by the Group, at the date on which investments is made, is included as Capital Reserve on Consolidation.

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

Note 15 - Other equity (Contd.)

3) Retained Earnings

This reserve represents the cumulative profits of the group and the effects of remeasurement of defined benefit obligations. The reserve can be utilised in accordance with the provision of the Companies Act 2013.

4) Securities premium

Securities premium is used to record the premium on issue of shares. The reserve can be utilised in accordance with the provisions of the Companies Act, 2013

Summary of borrowing arrangements

Note a. Rupee Term loan (RTL) includes loan from ICICI Bank amounting to ₹10,000.00 Lakhs (Outstanding as on March 31, 2022 ₹7,500.00 Lakhs) carries interest rate of 1 year MCLR + Spread and secured against pari pasu charge on tangible assets and brand name/ trade marks (excluding vehicles and two wheelers purchased under Employee Benefit Scheme). The outstanding amount is payable 12 equal quarterly instalment starting from June 18, 2022.

Note b. Rupee Term loan includes Covid 19 Emergency Credit Line (CECL) sanctioned and disbursed on May 6, 2020 under Government of India Emergency Credit Line Scheme by State Bank of India SME Branch, Dehradun (original amount of loan - ₹ 30.00 lakhs and Outstanding as on March 31, 2022 is ₹ 1.61 Lakhs) and carries an interest at 7.40% per annum. Total tenure of the loan is 24 months with moratorium of 6 months, wherein interest is payable for full tenure of 24 months (at monthly frequency on closing balance) while principal is repayable in 18 monthly instalments of ₹166,667/- from November 2020 onwards. The Loan is secured by hypothecation of the entire stock of inventories and receivables and is collaterally charged by movable property, plant and equipment of Company's Subsidiary ('IWSL').

Note c. Term loan includes Guaranteed Emergency Credit Line (GECL) sanctioned and disbursed on June 11, 2020 under Government of India Emergency Credit Line Scheme by State Bank of India SME Branch, Dehradun (original amount of loan - ₹ 53.00 lakhs and Outstanding as on March 31, 2022 is ₹ 38.18 Lakhs) and carries an interest at 7.40% per annum. Total tenure of the loan is 48 months with moratorium of 12 months, wherein interest is payable for full tenure of 48 months (at monthly frequency on closing balance) while principal is repayable in 36 monthly instalments of ₹147,223/- from June 2021 onwards. The Loan is secured by hypothecation of the entire stock of inventories and receivables and is collaterally charged by movable property, plant and equipment of Company's Subsidiary ('IWSL').

Note d. Unsecured short term borrowing from banks carries interest @ 8.95% p.a.

Note e. Short term borrowing from banks is secured by pari-passu charge on hypothecation of stock-in-trade & book debts and carries interest @ 8.50% to 10.50% p.a.

Note f. Short term borrowing from bank also includes loan taken by Company's Subsidiary ('IWSL'). This is primarily secured by hypothecation of the Company's Subsidiary ('IWSL') entire stock of inventories and receivables and is collaterally charged by movable property, plant and equipment. It carries a rate of interest of EBLR + 1.55%.

Note g. No amount are pending to be utilised from the borrowings outstanding as on March 31, 2022.

Note h. The Group has not been declared wilful defaulter by any bank or financial institution or other lender.

II a) The Group has given certain office / factory premises and moulds on operating lease basis. Details of which are as follows -

Particulars	Building		Plant and Machinery (Moulds)	
	As at March 31, 2022	As at March 31, 2021	As at March 31, 2022	As at March 31, 2021
	Gross Amount	481.49	-	35.66
Accumulated Depreciation	139.92	-	28.10	-
Depreciation for the year	3.17	-	0.27	-

b) The Group has given commercial premises under cancellable operating lease. Lease rental income included in the statement of profit and loss for the year is ₹0.77/- Lakhs (Previous Year ₹NIL Lakhs) for Premises.

III The Group is primarily engaged in the business of Health, Hygiene, Safety Products and Services. Information reported to and evaluated regularly by chief operating decision maker for the purpose of resource allocation and assessing performance focuses on the business as a whole. Accordingly there is no other separate segment as per Indian Accounting Standard 108 dealing with "Operating Segment". The geographical segmentation is insignificant as the export turnover is less than 10% of the total turnover and also company's Non Current assets (other than Financial Instrument, deferred tax, post employment benefits and rights arising under insurance contracts) are located in India.

