

UPGRADE TO Dr. AQUAGUARD™, UPGRADE TO GOOD HEALTH!

Dr. Aquaguard™ removes disease-causing bacteria, cyst, virus, dirt along with new age contaminants like lead, pesticides and other dissolved organic impurities. The water you drink is not just pure but also healthy.

POWER OF COPPER WITH Zn + Mg + Ca

Dr. Aquaguard™ range of water purifiers with Active Copper Maxx™ brings together the goodness of Copper +3 Micronutrients like Calcium, Magnesium and Zinc. Active Copper Maxx™ instantly infuses Copper ions and micronutrients into the water to give you the purest and healthiest drinking water for your family!