Revenue from transactions with a single external customer did not amount to 10% or more of the Groups revenue from external customers for current and previous year.

Revenue from External Customers :

Particulars	₹ in Lakhs	
	Year ended March 31, 2022	Year ended March 31, 2021
India	37,936.50	783.88
Outside India	238.51	0.75
Total Revenue	38,175.01	784.63

IV The Group did not have any transactions with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956 during the current year and previous year.

V No funds have been advanced or loaned or invested by the Group to/in any intermediary with the understanding that the intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries. Further, no funds have been received from any person or entity ("Funding parties") with the understanding that the Group shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party or provide any guarantee, security or the like on behalf of the Funding Party.

VI The Board of Directors of Eureka Forbes Limited (Formerly known as Forbes Enviro Solutions Ltd) ("the Company") and erstwhile Eureka Forbes Ltd at their Board Meeting held on September 08, 2020, had inter alia, approved the Composite Scheme of Arrangement ("the scheme") under Section 230 to 232 and other applicable provisions of the Companies Act, 2013 and the rules and regulations made thereunder. The Scheme, inter alia, provided for amalgamation and vesting of erstwhile Aquaignis Technologies Private Limited ("ATPL"), erstwhile Eureka Forbes Limited (EFL) and erstwhile Euro Forbes Financial Services Limited ("EFFSL") with and into erstwhile Eureka Forbes Limited. Further, upon the above part of the scheme becoming effective, amalgamation and vesting of Erstwhile Eureka Forbes Limited with and into Forbes and Company Limited (FCL). Further, upon the above part of the scheme becoming effective, demerger and vesting of Demerged Undertaking (Health, Hygiene, Safety Products and Services Undertaking, as defined in the scheme) of FCL into the Company on a going concern basis. The Hon'ble National Company Law Tribunal ("the NCLT"), Mumbai vide its order dated January 25, 2022 approved/ sanctioned the aforesaid Composite Scheme of Arrangement. Upon receipt of the certified copy of the order, the scheme was made effective by filing Form INC 28 with the Registrar of Companies on February 1, 2022. Further, the name of the company has been changed to Eureka Forbes Ltd, vide Fresh Certificate of Incorporation dated February 11, 2022. Pursuant to the Share Purchase Agreement dated September 19, 2021 ("SPA") executed between inter alia the Company Lunolux Limited ("Acquirer"), Shapoorji Pallonji and Company Private Limited ("Seller"), Forbes Campbell Finance Limited

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

Note 29 - Additional information to the consolidated financial statements (Contd.)

("FCFL"), Forbes & Company Limited and erstwhile Eureka Forbes Limited for the acquisition by the Acquirer of a majority stake in the health and safety solutions business represented by up to 72.56% of the total issued and paid-up share capital of the Company from the Seller, the Acquirer has acquired 123,555,843 equity shares representing 63.86% of the total issued and paid-up share capital of the Company on April 25, 2022.

Consequent to such transfer, the Acquirer has become a promoter of the Company with effect from April 25, 2022. The Company has also received request letters from the Seller and FCFL along with necessary documents, under the provisions of Regulation 31A of the SEBI (LODR) Regulations for their de-classification as "promoter/promoter group."

VII As required under Indian Accounting Standard 24 on "Related Party Disclosures" the list of related parties and their transactions is attached. (Annexure 'A' and 'B').

VIII ₹300.98/- Lakhs (Previous year ₹Nil Lakhs) revenue expenses incurred during the year on Research and Development has been charged to the respective heads of accounts.

IX Impact of Covid-19:

The Group has considered the possible effects that may result from the pandemic relating to COVID-19 in the preparation of these consolidated financial statements including the recoverability of carrying amounts of financial and non-financial assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Group has, at the date of approval of these consolidated financial statements, used internal and external sources of information and expects that the carrying amount of these assets will be recovered. The impact of COVID-19 on the group's consolidated financial statements may differ from that estimated as at the date of approval of these consolidated financial statements.

X During the last quarter of the year, the Parent Company acquired existing sanctioned working capital limits in a business combination (refer Note 30) in excess of five crore rupees, in aggregate, from various banks on the basis of security of its current assets. The statements in respect of the quarter ended March 31, 2022 have not been filed by the Parent Company with the respective banks till the date of approval of this financial Statements.

Total	1,344.13	1.34

The following is the movement in lease liabilities during the year-

Particulars	₹ in Lakhs	
	Year ended March 31, 2022	Year ended March 31, 2021
Balance at the beginning	1.34	1.87
Additions due to business combination	1,428.60	-
Additions	95.96	8.24
Finance cost accrued during the period	23.03	0.41
Deletions	-	-
Gain/(Loss) on Modification/Disposal of Right of use assets	-	-
Payment of lease liabilities	(204.80)	(9.18)
Balance at the end	1,344.13	1.34

The table below provides details regarding the contractual maturities of lease liabilities on an undiscounted basis:

Particulars	₹ in Lakhs	
	As at March 31, 2022	As at March 31, 2021
Less than one year	815.97	1.34
One to five years	550.69	-
More than five years	38.97	-
Total	1,405.64	1.34

Rental expense recorded for short-term leases was ₹ 138.32 Lakhs /- (previous year ₹ 9.30 Lakhs) for the year ended March 31, 2022.

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Group makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Group considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Group's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After considering current and future economic conditions, the Group has concluded that no changes are required to lease period relating to the existing lease contracts.

Amounts recognised in profit and loss

Particulars	₹ in Lakhs	
	Year ended March 31, 2022	Year ended March 31, 2021
Depreciation expense on right-of-use assets	175.79	8.92
Interest expense on lease liabilities	23.03	(0.41)
Expense relating to short-term leases	138.32	9.30

Sensitivity Analysis

Particulars	₹ in Lakhs	
	Year ended March 31, 2022	Year ended March 31, 2021
Presented benefit obligation on current assumptions	2,073.04	14.84
Discount rate (1% increase)	(128.67)	(0.52)
Discount rate (1% decrease)	146.92	0.59
Future salary growth (1% increase)	150.24	0.59
Future salary growth (1% decrease)	(133.59)	(0.53)
Attrition movement (1% increase)	35.99	0.05
Attrition movement (1% decrease)	(40.43)	(0.06)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

In respect of foreign subsidiaries of the group, retirement benefits are governed and accrued as per local statutes and there are no defined benefit plans. The amount contributed to the defined contribution plan is charged to the Consolidated Statement of Profit & Loss on accrual basis. Hence the above table includes the details of Company's incorporated in India only.

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

Note 30 - Acquisition of Health, Hygiene, Safety Products and Services Undertaking

Under the scheme approved by the NCLT as described in Note 29(VI), the basis of accounting used for the merger of the Health, Hygiene, Safety Products and Services Undertaking is "acquisition method" of accounting under Ind AS 103 (Business combination). Fair Value consideration amounting to ₹ 406,596.62 Lakhs has been allocated to the respective fair values of tangible, intangible assets and all liabilities and residual value has been recognised as goodwill.

(A) Details of assets acquired:

The fair values of assets acquired and liabilities assumed as at the date of acquisition (February 1, 2022) were:

Particulars	₹ In Lakhs Amount
A Specified Tangible Asset	
Property Plant and Equipment	26,965.23
B Identified Intangible Asset	
Brand - Aquaguard	2,86,125.46
Brand - Forbes	4,993.80
Distribution network - Services	20,557.83
Distribution network - Products	3,966.24
Specified Intangible Asset	
Computer Software	118.07
Technical Know how	19.79
Other Assets	
Capital Advances	341.13
Right of Use Assets	1,629.45
Investments	8,655.28
Cash and Cash Equivalents	1,075.09
Othe Bank balances	68.34
Inventories	29,735.82
Sundry Debtors	14,003.69
Loans and Advances	408.94
Income Tax Asset	2,314.27
Deferred tax Asset	620.89
Other Current Assets	6,717.96
Total Identifiable Assets (i)	4,08,317.28
C Specified Liabilities	
Long term debt	26,107.16
Lease Liabilities	1,385.30
Trade Payables	19,747.35
Provisions	3,337.54
Other current liabilities	73,554.45
Total Identifiable liabilities (ii)	1,24,131.80
Net assets acquired (i) - (ii)	2,84,185.48
Goodwill (before Deferred tax Adjustments)	1,22,411.14
Total Fair Value Consideration	4,06,596.62

(B) Impact of acquisition on the Financial Statements:

The acquired business contributed revenue of ₹ 37,013.67 Lakhs, Earning before Interest, tax depreciation and Amortisation (EBITDA) of ₹2,215.53 Lakhs and Earning Before interest and tax (EBIT) of ₹903.85 Lakhs for the period from the date of acquisition (i.e February 1, 2022) till March 31, 2022. If the acquisition had taken place from April 1, 2021 the acquired business would have contributed an additional turnover of ₹ 1,65,500.92 Lakhs. With this the total turnover of the company for the year ended March 31, 2022 would have been ₹ 2,03,601.05 Lakhs.

The acquired goodwill has been further adjusted to the effect of deferred tax liabilities recognised on acquisition in respect of recognising identified intangibles assets.

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

Note 31 - Financial instruments

Capital management

The Group's objectives when managing capital are to:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- Maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Group may return capital to shareholders, issue new shares or sell assets to reduce debt.

Subsequent to acquisition of business during the year (refer note 30) the capital structure has undergone significant change. Consistent with the industry, the Group primarily, uses the gearing ratio to monitor and maintain the capital structure which is as follows:

Net debt (total borrowings net of cash and cash equivalents) divided by total 'equity' (as shown in the balance sheet).

The gearing ratios were as follows:

	₹ in Lakhs	
	As at March 31, 2022	As at March 31, 2021
Borrowings	24,280.01	150.00
Less: Cash and cash equivalents	1,775.80	21.31
Adjusted net debt	22,504.21	128.69
Total equity	4,07,734.42	13.87
Adjusted net debt to equity ratio	5.52%	927.83%

Note 32 - Earnings per share

The calculations of profit attributable to equity shareholders and weighted average number of equity shares outstanding for purposes of basic and diluted earnings per share calculation are as follows:

	₹ in Lakhs	
Particulars	Year ended March 31, 2022	Year ended March 31, 2021
Profit / (Loss) for the year attributable to equity share holders (₹ In Lakhs)	259.91	(163.03)
Face value per equity share	10	10
Weighted average number of equity shares used in the calculation of basic and diluted earnings per share (Nos.)	3,62,69,259	48,27,263
Basic and diluted earnings per share (₹)	0.72	(3.38)

Basic Earnings per share

The earnings and weighted average number of equity shares used in the calculation of basic earnings per share are as follows.

	₹ in Lakhs	
Particulars	Year ended March 31, 2022	Year ended March 31, 2021
Profit for the year attributable to owners of the Company	259.91	(163.03)
Weighted average number of equity shares for the purposes of basic earnings per share (Quantity in numbers)	3,62,69,259	48,27,263

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

*Mandatorily measured at fair value in accordance with Ind AS 109

*** Investments in equity instruments designated as such upon initial recognition in accordance with paragraph 5.7.5 of Ind AS 109.

These investments in equity instruments are not held for trading. Instead, they are held for medium or long term strategic purpose. Upon the application of IND AS 109, the Group has chosen to designate these investments in equity instruments at FVTOCI as it is believed that this provides a more meaningful presentation for medium or long term strategic investment than reflecting changes in fair value immediately in profit and loss account.

Fair value Hierarchy

This section explains the judgement and the estimates made in determining the fair values of the financial instruments that are recognised and measured at fair value:

	₹ in Lakhs			
Financial assets and liabilities measured at fair value - recurring fair value measurements At March 31, 2022 (Refer note Below)	Level 1	Level 2	Level 3	Total

Description of significant unobservable inputs to valuations for level 3 items

Significant unobservable Inputs	Relationship of unobservable Inputs to fair value
Long term revenue growth rates taking into accounts managements experience and knowledge of market conditions of the specific industries	A slight increase in the long term revenue growth rates used in isolation would result in increase in fair value
Long term pre tax operating margin taking into account managements experience and knowledge if market conditions of the specific industries	A significant increase in the long term pre tax operating margin used in isolation would result in increase in fair value
Weighted average cost of capital (WACC), determined using a Capital Asset pricing Model	A slight increase in the WACC used in isolation would result in decrease in Fair value

Valuation techniques and significant unobservable inputs

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments.
- All of the resulting fair value estimates are included in level 1 except for unlisted equity securities where the fair values have been determined based on present values & the discount rates used were adjusted for counterparty / own credit risk.
- The carrying amount of Trade receivables, Trade payables, cash and Cash Equivalents are considered to be the same as their Fair Values, due to their short term in nature.
- The Fair value of financial Instrument that are not traded in an active market is determined using valuation technique. The Group uses its Judgement to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

Note 34 - Financial instruments – Financial risk management

The Group's activities expose it to market risk, liquidity risk and credit risk. In order to minimise any adverse effects on the financial performance of the Group, such as foreign exchange forward contracts are entered to hedge certain foreign currency risk exposure.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk in the financial statements.

Risk	Exposure Arising from	Measurement	Management
Credit Risk	Cash and Cash Equivalents, trade receivables, financial assets measured at amortised cost and fair value through profit or loss	Aging analysis, Credit Rating	Diversification of bank deposits, credit limits and letter of credit
Liquidity Risk	Borrowing and other liabilities	Rolling cash flow Forecast	Availability of committed credit lines and borrowing facilities
Market Risk- Foreign currency	Future commercial Transactions Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Cash flow Forecasting Sensitivity analysis	Forward foreign currency Contracts Foreign currency option
Market Risk- Interest rate	Long-term borrowings at variable rate	Sensitivity analysis	Interest rate Swaps
Market Risk- Security prices	Investment in equity securities	Sensitivity analysis	Portfolio diversification

The Group's risk management is carried out by a Finance committee and Treasury team under policies approved by the board of directors. Treasury team identifies, evaluates and hedges financial risks in close co-operation with subject matter experts. The Board of directors periodically monitors the risk assessment.

(a) Credit risk

Credit risk arises from cash and cash equivalents, investments and deposits with banks, as well as credit exposures to customers including outstanding receivables.

The carrying amounts of financial assets represent the maximum credit risk exposure. The maximum exposure to credit risk at the reporting date was:

₹ in Lakhs		
Particulars	As at March 31, 2022	As at March 31, 2021
Investments	6,169.95	2.40
Trade receivables	15,361.61	235.60
Cash and cash equivalents	1,775.79	19.81
Other bank balances	99.70	31.98
Loans	7.92	-
Other financial assets	1,792.57	11.33

Trade Receivables

The maximum exposure to credit risk for trade receivables by geographic region was as follows.

₹ in Lakhs		
	As at March 31, 2022	As at March 31, 2021
India	15,208.53	234.86
Other regions	153.08	0.74
Total	15,361.61	235.60

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

Note 34 - Financial instruments – Financial risk management (Contd.)

(a) Credit risk (Contd.)

The ageing of trade receivables that were not impaired was as follows.

Ageing	₹ in Lakhs	
	As at March 31, 2022	As at March 31, 2021
0-1 Year	15,132.41	117.34
1-2 Year	75.45	35.88
2-3 Year	16.30	61.28
More Than 3 Yrs	137.45	21.10
Total	15,361.61	235.60

The movement in the allowance for impairment in respect of trade and other receivables during the year was as follows.

	₹ in Lakhs	
	As at March 31, 2022	As at March 31, 2021
Opening Balance	44.70	117.47
Amounts written off during the year as uncollectible	(43.16)	13.31
Acquired on account of business combination	3,353.18	-
Impairment loss recognised	(36.30)	(86.08)
Closing Balance	3,318.42	44.70

The Group held cash and cash equivalents of ₹ 1,775.79 lakhs (March 31, 2021: ₹ 19.81 Lakhs). The cash and cash equivalents are held with bank ₹ 1,613.27 lakhs (March 31, 2021: ₹ 19.27 Lakhs)

(b) Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted:

Non-derivative financial liabilities	₹ In Lakhs				
	On Demand	0- 1 year	1-5 years	> 5 years	Total
March 31, 2022					
Banks - Long term loans Including Interest					
Loans from banks	16,804.66	2,519.23	4,956.11	-	24,280.00
Trade payables	-	22,096.47	-	-	22,096.47
Other Payable	-	12,349.22	-	-	12,349.22
March 31, 2021					
Borrowings	150.00	-	-	-	150.00
Trade payables	-	478.62	-	-	478.62
Other Payable	-	45.24	-	-	45.24

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

Note 34 - Financial instruments – Financial risk management (Contd.)

(c)(i) Market Risk- Foreign currency

Exposure to currency risk

The currency profile of financial assets and financial liabilities as at March 31, 2022 and March 31, 2021 are as below:

Particulars	As at March 31, 2022	As at March 31, 2022
	USD in Lakhs	EUR in Lakhs
Financial assets		
Long-term loans and advances	-	-
Short-term loans and advances	16.26	0.16
Trade and other receivables	7.02	-
Other Non-Current financial assets	-	-
Total	23.28	0.16
Financial liabilities		
Short term borrowings	0.03	-
Trade and other payables	18.64	5.24
Other Current financial liabilities	-	-
Total	18.67	5.24
Net Exposure	4.60	(5.08)

Particulars	As at March 31, 2021	As at March 31, 2021
	USD in Lakhs	EUR in Lakhs
Financial assets		
Trade and other receivables	0.01	-
Total	0.01	-
Financial liabilities		
Trade and other payables	-	-
Total	-	-
Net Exposure	0.01	-

The following significant exchange rates have been applied.

	Year-end spot rate	
	March 31, 2022	March 31, 2021
USD /INR	75.52	73.23
EUR/INR	83.93	85.88

Sensitivity analysis

The Sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments.

Effect in INR	₹ in Lakhs	
	Profit or (loss) Strengthening	Profit or (loss) Weakening
March 31, 2022		
USD 5% movement	(17.36)	17.36
EUR 5% movement	21.31	(21.31)
	3.95	(3.95)

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

Note 34 - Financial instruments – Financial risk management (Contd.)

(c)(i) Market Risk- Foreign currency (Contd.)

Sensitivity analysis (Contd.)

Effect in INR	₹ in Lakhs	
	Profit or (loss)	
	Strengthening	Weakening
March 31, 2021		
USD 5% movement	(0.04)	0.04
	(0.04)	0.04

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

(c)(ii) Market Risk- Interest rate

The Exposure of the Group's borrowing to interest rate changes at the end of the reporting period are as follows:

Particulars	₹ in Lakhs	
	As at March 31, 2022	As at March 31, 2021
Variable Rate Borrowing	7,475.34	-

The sensitivity analyses below have been determined based on the exposure to interest rates for non-derivative instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

If interest rates had been 50 basis points higher/lower and all other variables were held constant, the group's:

Profit for the year ended March 31, 2022 would decrease / increase by ₹ 6.09 Lakhs (Previous Year: decrease / increase by ₹ Nil Lakhs). This is mainly attributable to the group's exposure to interest rates on its variable rate borrowings

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

Note 35 - Assets pledged as security

The carrying amounts of assets pledged as security for current and non-current borrowings are:

Particulars	Notes	₹ in Lakhs	
		As at March 31, 2022	As at March 31, 2021
Current			
Trade Receivable	6	17,650.24	-
Inventories	12	28,881.36	-
Other Assets	11	54.41	-
Total Current assets pledged as security		46,586.01	-
Non-current			
Land - Freehold	3	6,405.00	-
Land - Leasehold	3	344.16	-
Buildings	3	14,639.20	-
Other Property, plant and equipment *	3	6,449.04	-
Brand / Trade Mark	4	2,86,125.46	-
Total Non Current assets pledged as security		3,13,962.86	-
Total assets pledged as security		3,60,548.87	-

* Property, plant and equipment as per note 3 includes moveable asset for employee benefits, which has not been pledged

No charges or satisfaction are pending to be registered with ROC beyond the statutory period.

Notes to the Consolidated Financial Statements (Contd.)

for the year ended March 31, 2022

Note 36 - Movement in deferred tax balances

Particulars	As at April 1, 2021	For the year 2021-22				As at March 31, 2022	
		Acquired through business combination	Recognised in profit or loss	Recognised in Goodwill	Recognised in OCI	Deferred tax asset	Deferred tax liability
